Dear Glen:

This letter is to apprise you of the results of the income tax checkoff calculations required to be completed by the Department of Revenue pursuant to Iowa Code Section 422.12E.

Section 422.12E requires that when four income tax checkoffs have been provided on the income tax return for two consecutive years, the two checkoffs for which the least amount has been contributed, in the aggregate for the first year and through March 15 of the second year, are repealed. The amounts contributed for each of the four checkoffs during the period defined in statute are as follows:

Fish and Game Fund	\$153,230
Iowa State Fair Foundation	\$ 95,089
Joint Veterans Trust/Volunteer Firefighter Preparedness	\$ 83,060
Child Abuse Prevention	\$ 77,321

The two checkoffs for which the least amount has been contributed in the aggregate for the first tax year and through March 15 of the second tax year are the Joint Veterans Trust/Volunteer Firefighter Preparedness Fund and the Child Abuse Prevention Fund. Both of these organizations will continue to receive checkoff funds through the end of calendar year 2010 but, under existing legislation, will not be included on the 2010 income tax forms to be filed in 2011.

Yours truly,

Mark R. Schuling  
Director
