

Disaster Recovery Housing Assistance Program (DRHAP) 2025 Annual Report

Program Summary

Disaster Recovery Housing Assistance Program (DRHAP): 2021 Iowa Acts, Senate File 619, Division XVI created a standing vehicle within the Iowa Finance Authority (IFA) for distributing disaster recovery housing assistance to eligible homeowners in the form of forgivable loans and to eligible renters in the form of grants. The legislation also established an Eviction Prevention Program, which allows IFA to award grants to keep eligible renters in their current residences and to eviction prevention partners to pay for rent or housing stability services for the purpose of preventing the eviction of eligible renters. Rules implementing the program were adopted by IFA at Iowa Administrative Code 265 – Chapter 29. DRHAP awards are subject to funds being made available to IFA for the purpose of awarding financial assistance to eligible homeowners and eligible renters in disaster-affected counties and are only authorized pursuant to a state of disaster emergency proclamation by the Governor that authorizes disaster recovery housing assistance. IFA enters into agreements with local program administrators working in disaster-affected counties to help administer the program.

Funding

DRHAP first received funding in FY 2025 from a transfer of approximately \$6.5 million. This funding originated from the Homestead Property Tax Credit Aid standing unlimited appropriation under the Iowa Department of Revenue and was routed through the Iowa Economic Development Authority before being transferred to IFA and deposited into the DRHAP Fund. The program also received an \$11.6 million FY 2025 supplemental appropriation from the Economic Emergency Fund in 2025 Iowa Acts, chapter 28, section 85.
