

Healthy and Well Kids in Iowa (Hawki) — FY 2021

The Children’s Health Insurance Program (CHIP) provides health care coverage for children and families whose family income is too high to qualify for Medicaid but too low to afford individual or work-provided health care. The CHIP has three parts: a Medicaid expansion, a separate program called Healthy and Well Kids in Iowa (Hawki), and a dental-only plan.

Children enrolled are eligible for a plan from one of two managed care organizations: Amerigroup Iowa, Inc., and Iowa Total Care, and they are enrolled in the dental plan provided by Delta Dental of Iowa.

In the table below, potential federal matching funds represent the total matching funds that available State dollars could generate, and not necessarily the federal dollar amount that will be available to Iowa.
