Mr. Michael E. Marshall Secretary of the Senate Second Floor, State Capitol Des Moines, IA 50319 Ms. Carmine Boal Chief Clerk of the House Second Floor, State Capitol Des Moines, IA 50319

Dear Mr. Marshall and Ms. Boal:

In accordance with §262.92, §261.01, and §262.93 of the Code of Iowa, the annual report for 2014-15 of the College Bound and IMAGES Programs at the Regent universities is hereby submitted to the General Assembly.

As you will note in the report, lowa's public universities provide a broad array of activities and opportunities for school-age students through the College Bound programs. The purpose of these programs is to encourage and facilitate participation in activities which will provide pathways for students to enroll in postsecondary education. In 2014-2015, the public universities spent \$243,758 on College Bound programs and served more than 4,800 students in Grades 1-12.

The public universities also address the Board of Regents' Strategic Plan priority of "access, affordability, and student success," by providing scholarships for students through the IMAGES programs. In 2014-2015, the public universities spent \$3,774,855 to fund IMAGES awards for 856 students. The average award was \$4,410.

Please let me know if there are any questions concerning this report.

Sincerely,

Dr. Robert Donley

#### **BOARD OF REGENTS REPORT TO THE GENERAL ASSEMBLY**

### COLLEGE BOUND AND IMAGES (IOWA MINORITY ACADEMIC GRANTS FOR ECONOMIC SUCCESS)

2014 - 2015 Annual Report

**JANUARY 2016** 

#### Introduction

The University of Iowa is committed to a climate that respects and values diversity, to the recruitment and retention of students, faculty and staff who contribute to diversity, and to administrative procedures and programs that support this diversity. *Renewing the Iowa Promise:* "Great Opportunities – Bold Expectations," the Strategic Plan for the University of Iowa, 2010-2016, recognizes diversity as a core value of the UI that sets us on the path towards promoting excellence in education by increasing the diversity of the faculty, staff and students and providing a welcoming and inclusive climate for all members of our community.

The College Bound and IMAGES programs foster the University's diversity goals by supporting outreach to lowa minority students. The purpose of this outreach is to encourage them to pursue opportunities in higher education and to provide financial support to help them realize their goals. The College Bound and IMAGES programs are important to the University's wider efforts to promote and maintain a culturally diverse learning environment. Additional University programs of community outreach, financial aid and scholarships, cultural centers, academic support programs, cultural studies courses and curricula, multicultural campus organizations and performance groups, cultural events and celebrations, and other resources are used to support these outreach efforts and create a welcoming and supportive campus environment for all students, faculty and staff.

At the University of Iowa, the Executive Vice President and Provost, through the Chief Diversity Officer and Associate Vice President, oversees and coordinates many of the University's diversity efforts and administers, with assistance from the Office of Admissions, the College Bound Program, and with the Office of Student Financial Aid, the IMAGES program.

This report summarizes College Bound activities and IMAGES scholarships awarded during the 2014-2015 academic cycle. Information for the report has been compiled from data available July 1, 2015.

#### **COLLEGE BOUND**

**Purpose and Funding Allocation (Table B)** - College Bound and IMAGES were established by the lowa Legislature. These programs are intended to provide lowa minority students with information and experiences relating to opportunities offered at the Regents universities. Consistent with these purposes, the University of Iowa has developed a range of programs for elementary, middle, and secondary students and their families that include academic enrichment, encouragement to consider attending a post-secondary institution, and admissions information. Funds are allocated annually from the University of Iowa General Education Fund to support the College Bound program. In 2014-2015, \$118,000 was allocated to support these efforts, and \$128,485 was expended.

Some of the most successful programs are the Pen Pal Project with West Liberty Elementary School, Multicultural Visit Day, and the Teen Summit. Additional details and specific outreach and recruitment activities in 2014-2015 conducted under the College Bound Program are listed and described in the **Appendix**.

