INTRODUCTION

Dear Governor Branstad, Lt. Governor Reynolds, Members of the Iowa General Assembly,

On behalf of the Iowa Department of Administrative Services (DAS), enclosed please find DAS' performance report for fiscal year 2016 (July 1, 2015 through June 30, 2016). This report, submitted pursuant to Iowa Code sections 7A.3, 7E.3 and 8E.210, provides an overview of DAS, information and results regarding several key services provided by DAS, and its performance plan results.

DAS supports Governor Branstad's and Lt. Gov. Reynolds' goal of reducing the cost of government by 15% by focusing on the following strategies:

- Consolidation of state services to support agencies
- Maintaining a competitive environment for employee benefits
- Comprehensive review of DAS services to identify efficiencies and redundancies
- Improved labor relations

DAS is committed to being a customer-focused organization that provides a complement of valued products and services to internal customers and the general public while managing within current resource restraints.

Sincerely,

Janet E. Phipps, Director
Department of Administrative Services

Customers

The Department of Administrative Services provides direct service to a wide variety of customers, both internal and external to State government. Internal customers include State agencies and employees, the Governor's Office, offices of elected officials, and the legislative and judicial branches. Examples of external customers include local jurisdictions of government, vendors, visitors to the Capitol complex, and the taxpayers of Iowa.

How the Department of Administrative Services is Organized.

Custodian of Public Buildings (C., 1886, 21st GA, Ch. 148)

The Department of Administrative Services' predecessor agency dates back to 1886 when the Twenty-first General Assembly created the Custodian of Public Buildings "who shall have the care of the Capitol, together with all the grounds and premises appurtenant thereto, belonging to the state".

The Iowa Department of Administrative Services is organized into four enterprises and central administration. Each of the enterprises provides services to other departments of the State as well as to the citizens of Iowa. They are:

Operating Budget

General Fund

The Department of Administrative Services is comprised of four enterprises: Central Procurement/Fleet Services, General Services, Human Resources, and State Accounting, as well as central administration. DAS receives a small general fund appropriation of slightly more than \$7.0 million in support of functions that are not billed to customers for various reasons. The

general fund appropriation supports a total of 58 full-time equivalents. Making up the \$7.0 million is:

- \$2.6 million for utilities (e.g., electric, gas, etc.) for the Capitol Complex
- \$2.5 million for running and managing the State's financial reporting systems through the State Accounting Enterprise
- \$1.3 million for maintaining the ceremonial space located on the Capitol Complex
- \$0.5 million for grounds maintenance at Terrace Hill.
- \$0.1 for management and administration of the Department

Internal Service Funds

The enterprises within DAS are funded, to a great extent, by the fees generated by the provision of services to customers comprised of State agencies and local jurisdictions. All fees and methodologies are approved, prior to implementation, by the Customer Council as required by Iowa Code section 8.6 and 11 IAC -- 541.12. There are 180 full-time equivalents in the Department supported by service fees to agencies totaling \$68.5 million. The services, products and activities (SPAs) supported by the fees charged are summarized below.

Centralized Procurement and Fleet Services Enterprise

- \$9.3 million for **Fleet Management and State Garage**
Provide administration of the State's vehicle fleet to include the fuel card program, vehicle repairs administration, vehicle repairs and replacements, risk management, compliance with state and federal requirements for alternative fuels and Corporate Average Fuel Economy (CAFÉ), and provide a fleet of motor pool vehicles that state agencies may utilize on a per-mile, or daily use basis.
- \$4.6 million for **Centralized Procurement**
Provide a system of uniform standards and specifications for the procurement of goods and services, including the competitive bidding procedures; negotiate and administer master agreements; establish and oversee the State's procurement card, and the travel P-card programs.
- \$1.3 million for **Risk Management**
Provide driver insurability assessment, state vehicle collision and accident liability coverage, and investigation, negotiations and settlement of vehicle claims.

General Services Enterprise

- \$8.1 million for **Facility and Leasing Management**
Provide facility management including mechanical, electrical, custodial, grounds and other facility management of state-owned facilities totaling more than 2.0 million square feet and maintain 170 acres of land in the Des Moines metro area; coordinate more than 220 leases totaling 1.1 million square feet and valued at \$12.6 million for State agencies.
- \$1.0 million for **Architectural & Engineering**
Provide the management and oversight for state agencies involved in facility design, construction, and renovation of State-owned properties on the Capitol complex and across the state.

- \$0.94 million for **Mail Services**
Provide incoming and outgoing local and U.S. Postal Service mail service for all state agencies and officials at the seat of government, processing more than 13 million pieces of mail annually.
- \$0.23 million for **State Surplus**
Removal and disposal of surplus state property

Human Resources Enterprise

- \$1.1 million **Labor Relations**
Provide state-wide expertise in the areas of collective bargaining negotiations, grievances, hearings, and arbitrations, as well as classification appeal hearings.
- \$3.9 million for **Employment Services**
Provide applicant eligibility, tracking, and placement services; conduct market surveys; organizational development; employee relations; performance management; and position classification.
- \$2.3 million for **Benefits**
Manage the State's employee benefits programs, including health, dental, life, and long-term disability insurance; deferred compensation and flexible spending programs; as well as the Workers' Compensation Program, Employee Assistance Program, and the Family Medical Leave Act (FMLA) program.
- \$0.62 million for **Training and Development**
Provide state-wide training regarding violence free workplace, diversity, sexual harassment, and substance abuse policies; provide managers and employees a variety of staff development training opportunities related to stress management, communications skills, fundamentals of supervision, team building; and discipline, as well as other topics.
- \$28.8 million for **Workers' Compensation**
Provide for the financial and administrative management of state employee workers' compensation benefits including the State's third party administrator and DAS staff who administer the program.

State Accounting Enterprise

- \$6.3 million for the **1/3 System**
Administer the State's centralized accounting and payroll systems and administers all payments made from the State treasury.
