Dear Secretary and Chief Clerk:

Chapter 8D.10, Code of Iowa, requires each agency to report annual savings realized by use of Iowa Communications Network (ICN) video services. That report is due January 2014 for the 2013 calendar year.

The Iowa Ethics & Campaign Disclosure Board utilizes NO video services. I trust this fulfills the requirement of the statute.

If we need to do anything further, please contact me.  
Sincerely,

*Sharon*
