

# Managed Care Plans Pay For Performance (P4P)

SFY 2023  
 (JUL 2022 - JUN 2023)

## Executive Summary

As required by the Iowa State Legislature, see [2019 Iowa Acts, Ch. 85.42](#), Iowa Medicaid is submitting a summary of the withhold amounts to the medical MCPs for SFY 23. Amerigroup of Iowa (AGP) and Iowa Total Care (ITC) payments were released from Iowa Medicaid on September 2, 2024.

## Pay For Performance (P4P) Program

Iowa Medicaid has established a pay for performance program (P4P) under which the Department automatically withholds 2% of the MCOs approved capitation payment each SFY in exchange for the MCOs efforts to improve specific operational or quality measures throughout the year. Each MCO can earn back all, a portion, or none of their 2% withhold payment depending on how well they perform each P4P Measure.

Below are the summary tables for the MCOs. The detailed worksheets to this summary are available upon request.
