COLLEGE BOUND AND IMAGES (IOWA MINORITY ACADEMIC GRANTS FOR ECONOMIC SUCCESS)

2022-2023 ANNUAL REPORT

JANUARY 2024

2022-2023 College Bound Annual Report Iowa State University

A total of 815 students attended a College Bound-sponsored Group Visit, High School Visit, or Science Bound event during the 2022-23 academic year. Vouchers or certificates of participation were mailed to 149 participants in grades five through eleven whose ethnic status is confirmed as African American, American Indian/Alaska Native, Asian, Native Hawaiian/Pacific Islander, Hispanic/Latino/a, or two or more races.

The Iowa State University College Bound Program hosted several events that were sponsored independently of other Regent institutions. Like the last reporting cycle several in-person events had an uptick in attendance and numerous College Bound participants acknowledged the benefits of attending events on campus. Iowa State's Multicultural Student Experience Day and Latino Family Visit Day events saw significant growth. Alongside the Office of Admissions campus visit events, recruiters also traveled to high schools informing students of the admission requirements and tips for college preparedness, as well as offering application workshops that guided students through the application process. Furthermore, Science Bound also hosted Countdown to College workshops that offered parent sessions in addition to student sessions. Duplicate counts were removed from reporting metrics, though it is important to note that some students attended multiple IMAGES qualifying events.

Summary of Activities by Program and Ethnicity

During the 2022-23 academic year a total of 149 College Bound program vouchers (certificates of participation) were distributed to confirmed American ethnic minority students and 815 students attended a College Bound or Group Visit event. Outside of these events, Iowa State University also served students and visitors of multiple ethnic backgrounds in daily campus visits, group visits, outreach events, and recruiting fairs. All visits offer the opportunity to explore the Iowa State campus and learn about the admissions process and financial aid opportunities.

Outreach & Campus Visit Summary

The common goal of each program is to prepare multicultural students for college admission, inform them of their college options, and assist them with application processes and financial aid. This is a list of programs that took place during the 2022-2023 academic year with a summary of activities by grade and followed by ethnic code.

Campus & Group Visits

Campus and group visits experienced increased attendance numbers and visitor excitement to participate in in-person events. Iowa State coordinated with multiple schools and agencies to schedule a group visit at Iowa State University. Visits were coordinated with the Offices of Admissions, Multicultural Student Affairs, Student Financial Aid, Student Support Services, and various academic departments and student organizations. In accordance with the style of campus and/or group visit, students interacted with college student mentors and staff. In 2022-2023, the Iowa State College Bound program hosted, co-hosted, and/or participated in events, such as but not limited to, Kirkwood Community College TRIO, Iowa State Educational Talent Search, Kirkwood Community College CCTC, DMACC Upward Bound, Waterloo West Mini RIDE, Des Moines Public Schools Investing in My Future, Marshalltown HS, Kids on Course Cedar Rapids, and Cedar Rapids Jefferson. Due to weather and/or scheduling conflicts of the participant school, four College Bound events were canceled. In addition to the events outlined in this report, Iowa State hosted several additional group visits that served first generation and low-income populations. Participants in these events were of multiple ethnic backgrounds. Across all events, an increase in ethnicities not indicated on sign up forms was noted and reflected accordingly in the report numbers.

Multicultural Student Experience Day

In the second year back post pandemic, Iowa State's Multicultural Student Experience Day during the 2022-2023 academic school year hosted 215 participants. This program is a day-long program held in the fall semester designed to give multicultural students and their families a chance to learn about the opportunities and services available on campus. It includes information about scholarships, student organizations, internships, and the admission process. During the day, the program features a Multicultural Student Affairs information session, as well as an opportunity for attendees to meet the Director of Multicultural Student Success within their undergraduate college. Additionally, students and families could meet with Office of Student Financial Aid staff and/or attend additional informative sessions led by the Office of Student Financial Aid. The Multicultural Student Experience Day was hosted on October 24, 2022.

