IowaGrants.gov

The purpose of IowaGrants.gov is to:
- Provide a mechanism for reporting and managing all grants applied for and received by state agencies;
- Centralize the posting of state grant awards available to apply for;
- Manage state agency awards to government entities, non-profit organizations, private businesses and individuals - includes the grant application, selection, award/contracting, monitoring, communications, modification, reporting, close-out, and financial management processes.

Agencies currently using IowaGrants to post and manage awards:
Department of Administrative Services, Information Technology Enterprise
Department of Cultural Affairs
Department of Education
Department of Human Rights
Department of Human Services – Summer 2014
Department of Justice
Department of Management
Department of Public Health
Department of Public Safety

Office of Drug Control Policy
All departments will be using IowaGrants to some extent by June 30, 2015.

Benefits:
- Expand accessibility to grant information ensuring accountability and transparency to legislators, boards, commissions, stakeholders and citizens;
- Ensure that all state government funding opportunities are easily identifiable and applications are accessible and straightforward;
- Provide access to a rich source of project and financial information;
- Allow departments to serve sub-grantees in a consistent, customer-focused manner;
- Eliminate the costs of continued investments in the development and operation of agency-unique grant management systems;
- Reduce costs associated with processing applications (printing, paper, postage, filing space);
- Improve audit trails throughout the entire process of awarding grants.
