**Iowa State Operating Fund  
Annual Report  
On Iran Divestment  
For The Fiscal Year Ended June 30, 2016**

**Purpose**

This is the fifth annual report required by Iowa Code Chapter 12H regarding restrictions on Iran-related investments by the Iowa State Operating Fund (SOF). In response to the support that Iran has provided for acts of international terrorism, the General Assembly passed HF484, which places restrictions on investments in certain companies that have active business operations in Iran. Effective beginning March 1, 2012, this law intends for state funds not to be invested in companies that provide power production-related services, mineral extraction activities, oil-related activities, or military equipment to the government of Iran.

Chapter 12H applies to SOF in the following ways:

The system must identify and make available to the public a quarterly updated list of scrutinized companies, which have active or inactive business operations in Iran. SOF uses the research services of IW Financial, Inc. to assist in developing the list of scrutinized companies to comply with this requirement.

SOF is prohibited from directly investing in scrutinized companies with active business operations listed on the most current quarterly list. The fund was required to divest from any company with active business operations that were directly held by the fund as of March 1, 2012, after sending written notification to the company.

Any company owned indirectly through a fund is not subject to divestment, but still requires that SOF send written notification. Further, SOF is required to send written correspondence to the investment managers of funds with scrutinized company holdings urging the managers to divest of the scrutinized companies or start a separate fund free of Iran-related holdings.

**Scrutinized Companies List**

SOF's FY 2016 quarterly scrutinized company list is attached. As of June 30, 2016, SOF does not hold, either directly or indirectly, any companies on the list of scrutinized companies.

**Written Notices**

During the fiscal year, no companies on the scrutinized company list were held either directly or indirectly by SOF.

**Divestment**

As SOF did not have any direct or indirect holdings of scrutinized companies, no divestment was required.

**Report Availability**

This report, along with any other quarterly scrutinized company list can be obtained by contacting the Treasurer's office at 515-281-8478 or [jina.bresson@iowa.gov](mailto:jina.bresson@iowa.gov).