**College Bound Participation** (**Table F2**) - For academic year 2014-2015, a total of 2,452 lowa resident students in kindergarten through twelfth grade participated in College Bound programs conducted by the University of Iowa. This total includes 2,401 ethnic minority students, 9 white, non-Hispanic students, and 42 student of unknown ethnicity. Participation of students in a College Bound program activity is recorded by the university and vouchers are issued to secondary school student participants (grades 7-12). Upon enrollment at a Regents institution, voucher recipients are given priority in the awarding of funds under the IMAGES program.

**College Bound/IMAGES Vouchers (Table E2)** - In 2014-2015, a total of 2,419 lowa resident minority students in grades 7-12 participated in a College Bound/IMAGES voucher activity through the University of Iowa or through a program jointly sponsored with Iowa State University and the University of Northern Iowa. A College Bound voucher was sent to each qualified student.

**College Bound Admissions and Enrollment (Table 1)** – This table notes the number of entering lowa resident freshmen (1<sup>st</sup> year) and undergraduate new transfer students who applied, were admitted, and enrolled for the fall 2014 term at the University of Iowa. A total of 6,496 applications from Iowa resident freshmen and new transfer students were received, including 966 from minority students. From the total resident applicant pool, 5,312 were admitted, and 2,993 resident freshman and new transfer students were enrolled. This included 721 Iowa resident minority students admitted and 411 Iowa resident minority students enrolled.

#### **IMAGES Awards**

IMAGES awards of up to a maximum of \$3,500 per year are made to lowa resident minority students who demonstrate financial need. IMAGES awards may be received for up to eight semesters and students must be making satisfactory academic progress toward their degrees.

**Total Award Numbers and Dollars (Table A)** - At the University of Iowa, a total of 245 Iowa resident minority undergraduate students received IMAGES grant awards for the 2014-2015 academic year. These students received a total of \$671,818.

**Awards to College Bound/IMAGES Voucher Recipients** - Of the 245 students receiving an IMAGES award, 96 are College Bound/IMAGES voucher recipients receiving \$259,439.

#### APPENDIX

#### **COLLEGE BOUND ACTIVITIES**

#### Background

Reporting to the Chief Diversity Officer and Associate Vice President, the Center for Diversity and Enrichment (CDE) brings together under one umbrella a variety of programs and services that help create a welcoming climate for students, staff, and faculty from communities underrepresented in higher education. The Office of Admissions along with CDE provides leadership and coordination for K-12 outreach and service to underserved UI students from diverse backgrounds, including students of color, first-generation students whose parents have not received a baccalaureate degree, and students from low-income families. These efforts emphasize focused school and community partner contacts.

CDE is also the home of Upward Bound, a TRIO program funded by the U.S. Department of Education. In existence for 50 years, Upward Bound works extensively with underserved students and families during the academic year and invites them to a summer academy each summer of their high school year. In 2014-2015, the communities served by Upward Bound were Muscatine, West Liberty, and Columbus Junction.

#### **Campus Visits**

- College Bound Campus Visits: The Office of Admissions organizes and conducts the Special Group Campus Visit Program that brings minority and first generation student groups to campus. High school students meet with staff from the Offices of Admissions, Financial Aid, Center for Diversity and Enrichment, and a student panel. An additional academic component consists of group visits with faculty from various disciplines. Students also receive a campus tour and have the option to eat in one of our dining centers. Several campus visits are designed for family participation in order to encourage parents to learn about the University of Iowa. Where appropriate, efforts are made to provide Spanish translation.
- GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs): The Mission of GEAR UP is to significantly increase the number of students who are prepared to enter and succeed in postsecondary education. Beginning in the 2006-2007 academic year, the University of Iowa began a partnership with seventh graders from middle/high schools throughout Iowa, and this partnership continues today. The university provides campus visit opportunities for students and their families several times a year. Campus visits are organized around students' career interests. GEAR UP just received a new seven year grant and we have agreed to partner with them to help support their college outreach efforts and bring their students to our campus.
- Multicultural Visit Day: The Office of Admissions and CDE host a Multicultural Visit Day in
  the fall for prospective students and their families. During this day different departments,
  offices and colleges throughout the campus community are involved to help educate the
  students on all the different programs, majors and services we provide. Information about
  admission, housing, financial aid, student life, cultural centers, campus tours, and other
  diverse opportunities are shared. They also have conversations with current students of
  color and explore academic opportunities lowa offers.

