**Re: Final Report under Section 8.62**

This report is submitted pursuant to Section 8.62 of the Iowa Code, which requires the Office of the State Public Defender to report to the Justice Systems Appropriation Subcommittee, the Legislative Services Agency, the Legislative Fiscal Committee of the Legislative Council, and the Department of Management, detailing how funds carried forward under section 8.62 were expended.

The Office of the State Public Defender carried forward \$73,803 from Fiscal Year 2013 to Fiscal Year 2014, for the purpose of internet-based employee training, technology enhancement, and the purchases of goods and services from Iowa Prison Industries. This entire sum was expended for software development costs to upgrade our claims review software system, including the development of an online claim submission system.

Do not hesitate to contact me if I can provide any additional information.

Sincere regards,

Samuel P. Langholz  
State Public Defender
