

Secretary of the Senate Marshall and Chief Clerk Smithson,

I was directed to send this email report to you. Although the Iowa Law Enforcement Academy has a ICN classroom we were unable to utilize it during the previous year for any long distance learning courses or meetings. I was directed to report to you a report declaring our savings due to ICN utilization. As we did not use the equipment placed here no money was saved. Please understand that we have had some recent managerial changes here at the Academy and that our utilization of the ICN classroom may change depending on how we can creatively use it in training Iowa Peace Officers. Thank you.

Peter J. Paeth