Latino Family Visit Day

Aiming to connect students with a Latino background to college resources, the Office of Admissions, offered two visit days during the 2022-2023 academic year. The Latino/a Family Visit Day is an event hosted by The Iowa State Chapter of Lambda Theta Phi Latin Fraternity Inc. in collaboration with the Office of Admissions. This day is designed to give students and their families a chance to learn about the opportunities and services available to Latino/a students. Throughout the visit day, participants learn about different student organizations and resources on campus,

explore the campus, meet with staff, and hear from current students about their experiences as a Latino/a student at Iowa State. A majority of the program is in Spanish. The events for the 2022-2023 academic year were hosted on the following dates:

- November 12, 2022
- April 15, 2023

Multicultural Vision Program

The Multicultural Vision Program (MVP) was created to provide in-state multicultural students with demonstrated need, the opportunity to receive a renewable tuition grant provided they demonstrate potential in ways that go beyond class ranking or test scores. The program welcomes approximately 100 incoming students to receive the grant. Students are encouraged to attend on-campus and virtual programs to learn more about the application process. Candidates and their families can visit with Iowa State staff regarding their options at Iowa State University through MVP.

Outreach Events

During the 2022-2023 academic year, several outreach events took place, including but not limited to, high school visits, application workshops, college fairs, and Science Bound events. Alongside the Campus and Group Visits, the main outreach events highlighted in this report are High School Visits and Science Bound events. These events provide prospective students an opportunity to discuss college admission requirements, scholarships, and academic life. Speakers and college representatives were available to counsel students and families about the college selection process. College Bound co-sponsors several Science Bound events.

High School Visits and Application Workshops

For this report, High School Visits were focused on high schools throughout the Des Moines area including North High School, East High School, Hoover High School, Roosevelt High School, Lincoln High School, and Marshalltown High School. Recruiters from the Office of Admissions visited each of the above high schools at least once, some twice, during the 2022-2023 academic year. Iowa State recruiters share admissions requirements, financial aid opportunities, and general college preparedness information with all participants. At each of these high schools an ISU recruiter offered application fee deferments and assistance for interested students.

In addition, ISU Admissions Recruiters also visited North High School, West High School, and East High School in Sioux City to host Application Workshops. These workshops help students through the application process and answer questions regarding lowa State and the college admissions processes. Students who apply at that time have the application fee deferred.

Outside of the specific high school visits defined for this report, the Iowa State Office of Admissions served additional schools with diverse populations during the 2022-2023 academic year. This includes Storm Lake High School, West High School in Waterloo, North High School in Davenport, Central High School in Davenport, Jefferson High School in Cedar Rapids, West High School in Iowa City, Washington High School in Iowa City, City High in Iowa City, South Tama High School, Perry High School, Denison High School, and Wester Liberty High School.

Science Bound Program, Countdown 2 College

Science Bound is Iowa State University's premier pre-college-through-college program to empower Iowa youth to pursue degrees and careers in agriculture, science, technology, engineering, and mathematics (ASTEM) fields and education. In partnership with four Iowa school districts and Iowa State University, Science Bound engages nearly 500 middle and high school students and families from Clarke, Denison, Des Moines, and Marshalltown, Iowa annually. This year, Science Bound hosted the Shadow Day program for Clarke, Denison, Des Moines, and Marshalltown perspective 11th and 12th graders on-campus at Iowa State University. Additionally, five Countdown 2 College programs were held for 12th grade students in each of the districts. These Science Bound workshops focused on applying for college, filing the Free Application for Federal Student Aid (FAFSA), financing college, housing and meal plans, student services, and academic support. Both students and parents/guardians are guided through the requisite steps of, and thoroughly informed about, the college-going process. Additional programming for senior Science Bound students in 2022-2023 included a Scholarship Essay Writing Workshop, Personal Statements, Signing Days, and an all-district banquet on Iowa State University's campus. The focus of the below Science Bound metrics is on high school seniors.

Program most successful in attracting students to Iowa State University.

Multicultural Vision Program

The Multicultural Vision Program (MVP) Award grants a full-tuition award to incoming first-year students, who are U.S. Citizens or permanent residents, residents of the state of Iowa who have participated in a federally funded Educational Talent Search or Upward Bound program, or identify as: American Indian or Alaskan Native, African American, Asian, Pacific Islander, Desi American, Hispanic or Latino/a/x, or Multi-Racial on the application for undergraduate admission. Students will also demonstrate academic potential in ways that go beyond class ranking or test scores.

The program goal is to award approximately 100 students with the grant. The Multicultural Vision Program aims to enhance the ISU undergraduate experience by preparing students with the tools to grow as a person by expanding their cultural awareness, building supportive relationships, and achieving academic success. The program is guided by five principles: Sense of Belonging, Social Involvement, Academic Success, Leadership Development and Community Engagement. Students are encouraged to visit campus, attend outreach programs, and submit an application to be reviewed for the scholarship. The students who applied for the MVP award were not accounted for in the total number of students who participated in college bound activities.

