Mr. Michael E. Marshall Secretary of the Senate Second Floor, State Capitol Des Moines, IA 50319 Ms. Carmine Boal Chief Clerk of the House Second Floor, State Capitol Des Moines, IA 50319

Dear Mr. Marshall and Ms. Boal:

In accordance with §262.92, §261.01, and §262.93 of the Code of Iowa, the annual report for 2012-13 of the College Bound and IMAGES Programs at the Regent universities is hereby submitted to the General Assembly.

As you will note in the report, lowa's public universities provide a broad array of activities and opportunities for school-age students through the College Bound programs. The purpose of these programs is to encourage and facilitate participation in activities which will provide pathways for students to enroll in postsecondary education. In 2012-2013, the public universities spent \$228,766 on College Bound programs and served more than 1,400 students in Grades 1-12.

The public universities also address the Board of Regents' Strategic Plan priority of "access, affordability, and student success," by providing scholarships for students through the IMAGES programs. In 2012-2013, the public universities spent \$2,873,001 to fund IMAGES awards for 814 students. The average award was \$3,529.

Please let me know if there are any questions concerning this report.

Sincerely,

Robert Donley

#### **BOARD OF REGENTS REPORT TO THE GENERAL ASSEMBLY**

### COLLEGE BOUND AND IMAGES (IOWA MINORITY ACADEMIC GRANTS FOR ECONOMIC SUCCESS)

**ANNUAL REPORT** 

2012-2013 JANUARY 2014

#### Introduction

The University of Iowa is committed to a climate that respects and values diversity, to the recruitment and retention of students, faculty and staff who contribute to diversity, and to administrative procedures and programs that support this diversity. Renewing the Iowa Promise: "Great Opportunities — Bold Expectations," the Strategic Plan for the University of Iowa, 2010-2016, recognizes diversity as a core value of the UI that sets us on the path towards promoting excellence in education by increasing the diversity of the faculty, staff and students and providing a welcoming and inclusive climate for all members of our community.

The College Bound and IMAGES programs foster the University's diversity goals by supporting outreach to low minority students. The purpose of this outreach is to encourage them to pursue opportunities in higher education and to provide financial support to help them realize their goals. The College Bound and IMAGES programs are important to the University's wider efforts to promote and maintain a culturally diverse learning environment. Additional University programs of community outreach, financial aid and scholarships, cultural centers, academic support programs, cultural studies courses and curricula, multicultural campus organizations and performance groups, cultural events and celebrations, and other resources are used to support these outreach efforts and create a welcoming and supportive campus environment for all students, faculty and staff.

At The University of Iowa, the Executive Vice President and Provost, through the Chief Diversity Officer and Associate Vice President, oversees and coordinates many of the University's diversity efforts and administers, with assistance of the Office of Admissions, the College Bound Program, and with the Office of Student Financial Aid, the IMAGES program.

This report summarizes College Bound activities and IMAGES scholarships awarded during the 2012-2013 academic cycle. Information for the report has been compiled from data available July 1, 2013.

#### **COLLEGE BOUND**

**Purpose and Funding Allocation (Table B)** - College Bound and IMAGES were established by the lowa Legislature. These programs are intended to provide lowa minority students with information and experiences relating to opportunities offered at the Regents universities. Consistent with these purposes, The University of Iowa has developed a range of programs for elementary, middle, and secondary students and their families that include academic enrichment, encouragement to consider attending a post-secondary institution, and admissions information. Funds are allocated annually from The University of Iowa General Education Fund to support the College Bound program; in 2012-2013, \$113,493 was allocated to support these efforts.

Some of the most successful programs are the Pen Pal Project with West Liberty Elementary School, the Institute for Higher Learning Summer Program, Multicultural Visit Day, and the Teen Summit. Additional details and specific outreach and recruitment activities in 2012-2013 conducted under the College Bound Program are listed and described in the **Appendix**.

