MISSION: *Improve the lives of families at risk of long-term welfare dependency or family instability by creating opportunities for self-sufficiency.*

Iowa's Family Development and Self-Sufficiency (FaDSS) Grant Program was created by the 1988 Iowa General Assembly to assist Family Investment Program (FIP) families with significant or multiple barriers reach self-sufficiency. FaDSS provides services that promote, empower, and nurture families toward stability and economic self-sufficiency.

The FaDSS program is administered by the Iowa Department of Human Rights, Division of Community Action Agencies. The FaDSS Council serves as an advisory body and awards grants for the FaDSS program. The Council consists of fourteen members and two members from each chamber of the general assembly serving as ex officio members. The Council meets at least four times per year.

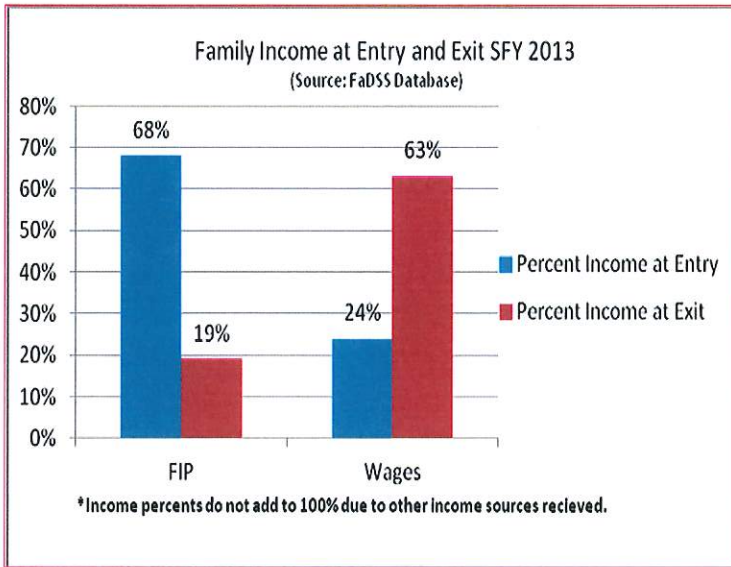

FaDSS is provided in all of Iowa's 99 counties through a network of seventeen agencies (community action agencies and other public and private non-profit organizations) with approximately 86 Certified Family Development Specialists. Specialists are mandatory child abuse reporters, and subject to criminal and child abuse background checks. Over 90% of Specialist and supervisors have a post secondary degree and are required to complete ten hours of additional training each year.

FaDSS is an evidenced based, holistic, strength based, home visiting program that focuses on **preventive services** and facilitates **long-term family change** for families receiving Family Investment Program (FIP) benefits. In FY2013, FaDSS served **3199 families**, with **5,455 children**, of which **3,482** were between the ages 0-5.

FaDSS provides:

- Activities to increase work preparedness
- Goal setting and goal attainment skills
- Parenting skill development
- Protection for children
- Families with links to informal and formal connections within their community
- Thorough assessment of strengths
- Budgeting skills
- Role modeling of healthy behaviors
- Self-advocacy skills
- Assistance to communities throughout Iowa to respond to low income families facing multiple issues in a strength based manner

PERFORMANCE OUTCOMES

Work Preparedness and Employment

(Source: FY 2013 FaDSS Annual Activity Report)

In FY2013, 51% of families were involved in activities offered by FaDSS, designed to increase work preparedness skills, including resume writing, mock interviews, and assistance with completing job applications.

1618 families had at least one person employed during the year.

Income

(Source: FaDSS Database)

In FY13, for all families exiting the FaDSS program, the average monthly income from wages increased by 360%, from \$134 to \$484. For families employed at time of exit, average monthly income from wages increased from \$217 to \$1,054.

Education Goals Achieved

(Source: FY 2013 FaDSS Annual Activity Report)

164	GED/HS Diploma
107	Certification Program
60	Associate Degree
11	Bachelor Degree

Progress to Family Stability

(Source: FY 2013 FaDSS Annual Activity Report)