For Fall 2023, there were 274 MVP applications submitted. Of the total MVP applications, 190 applied to Iowa State, 176 received admissions offers, 134 accepted their admission to Iowa State offer, and 132 enrolled at Iowa State University. While 132 students applied for MVP and enrolled not all enrolled with the award. The 94 awarded recipients participated in a University Studies orientation course during the Fall 2023 semester and in other programs and activities, including events for parents and families, throughout their enrollment.

The table below represents the students that participated in the MVP awarding process. Not all have applied for admission, received the grant, or enrolled at Iowa State University. They may have qualified for other scholarships and/or did not have the need.

Enrolled data is available beginning with the 2004-05 report because due date is after the day of the start of the academic year.

** Beginning in 2006, the number of received vouchers only includes students whose ethnicity was confimred as an American ethnic minority by the student in accordance with Iowa Code 262.92 and 261.101 and 681 IAC 1.6(262). In previous years, the number of total participants was reported as receiving vouchers.

UNIVERSITY OF NORTHERN IOWA COLLEGE BOUND/IMAGES ANNUAL REPORT 2022-23

lowa Code 262.92 charges the Regent universities with encouraging resident minority students to attend their institutions, addressing income barriers to access, and providing information about higher education opportunities early in the lives of young lowans. The University of Northern Iowa Office of Admissions has implemented a recruitment plan in support of the College Bound Program, with a focus on offering traditional and non-traditional activities designed to provide access and support for students who have been traditionally underrepresented in higher education. The University of Northern Iowa 2023-2028 Strategic Plan, Supporting Goal 1: Create Equitable, Diverse, and Inclusive Opportunities outlines institution-wide priorities for the recruitment, retention, and success of diverse populations (strategicplan.uni.edu). The goals for the College Bound and IMAGES Programs align with university-wide strategic initiatives and supporting metrics.

The Office of Admissions oversees the College Bound Program. Responsibilities include coordinating efforts with UNI's strategic plan and recruitment plan, engaging with campus partners to coordinate campus programs, and visiting high schools and community-based organizations across the state to increase the number of College Bound participants served by UNI. The Office of Admissions has worked to facilitate meaningful relationships with high schools and community organizations in the Cedar Valley and targeted high schools with high minority populations across the state, including Waterloo, Des Moines, Sioux City, and Cedar Rapids public schools.

UNI's Panther Ambassadors, a group of 60 current UNI students support the recruitment plan by assisting with campus and community programs designed to recruit students to the university, including racial/ethnic minority students. Specifically, Panther Ambassadors assist with on campus recruitment events, leading campus tours, hosting visitors for lunch, and sharing their experiences as student panelists. These students are excellent representatives of the university and serve as connections to their home communities, high schools and/or community colleges.

COLLEGE BOUND ACTIVITIES

CAMPUS VISITS

For College Bound students, the campus visit is a critical element in a student's decision-making process. At UNI, various types of campus visit programs are conducted throughout the year for College Bound students. During the campus visit, prospective students learn about admission and financial aid processes, support services, orientation programs, engage with student panels, and tour the campus to see residence halls, classrooms, and dining facilities. Panther Ambassadors assist in these visits by guiding prospective students, family members, and counselors on campus tours, accompanying them to lunch in a dining center, and sharing their

experiences as successful university students. The focus of each visit is to provide students with adequate information about UNI while also helping them understand the overall importance of pursuing higher education. Fall and spring visits included:

<u>Individual Campus Visits:</u> Individual campus visits include an appointment with an admissions counselor, campus tour and lunch in the dining center. Individual appointments are personalized based on a student's interests and cover admission requirements, financial aid information, major requirements, answers to student and family questions, and when requested, a meeting with the student's academic program. Individual visits are also offered in Spanish, allowing students and families from Spanish-speaking families full access to the college exploration experience.

<u>Group Visits:</u> Throughout the year, UNI provides opportunities for various groups to experience a campus visit. Groups include state and federally funded college bound programs such as the TRIO programs (Educational Talent Search, Student Support Services, and Upward Bound), AVID (Advancement via Individual Determination), iJAG (Iowa Jobs for America's Graduates), high school groups, and community-based organizations such as Al Exito. Students receive a presentation on the admission process, financial aid and scholarships, housing, and student life, as well as a campus tour and lunch. Visit agendas are adapted to accommodate each group's schedule and student interests. Most of the groups visiting campus are college preparation programs. To increase access, the Office of Admissions has subsidized bussing costs at the request of schools with a high percent of students receiving free and reduced-price lunch.

