Iowa Code, section 8.62, permits State agencies to carry forward half of their General Fund reversions to the following fiscal year and specifies how that carry forward may be used. The Code section also requires state agencies to submit an annual:

8.62 Use of reversions.

1. For the purposes of this section, “*operational appropriation*” means an appropriation from the general fund of the state providing for salary, support, administrative expenses, or other personnel-related costs.

2. Notwithstanding the provisions of section 8.33 or any other provision of law to the contrary, if on June 30 of a fiscal year, a balance of an operational appropriation remains unexpended or unencumbered, not more than fifty percent of the balance may be encumbered by the agency to which the appropriation was made and used as provided in this section and the remaining balance shall be deposited in the cash reserve fund created in section 8.56. Moneys encumbered under this section shall only be used by the agency during the succeeding fiscal year for internet-based employee training, technology enhancement, or purchases of goods and services from Iowa prison industries. Unused moneys encumbered under this section shall be deposited in the cash reserve fund on June 30 of the succeeding fiscal year.

3. On or before June 30 of the fiscal year following the fiscal year in which funds were encumbered under this section, an agency encumbering funds under this section shall report to the joint appropriations subcommittee which recommends funding for the agency, the legislative services agency, the department of management, and the legislative fiscal committee of the legislative council detailing how the moneys were expended. Moneys shall not be encumbered under this section from an appropriation which received a transfer from another appropriation pursuant to section 8.39.
