Dear Ms. Nelson and Mr. Smithson:

We are pleased to submit the following documentation of financial assistance provided statewide in support of our economic development strategy in Iowa. This strategy is about focusing on innovation and attracting quality jobs that will raise the standard of living for Iowans and create wealth for our state.

These documents include every direct loan, forgivable loan, tax credit, tax exemption, tax refund, grant, or any other financial assistance awarded by the Iowa Economic Development Authority during Fiscal Year 2021. They were prepared in accordance with SF 608, Section 5.

We are proud to help Iowa communities of all sizes and geographic locations thrive, and we work hard to ensure these programs have a strong return on investment for the state. Please don't hesitate to contact us for more information.