<u>TRIO Visit Day:</u> We continue to strengthen our relationship with TRIO groups by offering a specific fall visit day for TRIO groups throughout the state. TRIO groups bus students to campus to engage with UNI's campus community and each other. Students take part in a fair that highlights UNI's academic programs, student organizations and ethnic student groups, and engage in sessions to learn about admission requirements and financial aid opportunities. Additionally, visiting students have the opportunity to engage with UNI students, tour campus, eat in the dining halls, and, importantly, receive in depth information about UNI's various majors from faculty.

<u>Multicultural Visit Days</u>: Staff and faculty from UNI's Office of Admissions, undergraduate colleges, Office of Financial Aid and Scholarships, and UNI Housing and Dining collaborate to offer a campus visit day that introduces students in grades 9-12 to UNI's academic programs, living opportunities, admission process, and financial aid opportunities. Ethnic student organizations host a browsing fair session for visitors to learn about how to connect and get involved with others who have similar interests and backgrounds. Panther Ambassadors provide escorts to visit activities, campus tours, student panels, and much needed connections for prospective racial/ethnic minority students.

<u>Admitted Student Days:</u> UNI holds events designed to assist admitted seniors and community college transfer students with a focus on the next steps to enroll at UNI. These admitted student days are offered in the spring, and each includes an opportunity for admitted multicultural students and their families to connect one-to-one with UNI faculty and staff from diverse cultural

backgrounds. Students and parents also meet with financial aid counselors to review financial aid awards, finalize housing contracts and related questions, and sign up for summer orientation.

COLLEGE FAIRS

Each year UNI Office of Admissions staff participate in college fairs across lowa. Students have the opportunity to visit with an admissions or academic college representative and fill out a contact card which ensures they receive follow up information about the university and the admission process. College fairs are sponsored by organizations including the Iowa Association for College Admission Counseling, educational institutions, and community-based groups throughout the state.

COMMUNITY OUTREACH

<u>TRIO:</u> UNI actively collaborates with TRIO programs throughout the state in an effort to reach and serve students from groups traditionally underrepresented in higher education. The UNI Office of Admissions collaborates regularly with UNI-sponsored TRIO programs at the UNI Center for Urban Education (UNI-CUE) by speaking to ETS students about college preparations, admission requirements, and financial aid. The UNI admissions team maintains close contact with UNI-CUE program directors who lead Classic Upward Bound, Educational Talent Search, Educational Opportunity Center, and various tutoring and academic support services for the community. We engage in partnership through regular meetings between programs directors and admissions which allows for more collaborative and purposeful outreach and access efforts.

Native and Indigenous Communities of Iowa Outreach: As part of UNI's acknowledgement of the ancestral stewardship of native and indigenous communities in Iowa, the Office of Admissions, along with other university partners, hosted a college bound summer camp for 8-12 grade students from the Meskwaki Nation in summer 2023. Scholarships have also been developed to assist economically disadvantaged Native American students from the Meskwaki Settlement School (MSS) and South Tama High School. During the camp, students spent a week exploring careers in healthcare, art, and environmental science through various field trips and hands-on learning activities. In addition to career exploration, students also engaged in a college readiness curriculum designed to develop fundamental skills needed for college-bound students. The Office of Admissions also visits MSS and South Tama High School frequently and have developed strong relationships with the school counselors to best assist college going among students from these schools.

<u>Hispanic/Latino Community Outreach:</u> In an effort to expand UNI's resources for Spanish speaking families, we have created a webpage specific to Spanish speaking families. Additionally, we currently employ four admissions staff who speak Spanish. Expanding our bilingual resources has been an important achievement in serving College Bound students and their families. UNI also sponsored the AI Exito Summer Camp for 9-12 grade Latinx students in summer 2023. These students stayed on UNI's campus for a week to experience college life, learn about the opportunities provided to students through higher education, and cultivate community among

other Latinx students. Participants engaged in sessions about selecting a college or university, an overview of the college admissions requirements and process, defining financial aid, and participated in a scholarship essay writing workshop.

<u>Iowa College Access Network (ICAN) College Planning and Financial Aid Nights:</u> UNI sponsors ICAN college planning and financial aid nights throughout the Cedar Valley and state. We also serve as panelists on virtual and in-person ICAN financial aid nights throughout the fall and spring. These programs provide students and their parents with an overview of the college admissions and financial aid process.