**College Bound Participation** (**Table F**) - For academic year 2012-2013, a total 1,459 lowa resident students in kindergarten through twelfth grade participated in College Bound programs conducted by the University of Iowa. This total includes 1,397 ethnic minority students, 56 white, non-Hispanic students, and 5 students of unknown ethnicity. Participation of students in a College Bound program activity is recorded by the university and vouchers are issued to secondary school student participants (grades 7-12). Upon enrollment at a Regents institution, voucher recipients are given priority in the awarding of funds under the IMAGES program.

College Bound/IMAGES Vouchers (Table E) - In 2012-2013, a total of 1,361 lowa resident minority students in grades 7-12 participated in a College Bound/IMAGES voucher activity through The University of Iowa or through a program jointly sponsored with Iowa State University and the University of Northern Iowa. A College Bound voucher was sent to each qualified student.

**College Bound Admissions and Enrollment (Table 1)** – This table notes the number of entering lowa resident freshmen (1<sup>st</sup> year) and undergraduate transfer students who applied, were admitted, and enrolled for the fall 2012 term at The University of Iowa. A total of 6,342 applications from Iowa resident freshmen and transfer students were received, including 767 from minority students. From the total resident applicant pool, 5,134 were admitted, and 3,089 resident freshman and transfer students were enrolled. This included 559 minority students admitted and 352 Iowa resident minority students enrolled.

#### **IMAGES Awards**

IMAGES awards of up to a maximum of \$3,500 per year are made to lowa resident minority students who demonstrate financial need. IMAGES awards may be received for a maximum of eight semesters and students must be making satisfactory academic progress toward their degrees.

**Total Award Numbers and Dollars (Table A)** - At the University of Iowa, a total of 231 Iowa resident minority undergraduate students received IMAGES grant awards for the 2012-2013 academic year. These students received a total of \$666,689.

**Awards to College Bound/IMAGES Voucher Recipients** - Of the 231 students receiving an IMAGES grant award, 79 are College Bound/IMAGES voucher recipients receiving a total of \$219,595.

**IMAGES Grant Awards and Ethnicity (Table C)** - IMAGES awards were distributed to the following racial/ethnic minority groups:

Hispanic/Latino	74
American Indian/Alaskan Native	2
Asian American	65
Black/African American	52
Pacific Islander	2
Two or more races	28
Race/ethnicity unknown	8
Total	231

**IMAGES Grant Awards and Class Rank (Table D)** - IMAGES awards were distributed to the following classes of students:

Freshmen	75
Sophomores	35
Juniors	45
Seniors	76
Total	231

The University of Iowa initiated the Advantage Iowa (AI) Program in 2007-08. AI was designed to enhance recruitment and retention outcomes for all SUI underrepresented students. University funds previously allocated to provide added financial support beyond the required \$630,000 IMAGES annual budget are now used to fund this critical AI initiative. Total support of \$1,744,699 for underrepresented Iowa residents includes \$666,689 IMAGES and \$1,078,010 Advantage Iowa.

#### APPENDIX COLLEGE BOUND ACTIVITIES

#### **Background**

Reporting to the Chief Diversity Officer and Associate Vice President, the Center for Diversity and Enrichment (CDE) brings together under one umbrella a variety of programs and services that help create a welcoming climate for students, staff, and faculty from communities underrepresented in higher education. The Office of Admissions along with CDE provides leadership and coordination for K-12 outreach and service to underserved UI students from diverse backgrounds, including students of color, first-generation students whose parents have not received a baccalaureate degree, and students from low-income families. These efforts emphasize focused school and community partner contacts.

CDE is also the home of Upward Bound, a TRIO program funded by the U.S. Department of Education. In existence for 40 years, Upward Bound works extensively with underserved students and families during the academic year and invites them to a summer academy each summer of their high school year. In 2012-2013, the communities served by Upward Bound were Muscatine, West Liberty, and Columbus Junction.

