Report of Nonexpended Funds – FY 2022-2023

As required by 2021 Iowa Acts, chapter 182, section 3, subsection 2, of the \$156,000 appropriated for the Hearing Aids and Audiologic Services Funding Program, notwithstanding section 8.33, remaining funds appropriated, but not encumbered or obligated at the close of the fiscal year shall remain available for expenditure within the program until the close of the succeeding fiscal year.

At the time of this report (6/20/23) all funds appropriated for the Hearing Aids and Audiologic Services Funding Program are obligated. Due to the nature of claim reimbursement for the fiscal period that ends 6/30/23, not all claims for reimbursement of hearing aid and audiological services have not been received, and the agency is unable to provide a specific total of unspent funds for this report.

Any obligated funds not spent for services provided between 7/1/22 and 6/30/23 will not revert to the General Fund following the close of FY 2022–2023. Any unspent funds will be used by the Agency for the implementation of the Hearing Aids and Audiologic Services Funding Program in FY 2023-2024.