HIGH SCHOOL VISITS

Each year UNI admissions representatives visit high schools to speak with prospective students about the admissions process, financial aid, scholarships, housing, and student life. Students provide contact information in order to receive follow-up communication about UNI and the admission process, and admissions representatives encourage students to schedule a campus visit. UNI's admissions team visits high schools in Iowa with significant free and reduced-price lunch populations and those with a high percent of multicultural students. Additionally, the admission office continues this engagement in the local community by maintaining a strong and consistent presence at Waterloo East and West High Schools, including offering office hours each month to speak with students about UNI.

COMMUNITY COLLEGE TRANSFER OUTREACH

Community colleges with substantial multicultural enrollments are identified for specific visits from the recruitment team. Community college advisors are also contacted. Students identified and referred during this process receive transfer-specific follow-up information about the admission, transition, and enrollment process.

PROMOTION OF COLLEGE BOUND ACTIVITIES

Events are promoted to students using a variety of approaches and media in order to reach multiple audiences across the state. Contact information is collected from students during various programs and activities in the community as well as on-campus, and through referrals and web inquiry forms. This student information is entered into the CRM Salesforce system, and then prospective students and their families receive ongoing information about future College Bound and recruitment events. Students receive information upcoming visits from UNI recruitment counselors to their high schools, college fairs in their area, and open house and related campus visit opportunities. The UNI Office of Admissions works closely with community programs such as TRIO to bring groups of students to campus, often providing transportation in order to increase access, and provides programs in interested communities.

Community leaders and high school personnel, working with current and prospective multicultural students, assist in encouraging parental involvement in outreach programs. Parental involvement opportunities include chaperoning groups that visit campus, participating in campus activities provided for their students, accompanying students to community events and college fairs, attending parent nights hosted by UNI Office of Admissions staff in select high schools, and engaging in activities and meetings with their students. Specific sessions are designed and provided for parents regarding financial aid and scholarships, options for students not meeting standard admission requirements, housing, and supporting students' academic success. Spanish speaking admissions staff are also available to speak with students and families as requested.

METRICS AND EFFECTIVENESS

IMAGES

IMAGES Expenditures: See Table A

2022-23 College Bound Voucher Recipients:

- There are 100 IMAGES awardees that are also College Bound Voucher recipients
- The total expenditures for IMAGES awardees that were College Bound recipients are \$171,472.

IMAGES Recipients by Race/Ethnicity: See Table C2

Distribution by Educational Level of IMAGES Awardees: See Table D

COLLEGE BOUND

Budget: The original allocation of College Bound money to the University of Northern Iowa was \$80,000. See Table B.

- Number of students reached: 1,195 of the 2,103 participants received vouchers. Only the grade 12 students were identified to receive vouchers. Younger students will receive the vouchers during their senior year of high school
- Number of College Bound participants who applied to Regent Universities A total of 699 minority College Bound participants applied to UNI.
- Number of College Bound participants who were accepted by Regent Universities A total of 541 minority College Bound participants were accepted by UNI.
- Number of College Bound participants who enrolled at Regent Universities A total of 195 College Bound participants enrolled at UNI.
- Number of College Bound participants who graduated from UNI A total of 77 College Bound participants graduated from UNI during the 2022-23 academic year.

College Bound participants by race/ethnicity who received vouchers: See Table E2

College Bound participants by race/ethnicity and grade level: See Table F-UNI2

2022-2023 College Bound Annual Report--University of Iowa

The University of Iowa is committed to a climate that respects and values diversity and inclusion, to the recruitment and retention of students, faculty and staff who contribute to diversity, and to administrative procedures and programs that support these initiatives. <u>The Strategic Plan for the University of Iowa, 2022-2027</u> recognizes diversity as essential to every aspect of the University of Iowa's mission and as foundational to excellence in teaching, research, and service. The university provides an inclusive environment in which individuals have a sense of belonging and have the ability to achieve their potential.

The College Bound and IMAGES programs foster the university's goals by supporting outreach to underrepresented minority students from the state of Iowa. The purpose of this outreach is to encourage these students to pursue opportunities in higher education and to provide financial support to help them realize their goals. The College Bound and IMAGES programs are important to the university's wider efforts to promote and maintain a culturally diverse learning environment. Additional university programs of community outreach, financial aid and scholarships, cultural centers, academic support programs, cultural studies courses and curricula, multicultural campus organizations and performance groups, cultural events and celebrations, and other resources are used to support these outreach efforts and create a welcoming and supportive campus environment for all students, faculty, and staff.

