Status of Technology Upgrades

Quarterly-4/1/2022

OCIO
Office of the
Chief Information Officer
Innovative Technology Solutions for Citizen-Centric Government

200 E. Grand Avenue
Des Moines, Iowa 50309
515.281.5503
CIO@iowa.gov

Overview

Beginning October 1, 2019, a quarterly report regarding the status of technology upgrades or enhancements for state agencies, submitted to the general assembly and to the chairpersons and ranking members of the senate and house committees on appropriations. The quarterly report shall also include a listing of state agencies coordinating or working with the office and a listing of state agencies not coordinating or working with the office.

IT Projects

The Office tracks a number of IT projects being completed by State agencies in conformance with its duties under Iowa Code Chapter 8B. The following projects were tracked by OCIO in FY 2022 Q2, representing the status of technology enhancements and/or upgrades being performed by state agencies:

Agency Participation in OCIO Programs

Beginning in FY20, HF759 required the OCIO to submit quarterly reports that include a listing of state agencies coordinating or working with the office and a listing of state agencies not coordinating or working with the office. In response to this requirement for the first reporting period includes the following information:

For the 2nd quarter of the reporting period (January 1, 2022) OCIO offers the table set forth in the URL below that shows charges to each agency in FY22 Q1 for IT services provided by OCIO. The table demonstrates that OCIO provides services to all agencies of state government, but in varying amounts depending on the need of each agency. Agencies highlighted in Green are "fully centralized" in that all IT functions are provided to the agency by OCIO. The report can be found at the following URL:
