

Average Debt and Yearly Expenses by Community College District

Average Debt at Graduation – FY 2016

Statewide:

\$14,656

Average Debt at Graduation

62.0%

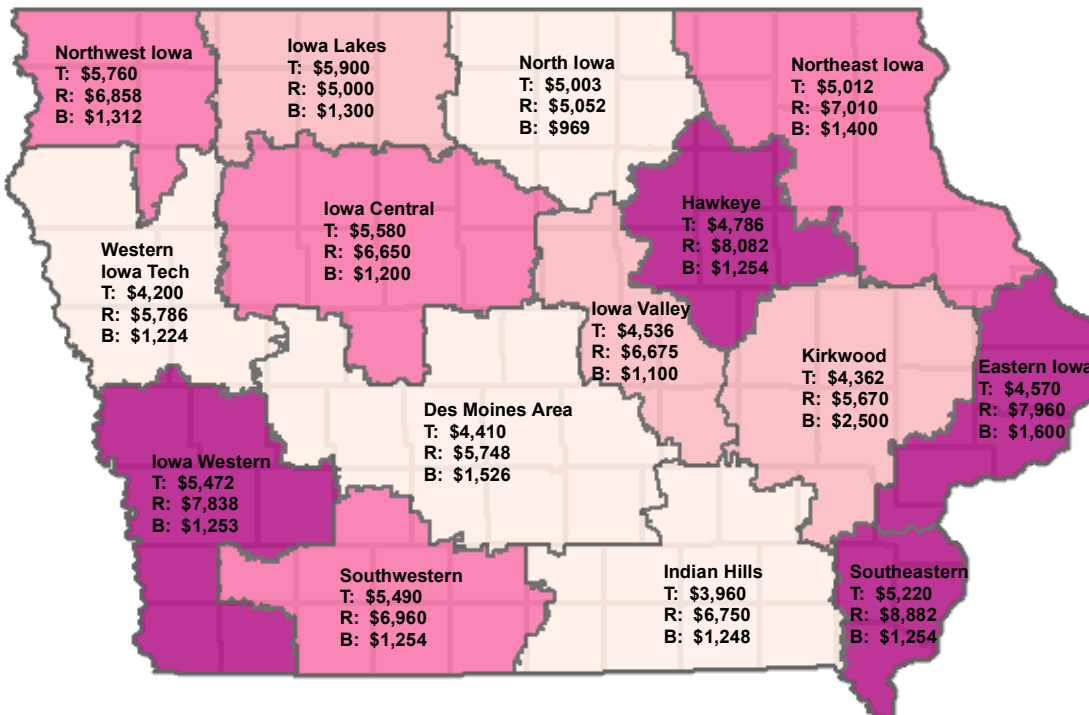

Percentage of Graduates with Debt

Average Debt

Note: The community colleges report this data only for those students who begin and complete a degree program at the same institution. Percentage figures represent the percentage of community college graduates who graduate with debt.

Yearly Student Expenses – FY 2017

Statewide:

\$4,951

Average Tuition and Fees

\$6,728

Average Off-Campus Room and Board

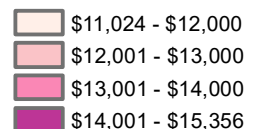

\$1,360

Average Book and Supply Cost

\$13,039

Average Yearly Expenses

Total Yearly Student Expenses

Note: Top-to-bottom figures by community college district represent FY 2017 tuition and fees (T), room and board (R), and estimated book and supply costs (B), for a student enrolled full-time. Room and board estimates are based upon off-campus residence.
