TERRY BRANSTAD, GOVERNOR KIM REYNOLDS, LT. GOVERNOR

DEPARTMENT OF EDUCATION JASON E. GLASS. DIRECTOR

From: Iowa Department of Education

Jeff Berger, Deputy Director

Subject: School Association Reporting

Date: January 2013

Basis of Reporting

School Association Reporting is a requirement of Iowa Code 279.38 and 279.38A. IC 279.38 requires that each board that pays membership dues to the Iowa association of school boards shall annually report to the local community and to the department of education the amount the board pays in annual dues to the Iowa association of school boards, the amount of any fees paid and revenue or dividend payments received for services the board receives from the association or from any of the association's affiliated for-profit entities, and the products or services the school district received inclusive with membership in the association.

IC 279.38A requires the same information to be reported from each board that joins and participates in local, regional, and national organizations which directly relate to the functions of the board of directors. These organizations have been identified for reporting purposes.

LEAs/AEAs are required by law to be in compliance with Generally Accepted Accounting Principles (GAAP). This requirement applies to this report. All LEAs and AEAs shall use 60 days for the cut-off period for revenue recognition. LEAs/AEAs shall use vendor reports from their finance system on a GAAP basis, along with payment and receipt information, to complete this report.

The due date for this electronic report was November 15, 2012 for all districts and AEAs. Reporting was separated from the Certified Annual Report (CAR) and was made due later in the year in an effort to alleviate districts and AEAs from additional reporting during peak times of the year.