#### **Campus Visits**

- College Bound Campus Visits: The Office of Admissions organizes and conducts the Special Group Campus Visit Program that brings minority and first generation student groups to campus. High school students meet with staff from the Offices of Admissions, Financial Aid, Center for Diversity and Enrichment, and a student panel. An additional academic component consists of group visits with faculty from various disciplines. Students also receive a campus tour, have the option to eat in one of our dining centers, and attend a cultural event if possible. Several campus visits are designed for family participation in order to encourage parents to learn about The University of Iowa. Where appropriate, efforts are made to provide Spanish translation.
- Multicultural Visit Day: The Office of Admissions and CDE host a Multicultural Visit Day in
  the fall for prospective students and their families. During this day different departments,
  offices and colleges throughout the campus community are involved to help educate the
  students on all the different programs, majors and services we provide. Information about
  admission, housing, financial aid, student life, cultural centers, campus tours, and other
  diverse opportunities are shared. They also have conversations with current students of
  color and explore academic opportunities lowa offers.
- Advantage Iowa Students Campus Visits: Admitted Iowa high school students who
  received the Advantage Iowa scholarship and had not visited the campus were invited to
  visit campus in the spring with mileage reimbursed.

- College Fairs: The Office of Admissions attended college fairs throughout the state to provide minority students information about the University of Iowa. Students were provided information on admission requirements, scholarships, programs and majors, cost of attendance, and what it's like to be a student at the University of Iowa.
- School and Community Partnership (SCP) Program: Beginning in 1999-2000, the SCP Program brings University of Iowa staff and faculty into public schools, community colleges, and community-based education programs in Iowa's largest minority-serving school districts and communities on a regular basis. These partnerships seek to advance the academic success of participating students and to increase the likelihood that these students will pursue their higher education at a Regents institution. Ongoing programming with these partners is established by CDE. Geographic areas of concentration are Iowa City, Davenport, Waterloo, Cedar Rapids, and West Liberty.

#### Pen Pals

• Pen Pal Partnerships with West Liberty Elementary School and Cedar Rapids Franklin Middle School: West Liberty elementary students in fourth grade and Cedar Rapids students in sixth through eighth grades are matched with University of Iowa student pen pals. The goals of this program are to provide students with positive role models, to increase their motivation for academic success and to see that college is possible. The West Liberty participants visited campus to meet with their pen pals. In the Cedar Rapids group, the UI college students visited their pen pals at Franklin Middle School.

#### **Summer Programs**

Pre-College Summer Programs: In past years, Iowa resident minority students participated
in many of the different summer workshops or programs supported by the Center for
Diversity and Enrichment. In summer programs, students live on campus for two to six
weeks, allowing them to explore the campus, meet college students, and work closely with
faculty and staff. CDE administers two programs and the Chief Diversity Office provides
support to summer programs to increase their minority participation.

#### **On-Campus Programs**

- CDE/OGI Graduation Recognition Reception: Approximately 300 individuals, including prospective students and their families, attend this annual event hosted by CDE and the Office of Graduate Inclusion (OGI). This reception is designed to recognize diverse students receiving professional, graduate, and undergraduate degrees from the University of lowa and inspire younger students to pursue college and persist to graduation. Collegiate deans and department directors present awards to the outstanding students from their units. In addition, students confer an award on a faculty or staff member who has worked to enhance diversity in all aspects of campus life.
- Multicultural Engineering Student Association (MESA): UI College of Engineering students assisted in tutoring 100 minority students in 14 different schools in the Iowa City Community School District (ICCSD). Professor Tonya Peeples, UI College of Engineering, administers this program through the ICCSD.

• Institutes for Higher Learning: The Institute & EI Instituto are summer enrichment programs that focus on helping high school students to engage in culturally relevant scholarship. CDE administered the design, management, and evaluation of the program in collaboration with the ICCSD. CDE provided a three week summer program for 30 African American and Latino students (identified by the ICCSD) that provided culturally relevant curriculum that supported the students' development and academic skills.