- Advantage Iowa Students Campus Visits: Admitted Iowa high school students who
  received the Advantage Iowa scholarship and had not visited the campus were invited to visit
  campus in the spring with mileage reimbursed.
- College Fairs: The Office of Admissions attended college fairs throughout the state to provide minority students information about the University of Iowa. Students were provided information on admission requirements, scholarships, programs and majors, cost of attendance, and what it's like to be a student at the University of Iowa.

#### Pen Pals

Pen Pal Partnerships with West Liberty Elementary School: West Liberty elementary
students in fourth grade are matched with University of Iowa student pen pals. The goals of
this program are to provide students with positive role models, to increase their motivation for
academic success and to help them see that college is possible. The West Liberty participants
visited campus on September 26, 2014 and on April 27, 2015 to meet with their pen pals.

#### **Summer Programs**

- **lowa First Nations:** In July 2014, the lowa First Nations program provided 18 Native American students the opportunity to live on campus and experience the university setting, explore majors, and gain an appreciation for the variety of opportunities on the University of lowa campus and higher education in general. Participants attend structured classroom seminars and field trips to various campus departments, enjoy hands on classroom experiences, and have the opportunity to get involved in social and recreational activities on campus and in the community. This program occurs annually.
- Pre-College Summer Programs: lowa resident minority students participated in many of the
  different summer workshops or programs supported by the Center for Diversity and
  Enrichment. In summer programs, students live on campus for two to six weeks, allowing
  them to explore the campus, meet college students, and work closely with faculty and staff.
  The Chief Diversity Office provides support to summer programs to increase their minority
  participation as well as the administering of the lowa First Nations listed above.
- **Upward Bound:** The University of Iowa Upward Bound Project held a 6 week residential summer program for 66 students from West Liberty, Columbus Community and Muscatine High Schools. Rising students were placed in enrichment classes to delve into subjects with greater detail than is offered by most public schools. Senior students that recently graduated from high school were enrolled in a University of Iowa course that could be later transferred to their institution of choice. Students also participated in cultural activities and a field trip to Chicago called "Week of Learning on the Road." The fieldtrip involved a tour of three college campuses, museum visits, and cultural attractions.

#### **On-Campus Programs**

- CDE Graduation Reception: Approximately 300 individuals, including prospective students and their families, attend this annual event hosted by CDE. This reception is designed to recognize diverse students receiving professional, graduate, and undergraduate degrees from the University of Iowa and inspire younger students to pursue college and persist to graduation. Collegiate deans and department directors present awards to the outstanding students from their units. In addition, students confer an award on a faculty or staff member who has worked to enhance diversity in all aspects of campus life.
- Multi-Ethnic Engineering and Science Association (MESA): UI College of Engineering students assist in on-campus tutoring of minority students in the Iowa City Community School District (ICCSD). Dr. Tonya Peeples, UI College of Engineering, administers this program through the ICCSD.
- Storm Lake Scholars: The Storm Lake Scholars Program is designed to help qualified students realize their potential and find a home at the University of Iowa. During the fall 2014, staff from the Center for Diversity and Enrichment, Office of Financial Aid, Center for Student Involvement and Leadership, and Admissions met parents and students to discuss the application process and financial aid options. The goal was to have 10 students from Storm Lake come to the University of Iowa in the fall of 2015. The following activities took place during the reporting year:

**October 30-31, 2014:** Storm Lake High School Campus Visit in partnership with the Juntos Program reduces the risk of non-college matriculation by bringing together middle school youth and their parents to support each other as they enter high school and prepare together for higher education. Twelve students and 6 parents attended this campus visit.

**November 13, 2014:** University of Iowa Preview Program at Storm Lake High School with parents and students meant to help provide early orientation for potential Storm Lake Scholars to the University of Iowa.

**May 7-8, 2015:** Administrators High School Campus Visit the University of Iowa Campus to familiarize Storm Lake administrative partners with the campus as well as with Center for Diversity and Enrichment staff.

