

# Medical Assistance Program

Fiscal Year	Average Enrollment	Total Dollars Expended	Cost Per Eligible	Iowans on Medicaid*
2018	580,456	\$5,184,248,970	\$ 8,934	18.5%
2019	598,568	5,678,498,063	9,489	19.0%
2020	605,546	6,175,724,084	10,320	19.2%
2021	677,368	6,406,289,257	9,460	21.2%
2022	740,395	7,113,927,556	9,608	23.2%
2023	789,251	7,383,974,248	9,356	24.7%

\*Population estimates used to calculate percentage of Iowans on Medicaid are based on calendar year.

**Notes:**

- 1) The Average Enrollment and Total Dollars Expended columns include both traditional Medicaid and the Iowa Health and Wellness Plan.
- 2) Federal Medicaid policy related to COVID-19 prohibited disenrolling individuals beginning March 2020 and continuing while the public health emergency remained in effect. This significantly increased average enrollment in FY 2021 and reduced the cost per eligible.