At the University of Iowa, the Executive Vice President and Provost, the Associate Vice President for Diversity, Equity, and Inclusion, and other staff in their units coordinate and oversee many of the university's diversity efforts. With assistance from the Office of Admissions, the Center for Inclusive Academic Excellence administers the College Bound Program, and with the Office of Student Financial Aid, the IMAGES program.

This report summarizes College Bound activities and IMAGES scholarships awarded during the 2022-2023 academic cycle. Information for the report has been compiled from data available July 1, 2023.

COLLEGE BOUND

Purpose and Funding Allocation (Table B) - College Bound and IMAGES were established by the lowa Legislature. These programs are intended to provide underrepresented minority students from the state of lowa with information and experiences relating to opportunities offered at the Regents universities. Consistent with these purposes, the University of lowa has developed a range of programs for elementary, middle, and secondary students and their families that include academic enrichment, encouragement to consider attending a post-secondary institution, and admissions information. Funds are allocated annually from the University of Iowa General Education Fund to support the College Bound program. In 2022-2023, \$106,773 was expended to support these efforts.

In the past year, the most successful programs have been college-bound campus visits. Additional details and specific outreach and recruitment activities in 2022-2023 conducted under the College Bound Program are listed and described in the **Appendix**.

College Bound Participation (Table F2) - For academic year 2022-2023, a total of 642 lowa resident students in kindergarten through twelfth grade participated in College Bound programs hosted by the University of Iowa. Participation of students in a College Bound program activity is recorded by the university and vouchers are issued to secondary school student participants (grades 7-12). Upon enrollment at a Regents institution, voucher recipients are given priority in the awarding of funds under the IMAGES program.

College Bound/IMAGES Vouchers (Table E2) - In 2022-2023, a total of 1,458 lowa resident minority students in grades 7-12 participated in a College Bound/IMAGES voucher activity through the University of Iowa or through a program jointly sponsored with Iowa State University and the University of Northern Iowa. Of these participants, 1,436 identified as racial/ethnic minority students. A College Bound voucher was sent to each qualified student.

College Bound Admissions and Enrollment–5,719 resident first-year applications and 1,399 resident transfer student applications were received for Fall 2022, for a total of 7,118 applications. 952 of those applications were from minority students. 2,777 resident first-year students and 741 resident transfer students matriculated, of which 384 were minority students.

IMAGES AWARDS

IMAGES awards of up to a maximum of \$3,500 per year are made to lowa resident minority students who demonstrate financial need. IMAGES awards may be received for up to eight semesters and students must be making satisfactory academic progress toward their degrees.

Total Award Numbers and Dollars (Table A) - At the University of Iowa, a total of 232 Iowa resident minority undergraduate students received IMAGES grant awards for the 2022-23 academic year. These students received a total of \$640,586.

Awards to College Bound/IMAGES Voucher Recipients - Of the 232 students receiving an IMAGES award, 170 are College Bound/IMAGES voucher recipients receiving \$460,899.

IMAGES Grant Awards and Ethnicity (Table C) - IMAGES awards were distributed to the following racial/ethnic minority groups:

	IMAGES	Advantage lowa	Total
Hispanic/Latino	85	241	326
American Indian/Alaskan Native	1	7	8
Asian American	75	5	80
Black/African American	37	77	114
Pacific Islander	0	1	1
Two or more Races	<u>34</u>	<u>66</u>	<u>100</u>
Total	232	397	629

IMAGES Grant Awards and Class Rank (Table D) - IMAGES awards were distributed to the following classes of students:

	IMAGES	Advantage lowa	Total
Freshmen	87	112	199
Sophomore	31	96	127
Junior	50	78	128
Senior	<u>64</u>	<u>111</u>	<u>175</u>
Total	232	397	629

The University of Iowa initiated the Advantage Iowa (AI) Program in 2007-08. Al was designed to enhance recruitment and retention outcomes for all SUI underrepresented students and/or students involved in Upward Bound programs. University funds previously allocated to provide added financial support beyond the required \$630,000 IMAGES annual budget are now used to fund this critical AI initiative. Total support of \$2,012,992 for underrepresented Iowa residents includes \$640,586 IMAGES and \$1,372,406 Advantage Iowa.