 African American Achievement Program (AAAP): Nearly 200 middle school students from Cedar Rapids, Iowa traveled to the University of Iowa campus to learn about the college experience and contribute to a book discussion. This program is in collaboration with the Belin-Blank Center, College of Education, and the Center for Diversity and Enrichment.

#### **Off-Campus Programs**

 PreView Iowa – Storm Lake: Students and their families were invited to PreView Iowa in Storm Lake, IA to learn more about the diverse opportunities students from Iowa and across the country experience every day at the University of Iowa. Opportunities were available to meet current students and both Admissions and CDE staff as well as learn about admissions, scholarships, financial aid, housing, student life, and services from CDE.

#### **Co-sponsored Programs:**

- Latino/a Youth Leadership Development Summit: "Strengthening and Valuing Latino/a Communities in Iowa": This event is sponsored by Center for Diversity & Enrichment, UI School of Social Work, Kit Gerken with College of Education, and the Office of Admissions. It provides an opportunity to explore the changing demographics and dynamics of the Iowa Latino/a community. The Summit is an opportunity for Latino/a high school students to gain essential leadership skills. Consuelo Castillo-Kickbusch delivered the keynote "Going Forward without Forgetting- Avanzando y No Olvidando," reflecting on ones traditions and values of times past and their importance in our development and growth today. Appreciation of diverse cultures and their contributions to today's society was emphasized.
- Teen Summit: The Teen Summit was developed by the Alumnae Chapter of Delta Sigma Theta sorority to help African American high school students in the Iowa City-Cedar Rapids community acquire the tools necessary for personal and professional success. Through a series of workshops on topics including strategies for building healthy relationships, improving self-esteem, etiquette training, and college preparation, the program focuses on developing interest in college among participants. The Teen Summit took place in late October 2014.
- I'll Make Me a World in Iowa: This diverse collaboration of Iowans highlights African American arts, culture and contributions through education, awareness and preservation and presents an annual enrichment celebration as well as continual educational outreach. The Office of Admissions and CDE participate in Education Day and Celebration Day events during this festival. The most recent program occurred on January 23, 2015.

#### Other College Bound Activities

- Publications: The Office of Admissions and the Center for Diversity and Enrichment publications provide additional resources for individuals interested in the University of Iowa. Some of these updates include the websites (http://diversity.uiowa.edu/cde), (http://admissions.uiowa.edu/diversity) and information sheets in college preparedness and Regents Admissions Standards. Prospective minority students receive the "Opportunity + Community" brochure that highlights current minority student, faculty and staff experiences at the University of Iowa and includes a message from our Chief Diversity Officer. We also provide Latino, African American, Asian, Native American, and LGBT students with a one page flier for each group which highlights diversity, academic, and support resources on campus for those students.
- Electronic Communications: Multiple emails are sent to pre-college students from both
  the Center for Diversity and Enrichment and Admissions in the spring that focus on campus
  diversity resources, information about student life, FAFSA completion, housing application
  submission deadlines, admission acceptance processes, applying for scholarships, and
  encouraging campus visits.

Vouchers or certificates of participation were mailed to 782 students whose ethnic status is confirmed as African-American, American Indian/Alaska Native, Asian, Native Hawaiian/Pacific Islander, Hispanic/Latino/a, or two or more races.

The Iowa State University College Bound Program continued to work with the University of Iowa and the University of Northern Iowa on sponsoring some of the larger college bound events. However, several Iowa State College Bound events were sponsored independently of the other Regent institutions.

Parent sessions were offered in addition to student sessions at several of Iowa State's College Bound events, including the Early Outreach Program, Science Bound Countdown to College workshops, and the Multicultural Vision Program (MVP) interviews. Parents and siblings were encouraged to attend sessions focusing on how to prepare for Iowa's public universities' admissions requirements.

The Board of Regents instructions are to use the IPEDS ethnicity categories. These have been defined as: 1= Hispanic American; 2=American Indian or Alaska Native; 3=Asian-American; 4=Black or African-American; 5=Native Hawaiian or Other Pacific Islander; 6=Two or More Races; 7=White; 8=Nonresident Alien/International; 9=Race/Ethnicity Unknown.