#### **Off-Campus Programs**

- Visits to Targeted Schools: In Iowa, the Office of Admissions and the Center for Diversity & Enrichment visit targeted schools with high minority enrollment to conduct outreach and recruit minority high school and junior high students for college bound programming and college attendance.
- PreView Iowa Des Moines, Mason City, Cedar Rapids, Sioux City and Council Bluffs: Students and their families were invited to PreView Iowa to learn more about the diverse opportunities students from Iowa and across the country experience everyday at the University of Iowa. Opportunities were available to meet current students and staff as well as learn about admissions, scholarships, financial aid, housing, student life, and services from CDE.
- African American Museum Laying Claim to Our Spirit Conference: This annual event promotes leadership of African American women and includes a youth track for high school and college students. The University of Iowa has been a conference sponsor since 2006.
- **Teen Summit:** The Teen Summit was developed by the Alumnae Chapter of Delta Sigma Theta sorority to help African American high school students in the Iowa City-Cedar Rapids community acquire the tools necessary for personal and professional success. Through a series of workshops on topics including strategies for building healthy relationships, improving self-esteem, etiquette training, and college preparation, the program focuses on developing interest in college among participants.
- Davenport Outreach: Beginning in 2012-2013 our Upward Bound grant no longer served Davenport. We hosted a fall closing ceremony where the students and their families were able to celebrate what they accomplished and learn about the other resources at the University of Iowa that are committed to helping them to pursue their college goals. We brought them on a campus visit with the rest of Upward Bound to the University of Northern Iowa and brought the graduating students to the summer program as well.

#### **Co-sponsored Programs:**

• "Strengthening and Valuing Latino/a Communities in Iowa" Conference and the Latino/a Youth Conference: This event is sponsored by CDE, UI School of Social Work, Spanish and Portuguese Department, College of Pharmacy, Kit Gerken with College of Education, ACLU, Iowa State University, City of Iowa City Human Rights Commission, West Wind Education Policy, USDA, HyVee, Coopera, ACT, Sigma Lambda Beta, Iowa Sexual Abuse Hotline, Veridian Credit Union, New Pioneer Food Co-op, United Health Care Community Plan and El Trueque. It provides an opportunity to explore the changing

demographics and dynamics of the Iowa Latino/a community. The Latino/a Youth Leadership Development Summit is an opportunity for Latino/a high school juniors and seniors to gain essential leadership skills.

I'll Make Me a World in Iowa: This diverse collaboration of Iowans, which highlights African
American arts, culture and contributions through education, awareness and preservation,
presents an annual enrichment celebration as well as continual educational outreach. The
Office of Admissions and CDE participate in Education Day and Celebration Day events
during this festival.

#### **Other College Bound Activities**

**Publications**: The Office of Admissions and CDE publications provide additional resources for individuals interested in the University of Iowa. Some of these updates include the websites (<a href="http://diversity.uiowa.edu/">http://diversity.uiowa.edu/</a> and <a href="http://admissions.uiowa.edu/diversity">http://diversity.uiowa.edu/</a> and <a href="http://admissions.uiowa.edu/diversity">http://admissions.uiowa.edu/diversity</a>) and information sheets in college preparedness and Regents Admissions Standards. Prospective minority students receive the Experience Iowa brochure which highlights current minority student, faculty and staff experiences at the University of Iowa. We also provide Latino, African American, Asian, and Native American students with a one page flier for each group which highlights diversity, academic, and support resources on campus for those students.

• Advertisements in Targeted High School newspapers: Admissions supplied ads to targeted highly diverse high schools to appear in their newspapers.

A total of 1,018 students attended a College Bound-sponsored event during the 2012-13 academic year. Vouchers or certificates of participation were mailed to 695 students whose racial/ethnic status is confirmed as African-American, American Indian/Alaska Native, Asian, Native Hawaiian/Pacific Islander, Hispanic/Latino/a, or two or more races.

