

# Report on Nonreversion of Funds

SEPTEMBER 2023

This report is in response to the requirements found in 2023 Iowa Acts Chapter 112 Section 49.

Sec. 49. REPORT ON NONREVERSION OF FUNDS. The department of health and human services shall report the expenditure of any moneys for which nonreversion authorization was provided for the fiscal year beginning July 1, 2022, and ending June 30, 2023, to the general assembly on a quarterly basis beginning October 1, 2023.

This report details all General Fund balances that will carry forward from SFY23 to SFY24 and includes balances reported in prior quarterly nonreversion reports. Much of the funding that is carrying forward is a result of variation (decrease) in typical utilization patterns for some programs, enhanced FMAP funding, and other impacts related to the pandemic. The Agency anticipates use of most of these funds over the next year.

The carry forward amounts reflected herein are the amounts moved from SFY23 to SFY24. In some cases, early SFY24 expenditures or planned expenditures are included. However, some reported amounts reflect on the initial carry forward value.

#### **Medical Assistance**

Authority: 2022 Iowa Acts Ch. 1131 Sec. 38

Description: \$421,379,409 will remain available in SFY24.

Of this amount, \$355,930,946 has accumulated over multiple years and is primarily due to the COVID-19 increased FMAP savings. One-time recoveries in SFY23 and certain expenses shifting from SFY23 to SFY24 are also contributing to the balance.

A portion of the one-time recoveries (\$8 million) will be transferred to the Public Assistance Modernization Fund in SFY24 pursuant to 2023 lowa Acts Ch. I I 2 Sec. 63. All other remaining funds will be retained in the Medical Assistance appropriation and are available for ongoing investment and expenditure.

The remaining \$65,448,463 is the unspent balance from the temporary 10 percentage point increase to the state's FMAP for certain Medicaid HCBS pursuant to section 9817 of the American Rescue Plan Act of 2021 (ARPA). This amount must be invested in accordance with lowa's approved ARPA HCBS spending plan.