#### **Outreach & Campus Visit Summary**

The common goal of each program is to prepare multicultural students for college admission, inform them of their college options, and assist them with application processes and financial aid. This is a list of programs that took place during the 2014-2015 academic year with a summary of activities by grade and followed by ethnic code.

#### **Campus Visits**

Several schools and agencies were contacted and encouraged to schedule a campus visit to Iowa State University. Visits were coordinated with the Offices of Admissions, Multicultural Student Affairs, Student Financial Aid, Student Support Services, and various academic departments and student organizations. Students interacted with college student mentors and staff.

#### **GEAR UP partnership programming** statewide.

The College Bound Program continues to work with the GEAR UP Iowa schools to provide campus visits, in school and after school activities, and career information to students and their families. In 2014-15, the Iowa State College Bound program hosted Storm Lake Juntos, the Evelyn Davis Youth Center from Des Moines, Des Moines Hoover HS, and Ottumwa HS. The College Bound program also hosted the Iowa State University Educational Talent Search Program (ISU TRIO), Meskwaki Settlement School, Community Youth Concepts, Freemont-Mills Tabor Middle School and MAIZE, an ISU extension outreach program.

#### EOP @ ISU, Iowa State University

College Bound, in cooperation with several lowa State departments, hosted summer enrichment camps for high school students. These one-week, summer residential programs provided learning and exploring opportunities for students while they participated in a college environment. Two one-week programs grouping 9<sup>th</sup>/10<sup>th</sup> and 11<sup>th</sup>/12<sup>th</sup> grade students were offered. Parents and siblings were invited to attend opening/closing ceremonies and received information related to college admissions, appropriate pre-college curriculum choices, and financial aid procedures.

#### **Outreach Events**

These events provided students and parents an opportunity to discuss college admission requirements, scholarships, and academic life. Speakers and college representatives were available to counsel students and families about the college selection process. College Bound cosponsors these events and made presentations with lowa State students serving on a student panel or in a college fair setting.

**Central Iowa Latino College Expo,** *location rotates among Central College, Simpson, DMACC & Iowa State* 

Latino high school students from central lowa attended a conference designed to address the needs of Latino student populations, providing information regarding academic and personal preparation for success, and motivating students. Iowa State University and the College Bound Program will host and sponsor the fall 2017 program.

#### Multicultural Vision Program, Iowa State University

The Multicultural Vision Program (MVP) was created to provide up to 100 in-state multicultural students with demonstrated need, the opportunity to receive a renewable tuition grant provided they demonstrate potential in ways that go beyond class ranking or test scores. The program targets 100 students to receive the grant. Students are encouraged to attend programs and participate in interviews in order to be selected. Iowa State staff visited with each candidate and the candidate's family regarding their options at Iowa State University through the Multicultural Vision Program.

#### I'll Make Me A World In Iowa (IMMAWII), Des Moines

IMMAWII is a diverse collaboration of Iowans, which highlights African-American arts, culture and contributions through education, awareness and preservation during an annual enrichment celebration and with continual educational outreach. The Iowa State College Bound Program cosponsors and contributes to Education Day by providing sessions on college preparation, assists in facilitating the Black History Game Show and collaborating with faculty to present educational sessions for middle and high school students, teachers and families.

#### **Countdown to College, Science Bound Program**

Science Bound is Iowa State University's premier pre-college program to increase the number of ethnically diverse Iowa students who pursue ASTEM (agricultural, scientific, technical, engineering and mathematics) degrees. The program draws students with potential from middle and high schools in Des Moines, Denison and Marshalltown, Iowa. The College Bound program collaborates with the Science Bound staff to facilitate the Countdown to College workshop series for 12th grade students in each of the three districts. Workshops are presented to students and family members related to applying for college, filing the Free Application for Federal Student Aid (FAFSA) and financing college, students services, and academic support.