The Iowa State University College Bound Program continued to work with the University of Iowa and the University of Northern Iowa on sponsoring some of the larger college bound events. However, several Iowa State College Bound events were sponsored independently of the other Regent institutions.

Parent sessions were offered in addition to student sessions at several of Iowa State's College Bound events, including the Early Outreach Program and the Multicultural Vision Program (MVP) interviews. Parents and siblings were encouraged to attend sessions focusing on how to prepare for Iowa's public universities' admissions requirements.

The IPEDS race/ethnicity categories include the following:

1= Hispanic American; 2=American Indian or Alaska Native; 3=Asian-American; 4=Black or African-American; 5=Native Hawaiian or Other Pacific Islander; 6=Two or More Races; 7=White; 8=Nonresident Alien/International; 9=Race/Ethnicity Unknown.

#### **Outreach & Campus Visit Summary**

The common goal of each program is to prepare multicultural students for college admission, inform them of their college options, and assist them with application processes and financial aid. This is a list of programs that took place during the 2012-2013 academic year with a summary of activities by grade and followed by race/ethnic code.

#### **Campus Visits**

Several schools and agencies were contacted and encouraged to schedule a campus visit to lowa State University. Visits were coordinated with the Offices of Admissions, Multicultural Student Affairs, Student Financial Aid, Student Support Services, and various academic departments and student organizations. Students interacted with college student mentors and staff. The Girls Circle of Sioux City, Roosevelt High School, Moulton Extended Learning Center, Meskwaki Settlement School, Ames Middle School, and UNI Upward Bound all worked with the College Bound program to visit the Iowa State campus.

#### **GEAR UP partnership programming –** Des Moines and statewide.

The College Bound Program continues to work with the GEAR UP Des Moines Public Schools and GEAR UP Iowa schools to provide campus visits, in school and after school activities, and career information to students and their families. In 2012-13, the Iowa State College Bound program hosted the GEAR UP Iowa high schools- Clinton, Council Bluffs Jefferson, Des Moines Roosevelt, Columbus Junction, Cedar Rapids Jefferson and Sioux City West.

#### **Central Iowa Latino College Expo**, location rotates among Central College, Simpson, DMACC & lowa State

Latino high school students from central lowa attended a conference designed to address the needs of Latino student populations, providing information regarding academic and personal preparation for success, and motivating students. Iowa State's College Bound Program did attend the event held at Central College. Iowa State University and the College Bound Program will host and sponsor the 2014 program. Data was not collected at the 2012 program due to an administrative oversight. Iowa State's College Bound program did attend the event at Simpson College.

#### Outreach Events (I'll Make Me A World in Iowa)

These events provided students and parents an opportunity to discuss college admission requirements, scholarships, and academic life. Speakers and college representatives were available to counsel students and families about the college selection process. College Bound co-sponsors these events and made presentations with lowa State students serving on a student panel or in a college fair setting.

#### EOP @ ISU, Iowa State University

College Bound, in cooperation with several lowa State departments, hosted summer enrichment camps for high school students. These one-week, summer residential programs provided learning and exploring opportunities for students while they participated in a college environment. Three one-week programs grouping 9<sup>th</sup>, 10<sup>th</sup>/11<sup>th</sup> and 12<sup>th</sup> grade students were offered. Parents and siblings were invited to attend opening/closing ceremonies and received information related to college admissions, appropriate pre-college curriculum choices, and financial aid procedures.

#### Multicultural Vision Program, Iowa State University

The Multicultural Vision Program (MVP) was created to provide up to 100 in-state multicultural students with demonstrated need, the opportunity to receive a renewable tuition grant provided they demonstrate potential in ways that go beyond class ranking or test scores. The program targets 100 students to receive the grant. Students are encouraged to attend programs and participate in interviews in order to be selected. Iowa State staff visited with each candidate and the candidate's family regarding their options at Iowa State University through the Multicultural Vision Program.

