Notes:

- 1) The Food Assistance allotment shown above is the maximum monthly amount the household will receive if the household's income is zero or negligible.
- 2) The amounts above cannot be added to the Family Investment Program (FIP) payment for the household size, since specific circumstances for each case may vary and must be used to calculate the proper allotment of food assistance.
- 3) Rates are adjusted at the beginning of each federal fiscal year. However, due to the expiration of the federal American Recovery and Reinvestment Act (ARRA) on October 31, 2013, the rate effective for federal fiscal year 2014 began on November 1, 2013.