#### **Multicultural Vision Program**

The Multicultural Vision Program (MVP) was created to provide up to 100 in-state minority students with demonstrated need, the opportunity to receive a renewable tuition grant provided they demonstrate potential in ways that go beyond class ranking or test scores. The program targets 100 students to receive the grant. Students are encouraged to attend programs and participate in interviews to enhance their chances of being selected. Iowa State staff visit with each candidate and the candidate's family regarding their options at Iowa State University through the Multicultural Vision Program.

A total of 98 new MVP students enrolled at Iowa State University for the Fall 2015 semester. These award recipients participated in a University Studies orientation course during the Fall 2015 semester and in other programs and activities, including events for parents and families, throughout their enrollment. This table represents the students that participated in the MVP interview process. Not all have applied for admission, received the grant, or enrolled at Iowa State University.

<sup>\*\*</sup>Beginning in 2006, the number of received vouchers only includes students whose ethnicity was confirmed as an American ethnic minority by the student in accordance with Iowa Code §262.92 and §261.101 and 681 IAC 1.6(262). In previous years, the number of total participants was reported as receiving vouchers.

The University of Northern Iowa's Office of Admissions, in support of the College Bound Program, incorporates recruitment efforts of traditional and non-traditional activities designed to inform and encourage students of color to pursue higher education. Students identified in high school visits, various visitation programs, co-sponsored programs, community outreach programs, activities conducted by the university, and referrals from faculty, alumni, and community members are entered into the university's student information system (SIS). The Customer Relations Management module of the SIS system is utilized to provide on-going informational mailings and other communications to students and parents from initial inquiry to actual enrollment at UNI.

The assistant director of multicultural recruitment position in the Office of Admissions oversees the College Bound Program. Responsibilities include coordinating efforts with the strategic plan, working with other admissions staff and campus partners to coordinate campus programs, and visiting high schools across the state to increase the number of College Bound participants served by UNI. An admissions counselor assists with delivery of multicultural recruitment initiatives. An Outreach Team consisting of recruiters from the academic colleges and led by the assistant director meets monthly to maintain a centralized focus on multicultural recruitment efforts across the university and to share the different efforts being implemented to recruit students of color from each college.

The Ethnic Student Promoters (ESP) is a group of current UNI students from culturally diverse backgrounds who work with the Office of Admissions' multicultural recruitment efforts. These students assist with campus visits, community programs, provide campus tours, host visitors for lunch, and participate in panels which allow them to share their perspective on college life at UNI. ESP students are role models, excellent representatives of the university and serve as connections to their home communities, high schools and/or community colleges.

#### **Campus Visits**

Campus visit programs are conducted throughout the year for college bound students. Programs include information on admission requirements, application process, applying for scholarships, financial aid, student support services, Jump Start Orientation, campus tour, lunch, and question and answer time with an ESP student panel. Program formats include:

#### **Individual Campus Visits**

Individual campus visits include an appointment with an admissions counselor, campus tour and lunch in the dining center. Individual appointments cover admission requirements, financial aid information, major requirements, answers to posed questions, and, when requested, a visit with faculty. These visits are personalized to the students.

#### **Group Visits**

Opportunities are provided throughout the year for TRiO, Gear Up, AVID, IJAG, high school groups and community-based organizations to bring groups to visit campus. Students are provided a presentation on admissions, financial aid, housing, student life, tour and lunch. Agendas are adapted to accommodate each group's travel schedule.

#### Multicultural Panther Open House Day

Staff from UNI's Office of Admissions, four academic colleges, financial aid and department of residence collaborates for this campus visit day that introduces students in grades 9-12 to UNI's academic programs, living opportunities, admission and financial aid processes. Ethnic student organizations provide a browse session for visitors to become acquainted with ways to connect with others who have similar interests and backgrounds. The Ethnic Student Promoters provide escorts, tour guides, student panels, and the much needed connection to the prospective students of color.

#### **Job Shadowing**

UNI's Center for Urban Education (UNI-CUE) Talent Search Program brings students to campus to shadow faculty and staff. Students are matched with occupational interests to experience a typical job day. Examples include baking in the department of residence, being a department director, Physics faculty, and working in admissions. Students have set questions to ask while shadowing to help them understand what skills are needed for a given profession. While on campus students are given an admissions presentation, tour, and lunch.