#### I'll Make Me A World In Iowa (IMMAWII), Des Moines

IMMAWII is a diverse collaboration of Iowans, which highlights African-American arts, culture and contributions through education, awareness and preservation during an annual enrichment celebration and with continual educational outreach. The Iowa State College Bound Program co-sponsors and contributes to Education Day by providing sessions on college preparation, assists in facilitating the Black History Game Show and collaborating with faculty to present educational sessions for middle and high school students, teachers and families.

Program most successful in attracting students to Iowa State University.

#### **Multicultural Vision Program**

The Multicultural Vision Program (MVP) was created to provide up to 100 in-state minority students with demonstrated need, the opportunity to receive a renewable tuition grant provided they demonstrate potential ways that go beyond class ranking or test scores. The program targets 100 students to receive the grant. Students are encouraged to attend programs and participate in interviews to enhance their chances of being selected. Iowa State staff visit with each candidate and the candidate's family regarding their options at Iowa State University through the Multicultural Vision Program.

A total of 100 new MVP students enrolled at Iowa State University for the Fall 2013 semester. These award recipients participated in a University Studies orientation course during the Fall 2013 semester and in other programs and activities, including events for parents and families, throughout their enrollment. This table represents the students that participated in the MVP interview process. Not all have applied for admission, received the grant, or enrolled at Iowa State University.

Enrolled data are available beginning with the 2004-05 report because the due date is after the 10<sup>th</sup> day of the start of the academic year.

<sup>\*\*</sup>Beginning in 2006, the number of received vouchers only includes students who race/ethnicity was confirmed as an American race/ethnic minority by the student in accordance with lowa Code §262.92 and §261.101 and 681 IAC 1.6(262). In previous years, the number of total participants was reported as receiving vouchers.

The University of Northern Iowa's Office of Admissions, in support of the College Bound Program, incorporates recruitment efforts of traditional and nontraditional activities designed to inform and encourage students of color to pursue higher education. Students identified in high school visits, various visitation programs, co-sponsored programs, community outreach programs, activities conducted by the university, and referrals from faculty, alumni, and community members are entered into the university's student information system (SIS). The Customer Relations Management module of the SIS system is utilized to provide ongoing informational mailings and other communications to students and parents from initial inquiry to actual enrollment at UNI.

The assistant director of multicultural recruitment in the Office of Admissions normally oversees the College Bound Program. As that position was vacant for the majority of the 2012-13 academic year, the Director of Admissions provided oversight. Responsibilities include coordinating efforts with the strategic plan, working with other admissions staff and campus partners to coordinate campus programs, and visiting high schools across the state to increase the number of College Bound participants served by UNI. An admissions counselor assists with delivery of multicultural recruitment initiatives. An outreach team, consisting of recruiters from the academic colleges and Admissions, meets bi-weekly to maintain a centralized focus on multicultural recruitment efforts across the university.

Ethnic Student Promoters (ESP), a group of current UNI students from culturally diverse backgrounds, works with the Office of Admissions' multicultural recruitment efforts. These students assist with campus visits and community programs, provide campus tours, host visitors for lunch, and participate in panels to share their perspective on college life at UNI. ESP students are role models and excellent representatives of the university, and serve as connections to their home communities, high schools and/or community colleges.

#### **Campus Visits**

Campus visit programs are conducted throughout the year for college bound students. Programs include information on admission requirements, application process, applying for scholarships, financial aid, student support services, Jump Start Orientation, campus tour and lunch, and question and answer time with an ESP student panel. Program formats include:

#### **Individual Campus Visits**

Individual campus visits include an appointment with an admissions counselor, campus tour and lunch in the dining center. Individual appointments cover admission requirements, financial aid information, major requirements, answers to posed questions, and a visit with faculty when requested. These visits are personalized to the students.

#### **Group Visits**

Opportunities are provided throughout the year for TRiO, GEAR UP, high school groups and community-based organizations to bring groups to visit campus. Students are provided with a presentation on admissions, financial aid, housing, student life, campus tour and lunch. Agendas are adapted to accommodate each group's travel schedule.

