Dear Mr. Dickinson:

I am writing to update you on the centralized debt collection program for the quarter ending March 31, 2013. This report is required by Iowa Code Chapter 421.17(27)h.

This legislation authorizes the Department of Revenue to establish a centralized debt collection program for state agencies and requires quarterly reports concerning implementation of the program, the number of departmental collection programs initiated, the amount of debt collected and an estimate of future costs and benefits. The following pages provide information in these four areas.

**Central Collections Program Implementation**

The centralized debt collection program represents only the collection services provided to the Judicial Branch, the Department of Revenue, the Department of Human Services Child Support Recovery Unit and the Department of Natural Resources by the Department of Revenue's public-private partnership. Each agency participating in the partnership generates additional collections beyond those reflected in this report.

**Collections by Quarter**

The attached tables show quarterly revenues that were generated by the CCU. Collections for this quarter totaled \$16.2 million, an increase of \$0.4 million compared to the same quarter last year. When compared to the same quarter of FY 2012, District Court collections had an increase of \$1.1 million, Tax collections had a decrease of \$0.7 million, Child Support had a slight decrease, and the Department of Natural Resources had a slight decrease.

The attached tables reflect only the efforts of the Central Collection Unit.

**Cost/Benefit**

The Central Collection Unit is self-supporting and charges for all direct and indirect costs that are properly allocable to CCU activities.

<u>Fiscal Year</u>	<u>Cost vs. Amount Collected</u>
FY 2008	8.26%
FY 2009	8.28%
FY 2010	18.12%
FY 2011	14.11%
FY 2012	12.09%

If you or your staff has any questions regarding this information, please feel free to contact me.

Yours truly,

Courtney M. Kay-Decker  
Director