	IMAGES	Advantage Iowa	Total SUI Support
Head Count	232	397	629
Voucher Count	170	265	435
Dollars	\$640,586	\$1,372,406	\$2,012,992

APPENDIX - COLLEGE BOUND ACTIVITIES

BACKGROUND

Reporting to the Executive Officer & Associate Vice President for Diversity, Equity, and Inclusion, the Center for Inclusive Academic Excellence (CIAE) brings together under one umbrella a variety of programs and services that help create a welcoming climate for students, staff, and faculty from communities underrepresented in higher education. The Office of Admissions, along with CIAE, provides leadership and coordination for K-12 outreach and service to underserved SUI students from diverse backgrounds, including students of color, first-generation students, and students from low-income families. These efforts emphasize focused school and community partner contacts.

CIAE is also the home of the U.S. Department of Education's Upward Bound TRIO program. In existence for 58 years, Upward Bound works extensively with underserved students and families to develop leadership skills and college-bound habits. The program invites high school students to summer residential or bridge programs. The communities served by Upward Bound in 2022-2023 were Muscatine, West Liberty, and Columbus Junction.

CAMPUS VISITS

During the 2022-23 academic year, the Office of Admissions hosted a variety of on-campus programs that served College Bound students. Daily Visits took place on Mondays through Fridays (apart from Wednesdays) and included an Iowa Overview information session, a campus walking tour, lunch on campus, and a residence hall tour. On Daily Visits, students also had the option to attend an academic session or meet one-on-one with an admission counselor. Mondays and Fridays are our busiest days, so we added the option of an inclusive resources' presentation. This presentation has information about Center for Inclusive Academic Excellence, 1st Generation resources, LGBTQ+ resources, etc. We also hosted seven Hawkeye Visit Day programs, four Junior Hawkeye Visit Day programs, and four Admitted Student Day programs in the 2022-23 academic year. These included more in-depth academic sessions, financial aid overview sessions, current student panels, and an information fair that included tables from the Center for Inclusive Academic Excellence and Multicultural and International Student Support and Engagement. In addition to these general programs, the Office of Admission also offers some specialty programs that serve College Bound populations.

 College Bound Campus Visits: The Office of Admissions organizes and conducts the Group Campus Visit Program that brings minority and first-generation student groups to campus. High school students meet with staff from the Offices of Admissions, Financial Aid, Center for Inclusive Academic Excellence, Multicultural and International Student Support and Engagement (MISSE) and interact with a student panel. An additional academic component consists of group visits with faculty from various disciplines. Students also receive a campus tour and have the option to eat in one of our dining centers. Several campus visits are designed for family participation in order to encourage parents to learn about the University of Iowa. Where appropriate, efforts are made to provide Spanish translation. In addition to requested visits we had the large-scale Gear Up Visit Day. This was a visit for the Gear Up lowa Program. There were about 150 students across different schools on campus to learn more about The University of Iowa.

• **College Fairs:** The Office of Admissions and the Center for Inclusive Academic Excellence attended virtual college fairs and diversity recruiting events throughout the state to provide minority students information about the University of Iowa. Students were provided information on admission requirements, scholarships, programs and majors, cost of attendance, campus resources, and what it's like to be a student at the University of Iowa.

SUMMER PROGRAMS

➢ lowa First Nations: Participants enjoyed a college readiness program designed to immerse them into collegiate life and to facilitate the academic, social, and cultural transition from high school to college with an emphasis on Native American identities/experiences in lowa and at The University of Iowa.

During the one-week program, participants engage in classroom instruction, various workshops with an array of topics from STEM, art, literature, and history. Participants also recieved an introduction to University of Iowa admissions and resources, a visit to the Meskwaki Settlement in Tama which included visiting the Meskwaki Tribal Center, Meskwaki Food sovereignty, Red Earths Garden, Meskwaki police, Tribal Court, and the apprenticship program. Participants also engage in nightly beading taught two years in a row by Alicia Velasquez, who owns, The House of Dotł'izhia, a Native American jewlery store. Lastly, they cap off the week with a capstone presentation related to the curriciulm taught during the week of classroom instruction. IFN participants experienced The University of Iowa's campus by living first-hand in Catlett Hall and eating meals in the campus market places.

➤ In July 2022 the Iowa First Nations (IFN) Summer Program welcomed 14 high school students from five states (Iowa, Wisconsin, South Dakota, Oklahoma, and Minneosta) with seven different tribal affiliations (Chippewa Indians, Meskwaki Nation, Menominee, Pawnee, Oneida, Jemez Pueblo and Acoma Pueblo.)