#### **Multicultural Panther Peek Day**

Staff from UNI's Office of Admissions, four academic colleges, Financial Aid and Department of Residence collaborate for this campus visit day that introduces students in grades 9-12 to UNI's academic programs, living opportunities, and admission and financial aid processes. Ethnic student organizations provide a browse session for visitors to become acquainted with ways to connect with others who have similar interests and backgrounds. Ethnic Student Promoters provide escorts, tour guides and student panelists.

#### Job Shadowing

The University of Northern Iowa Center for Urban Education (UNI-CUE) Talent Search Program brings students to campus to shadow faculty and staff on campus. Students are matched with occupational interests to experience a typical job day. Examples include baking in the Department of Residence, serving as a department director or on the Physics faculty, and working in Admissions. Students have set questions to ask while shadowing to help them understand what skills are needed for a given profession. While on campus, students are given an admissions presentation, campus tour and lunch.

#### **Up Close Multicultural Breakfast**

UNI holds two Up Close events in February for admitted seniors and transfers. Admitted multicultural students and their parents are invited to a breakfast where UNI faculty and staff talk with them individually. This campus-wide open house provides opportunities to learn more about individual majors and participate in interactive activities within academic departments. Students and parents may also meet with financial aid staff, contract for campus housing and register for summer orientation.

#### **College Fairs**

Each year UNI staff participates in college fairs in counties across lowa. Students have the opportunity to visit with an admissions or academic college representative and fill out a contact card which allows them to go into our student information system. These fairs are sponsored by the lowa Association for College Admission Counseling, educational institutions and community-based organizations throughout the state.

#### **Community Outreach Events**

#### I'll Make Me a World in Iowa

UNI is a Gold sponsor for this event, hosted annually in Des Moines, Iowa. This event features an education day which includes a college fair, Black History Month trivia competition and numerous sessions on academic and career areas. Staff from the Office of Admissions and ESP students participate in the college fair. Faculty/staff from the College of Humanities, Arts and Sciences, College of Business Administration and College of Social and Behavioral Sciences facilitate separate academic sessions that explore entrepreneurship, science activities and experiences in the social sciences.

#### TRIO

UNI actively works with TRiO programs throughout the state. Admissions collaborates with the UNI sponsored TRiO programs at the UNI Center for Urban Education (UNI-CUE). The assistant director speaks to classes with Educational Talent Search about making good decisions as they prepare to attend college. The assistant director also speaks to the Upward Bound Summer Bridge program about preparation for college.

Close contact is maintained with the program directors at UNI-CUE, including participation in celebratory events like the Equal Opportunity Center's luncheon.

#### **GEAR UP**

UNI co-sponsors a College Day Grill Out in collaboration with Iowa College Aid for Storm Lake area participants in the GEAR Up program. Staffed by representatives of UNI's Colleges of Business Administration and Education, the event was attended by 28 students from middle school, high school and community college, along with 75 family members. College information is shared with the students that cover college readiness and planning, financial aid, college majors and orientation.

#### **High School Visits**

Each year Admissions representatives visit high schools to speak with prospective students about UNI. During these visits the admissions process, financial aid, scholarships, housing, and student life are discussed. Student contact information is collected and students are encouraged to visit campus. To serve our local community, members of the Admissions team visit Waterloo East and West High Schools on a monthly basis (during fall and spring) to speak with students about UNI. Cedar Falls High School initiated a Black Boys and Girls Group with monthly sessions. Representatives from the College of Humanities, Arts and Sciences, the College of Business Administration and Admissions meet with the group throughout the year to facilitate the student developed discussion topics.

College Bound participants by race/ethnicity and grade level: see Table F2.

College Bound participants by race/ethnicity who received vouchers: see Table E2.

