Meghan Nelson, Chief Clerk of the House
Charles Smithson, Secretary of Senate
State Capitol Building
1007 East Grand Avenue
Des Moines, IA 50319

Dear Ms. Nelson and Mr. Smithson:

The Iowa Economic Development Authority is pleased to submit the following documentation of financial assistance provided statewide in support of our economic development strategy in Iowa. This strategy is about focusing on innovation and attracting quality jobs that will raise the standard of living for Iowans and create wealth for our state.

The report was prepared in accordance with HF 2564, Section 5. It documents every direct loan, forgivable loan, tax credit, tax exemption, tax refund, grant, or any other financial assistance awarded through applicable IEDA programs during Fiscal Year 2022. IEDA entered into a 28E agreement with IWD to administer our apprenticeship and workforce training programs. Information in the report regarding those programs was provided by IWD.

In addition to documentation of state-funded financial assistance, the report also contains information about assistance using federal funds. IEDA provided assistance to thousands of individual Iowans and businesses that had been impacted by the COVID-19 pandemic using CARES Act and American Rescue Plan Act funds.

We are proud to help Iowa businesses and communities of all sizes and geographic locations thrive, and we work diligently to ensure that our programs have a strong return on investment for the state. Please don't hesitate to contact us for more information.

Sincerely,

Debi Durham (Nov 10, 2022 15:56 CST)