➢ In July of 2023 the Iowa First Nations (IFN) Summer Program welcomed eight high school students from two states (Iowa & North Carolina) with six different tribal affiliations. (Turtule Mountain Band of Chippewa Indians, Meskwaki Nation/Sac and Fox Tribe, Menominee, Pawnee, Oneida Tribe of Wisoncsin, Jemez Pueblo)

Co-sponsored Programs:

The Black and Fall (Latinx) Youth Summits are an opportunity for the University of Iowa to cultivate partnerships with K-12 institutions to enhance college readiness and help students learn about the value of higher education. Moreover, this is an opportunity for students, faculty, and staff to engage in mutually beneficial partnerships with the communities of the Eastern Iowa Corridor by

demonstrating their talent and experience through keynote speaker, workshops and lessons. While these programs are set up similar each one is curated for a unique experience for each group of students, The schedule at a glance that both of these events follow can be found in Appendix A. This type of programming promotes the University's goals to foster programs that enhance diversity, equity, and inclusion throughout the University community. Furthermore, through sustaining and supporting programs like the Fall (Latinx) and Black Youth Summit, the University can better demonstrate its institutional values.

• The Black Youth Summit:

The first annual Black Youth Summit (BYS) hosts participants from Iowa High Schools (9th through 12th grade), educational advisors, community members, and community organizations. The summit is a multi-racial/multi-national event. The Summit creates and supports collaborative groups of thought leaders and innovators to advance interdisciplinary collaboration in strategic areas, including well-being and mental health; arts and humanities; and diversity, equity, and inclusion. For the first annual Black Youth Summit, the theme chosen was Liberation Through Action, Resiliency and Holistic-Wellbeing.

Throughout the Summit, participants will be able to increase awareness of mental health and wellbeing resources and participate in co-curricular learning that provides foundational well-being knowledge and skills.

• The Fall Youth Summit (Latinx Youth Summit):

In previous years, this event was known to be the "Latinx Youth Summit" but due to political climate in 2023, it was suggested we change the title of the summit to "The Fall Youth Summit" to be inclusive of all students. The Fall Youth Summit aims to explore the changing demographics and dynamics of all communities in Iowa (primarily Latinx), and to strengthen the responsiveness of policy makers, business leaders and community organizations. For the Fall Youth Summit, we wanted to focus on self-advocacy and related themes including knowledge of self, knowledge of rights, communication skills, and leadership skills. We wanted students to have the skillset and awareness of the strengths and values they hold, and how to utilize them to achieve their goals. When shortening our theme, we as a team produced, Empowering Leaders through Self-Discovery, as the main theme for this year's fall youth summit. We hope this year's theme will give student participants an opportunity to gather a deeper understanding and connection to their personal identities and how they relate to communication and leadership within their communities. Participants will be able to empower and uplift themselves alongside others through reflection and shared experiences. Students will gain knowledge of themselves, their rights as individuals, and how they can impact change as leaders.

• Tippie Gateway:

The Tippie College of Business has two summer sessions of its Gateway program. This is a weeklong program on campus with a focus on underrepresented students in the business world. They spend time on campus, live in the residence halls, learn about the admission process for

the university as well as specific for Tippie. They also work with each other and peer leaders on a project and presentation at the end of the week.

• Upward Bound:

The University of Iowa Upward Bound Project held a six-week residential summer program for 22 high school students from West Liberty, Columbus Community, and Muscatine High Schools. There were 20 rising students placed in enrichment classes to delve into subjects with detail greater than what is offered by most public schools. Two recently graduated high school students were enrolled in a University of Iowa bridge course that could be later transferred to their institution of choice.

OTHER COLLEGE BOUND ACTIVITIES

- Publications: The Office of Admissions and the Center for Inclusive Academic Excellence publications provide additional resources for individuals interested in the University of lowa. Some of these updates include the websites (http://diversity.uiowa.edu/division/CIAE), (http://admissions.uiowa.edu/diversity) and information sheets on college preparedness and Regents Admissions Standards. Prospective minority students receive the "Opportunity + Community" brochure that highlights current minority student, faculty and staff experiences at the University of Iowa. We also provide Latinx, African American, Asian American, Native American, students with disabilities, and LGBT students with postcards highlighting diversity, academic, and support resources on campus specific to their identities.
- Electronic Communications: Multiple emails are sent to pre-college students from both the Center for Inclusive Academic Excellence and the Office of Admissions in the spring that focus on campus diversity resources, information about student life, FAFSA completion, housing application submission deadlines, admission acceptance processes, applying for scholarships, and encouraging campus visits.