#### Promotion of College Bound activities to students and parents

Events are promoted to students in a variety of ways based upon the type of event and who is sponsoring it. When student information is collected from the various programs and activities it is entered into the university student information system database and is used to identify prospective students for future college bound and recruitment events. Students are sent information to indicate when counselors will visit their specific high schools, attend a college fair in their area, and invite them to visit campus. We work closely with community programs such as TRiO and GEAR UP to bring groups of students to campus or to provide programs in interested communities. We are also working to develop a stronger presence in minority communities by co-sponsoring programs. Individual students and parents are sent personalized letters of invitation to attend community outreach programs, make individual campus visits, attend UNI Panther Peek Days and/or attend UNI Up Close for admitted students. Community leaders and high school personnel who work with multicultural students are identified for assistance to encourage parental involvement in outreach programs.

Parental involvement includes chaperoning groups that visited campus and co-sponsored events and participating in activities provided for visiting students. Parents also accompany students to community events and college fairs. Parents are encouraged to attend activities with their student. Specific sessions are conducted for parents regarding financial aid, options for students not meeting standard admission requirements, housing, etc.

#### **Budget**

The original allocation of College Bound money to the University of Northern Iowa was \$80,000. See Table B.

#### **Effectiveness of the College Bound Activities**

Number of students reached

**175** of the **778** participants received vouchers. Only grade 12 students are identified to receive vouchers. Younger students will receive the vouchers during their senior year of high school. See Table E.

Number of College Bound participants who applied to Regent Universities A total of **345** minority College Bound participants applied to UNI.

Number of College Bound participants who were accepted by Regent Universities A total of **230** minority College Bound participants were accepted by UNI.

Number of College Bound participants who enrolled at Regent Universities A total of **115** College Bound participants enrolled at UNI.

Students receive certificates from UNI or one of the other two Regents institutions which may have been earned prior to programs conducted in 2012-2013. Students who attend programs and receive vouchers from the other institutions have been identified and noted in the numbers above.

Number of College Bound participants who graduated from UNI A total of **87** College Bound participants graduated from UNI.

#### **Successful Activities**

#### **Campus Visit**

For college bound students, the campus visit is the most important element in the decision-making process. During a campus visit, prospective students learn about the admissions requirements and procedures, financial aid, and have the opportunity to tour campus to see residence halls, classrooms, and dining facilities. UNI Ethnic Student Promoters assist in these visits by guiding prospective students, parents, and counselors on campus tours, accompanying them to lunch in a dining center, and presenting 'life as a UNI student.' The focus of each visit is to provide students with adequate information on UNI while helping them understand the importance of pursuing higher education of some nature. Multicultural Panther Peek Day and group visits by TRIO and GEAR UP programs are effective visit efforts.

#### **UNI Up Close Multicultural Breakfast**

During the February UNI Up Close Program for admitted seniors, the multicultural students and their parents are invited to a multicultural breakfast that precedes the campus open house. Faculty and staff members from throughout campus provide information on financial aid, Student Support Services, Jumpstart Orientation Program and a brochure with information concerning on-campus multicultural support networks. Approximately 30 students attended along with their parents and had the opportunity to meet and network with some of the minority faculty and staff members throughout campus.

#### **Community College Transfers**

Community colleges with substantial minority enrollments are targeted for special minority visits. Contact is made with the minority advisors (when available) or designated counselors to inform them of upcoming events. Identified students are entered into the enrollment tracking system to ensure they receive appropriate information.

#### **Multicultural Recruitment Guide**

The multicultural recruitment guide is a supplemental piece to the series of pieces the students receive once in UNI's student information system. This piece includes minority-specific information regarding scholarships and grants, orientation, diversity programs, and student support.

#### Web Site

The Office of Admissions continues its efforts to update the multicultural portion of its website to include more information for minority students and their families as they consider UNI.

#### <u>Multicultural Initiatives in Teaching Program</u> Background

The Multicultural Initiatives in Teaching (MIT) Program, sponsored by the College of Education at the University of Northern Iowa, was discontinued in fall 2010. Consideration is being given to reconstituting the program.