#### **Up Close Multicultural Breakfast**

UNI holds two Up Close events for admitted seniors and transfers in February. Admitted multicultural students and their parents are invited to a breakfast where UNI faculty and staff talk with them individually. This campus-wide open house provides opportunities to learn more about individual majors and participate in interactive activities within academic departments. Students and parents may also meet with financial aid staff, contract for campus housing and sign up for summer orientation.

#### **College Fairs**

Each year UNI staff participates in college fairs across Iowa. Students have the opportunity to visit with an admissions or academic college representative and fill out a contact card which allows them to go into our student information system. These fairs are sponsored by the Iowa Association for College Admission Counseling, educational institutions and community-based organizations throughout the state. In 2014-2015 the assistant director for multicultural recruitment attended college fairs designed to recruit students of color from Polk County, one of Iowa's most diverse counties.

#### **Community Outreach Events**

#### I'll Make Me a World in Iowa

UNI is a Gold sponsor for this annual event in Des Moines, Iowa. In 2014-2015, UNI participated in the festival's two-day activities. The first day was an education day which included a college fair, Black History Month trivia competition and numerous sessions on academic and career areas. The next day consisted of an all-day tabling opportunity where the Ethnic Student Promoters were the only multicultural student organization represented and much community outreach was achieved. The assistant director of multicultural recruitment, along with the support of the coordinator of orientation and ESP students, participated in all facets of both days including the college fair and successfully conducted the only completely student-led academic session.

#### TRiO

UNI actively works with TRiO programs throughout the state. Admissions collaborated with the UNI-sponsored TRiO programs at the UNI Center for Urban Education (UNI-CUE). The assistant director spoke to classes with Educational Talent Search about making good decisions as they prepare to attend college, participated on a multi-school panel representing UNI and developed relationships with the participants by attending their multiple internal student development activities and lunches. The assistant director also spoke to the Upward Bound Summer Bridge program about preparation for college.

In 2014-2015, new initiatives were created to deliberately recruit these participants. A program that consisted of several college focused workshops, using the Admissions Office staff, was conducted to expose students to unfamiliar areas of campus while teaching many significant lessons about college preparation. That event's conclusion gave the participants the rare opportunity to meet all of the admissions staff. For the first time, the admissions staff was invited to the Upward Bound picnic.

Close contact is maintained with the program directors at UNI-CUE. This year, frequent meetings were held with the directors and assistant director to collaborate the facilitation of the more purposeful recruitment efforts. There was participation in celebratory events such as the Equal Opportunity Center's luncheon for the high achievement of its non-traditional students and the Upward Bound graduation dinner. The assistant director also presented at TRIO's 2014 Student Leadership Conference where ESP students served as escorts and tour guides for TRIO groups across lowa.

#### Gear Up

UNI is a Gear Up partner in the new state grant. We provide on-campus visits for partner schools throughout the state of lowa. The visit includes college readiness, financial aid, college majors, student panel, campus tour and optional academic activity and lunch in a dining center.

#### **Hispanic/Latino Parent Outreach**

In efforts to reach the Hispanic/Latino parents, the admissions counselor for multicultural recruitment delivered an admissions presentation in Spanish to Hispanic/Latino parents at South Tama High School in fall 2014. This session was to inform the parents about the admissions process, academic programs, scholarship opportunities, and upcoming deadlines.

The admissions counselor returned in spring 2015 with the assistance of a bilingual UNI financial aid specialist and UNI faculty to inform the parents of the Free Application for Federal Student Aid (FAFSA), local scholarship opportunities, how to understand a financial aid award, among other things. The same event will be done next year at South Tama High School as well as West Liberty High School.

The UNI "Path to Financial Aid" brochure was translated to Spanish with collaboration from the UNI financial aid specialist, admissions counselor for multicultural recruitment, and the UNI Spanish department in order to reach Hispanic/Latino parents who do not necessarily read or comprehend English.

