

FY26 ANNUAL REPORT

Now Available!

Interstate Commission for Adult Offender Supervision

From advancing INSITE to strengthening the rules that guide interstate supervision, FY26 was a year of significant progress for ICAOS. The Commission also continued its work to support more informed and consistent violation responses and brought members together in Puerto Rico for the Annual Business Meeting.

A YEAR OF PROGRESS, INNOVATION & COLLABORATION

INSITE | BUILDING WHAT'S NEXT

INSITE development advanced throughout FY26, moving the Commission closer to a modern, secure system for interstate supervision.

2025 ANNUAL BUSINESS MEETING

The 2025 Annual Business Meeting in Puerto Rico brought members together to conduct Commission business, exchange ideas, and shape the work ahead.

STRONGER RULES BETTER IMPLEMENTATION

The Commission adopted 19 rule amendments and provided training and resources to help states put the changes into practice.

ADVANCING MORE INFORMED VIOLATION RESPONSES

The Commission continued developing a Violation Response Tool (VRT) that considers risk, violation severity, and stability when determining an appropriate response.

Article V of the Compact Statute requires Commissioners to share this report with
