RE: Public Employment Relations Board report on the use of reversions
pursuant to Iowa Code
Section 8.62

In Fiscal Year 2014, the Public Employment Relations Board carried over unspent funds. The portion of reversion funds available for reuse in the following fiscal year 2015 was \$11,700.98 and was used in the following manner:

\$8,304.98 to Perfect Image, Inc., (Kirkland, WA) the low bid vendor, to convert existing microfiche to a digital format. This increases the ease of the public in using these files, saves purchasing new machines in the future and protects the filmed images in the future.

\$3,396.00 to Iowa Prison Industries (Des Moines) for the purchase of new office furniture for the clerical employees. It has been several years since there have been any updates in this area.