#### **High School Visits**

Each year admissions representatives visit high schools to speak with prospective students about UNI. During these visits the admissions process, financial aid, scholarships, housing, and student life are discussed. Student contact information is collected and they are encouraged to visit campus. To serve our local community, members of the admissions staff visited Waterloo East and West High Schools on a monthly basis (during fall and spring) to speak with students about UNI. Cedar Falls High School initiated a Black Boys and Girls Group with monthly sessions. The assistant director met regularly with the group throughout the year to facilitate the student developed discussion topics. Also, the assistant director works with the lead counselors of that program to discuss the future presentation opportunities, goals and recruitment of these students to UNI.

College Bound participants by race/ethnicity and grade level See Table F2.

**College Bound participants by race/ethnicity who received vouchers** See Table E2.

#### Promotion of College Bound activities to students and parents

Events are promoted to students in a variety of ways based upon the type of event and who is sponsoring it. When student information is collected from the various programs and activities it is entered into the university student information system database and is used to identify prospective students for future college bound and recruitment events. Students are sent information to indicate when counselors will visit their specific high schools, attend a college fair in their area, and invite them to visit campus. We work closely with community programs such as TRiO and Gear Up to bring groups of students to campus or to provide programs in interested communities. We are also working to develop a stronger presence in minority communities by co-sponsoring programs. Individual students and parents are sent personalized letters of invitation to attend community outreach programs, make individual campus visits, attend UNI Panther Open House Days and/or attend UNI Up Close for admitted students. Community leaders and high school personnel, working with multicultural students, are identified for assistance to encourage parental involvement in outreach programs.

Parental involvement includes chaperoning groups that visit campus and co-sponsored events and participates in activities provided for visiting students. Parents also accompany students to community events and college fairs. Parents are encouraged to attend activities with their student. Specific sessions are conducted for parents regarding financial aid, options for students not meeting standard admission requirements, housing, etc.

#### Budget

The original allocation of College Bound money to the University of Northern Iowa was \$80,000.

See Table B.

#### **Effectiveness of the College Bound Activities**

Number of students reached

453 of the 1,513 participants received vouchers. Only the grade 12 students were identified to receive vouchers. Younger students will receive the vouchers during their senior year of high school

See Table E

Students earned certificates from programs conducted, including programs prior to 2014-2015, from one of the three Regent institutions. Students who attended programs and received vouchers from the other Regent institutions have been identified and noted in the numbers above.

Number of College Bound participants who graduated from UNI A total of 27 College Bound participants graduated from UNI

#### Successful Activities

#### **Campus Visit**

For college bound students, the campus visit is the most important element in the decision making process. During a campus visit, prospective students learn about the admissions and financial aid processes. They also have the opportunity to tour the campus to see residence halls, classrooms, and the dining facilities. UNI Ethnic Student Promoters assist in these visits by guiding prospective students, parents, and counselors on campus tours, accompanying them to lunch in a dining center, and presenting 'life as a UNI student.' The focus of each visit is to provide students with adequate information on UNI while helping them understand the importance of pursuing higher education. Multicultural Panther Open House Day and group visits by TRIO and Gear Up programs are effective visit efforts.

#### **UNI Up Close Multicultural Breakfast**

During the February UNI Up Close Program for admitted seniors, the multicultural students and parents are invited to a multicultural breakfast that precedes the campus open house. Faculty and staff members from throughout campus provide information on financial aid, Student Support Services, and Jumpstart Orientation Program. A brochure is given with information concerning on-campus multicultural support networks. The Ethnic Student Promoters attend the breakfast to make students feel welcome. Prospective students and parents have the opportunity to meet and network with some of the minority faculty and staff members and current students throughout the campus.

#### **Community College Transfers**

Community colleges with substantial minority enrollments are targeted for special minority visits. Contact is made with the minority advisors (when available) or designated counselors to inform them of upcoming events. Students identified are entered into the enrollment tracking system which ensures they receive appropriate information.

#### **Multicultural Recruitment Guide**

The multicultural recruitment guide is a supplemental piece the students receive once they are entered into UNI's student information system. This piece includes minority specific information regarding scholarship and grants, orientation, diversity programs, and student support.
