

# National Comparison of Crime Rates – CY 2015

## Violent Crime Rate

NOTE: Violent crime includes four offenses: murder and nonnegligent manslaughter, forcible rape, robbery, and aggravated assault. Violent crimes are defined in the Federal Bureau of Investigations' Uniform Crime Reporting as offenses that involve force or threat of force.

## Property Crime Rate

Note: Property crime includes the offenses of burglary, larceny-theft, motor vehicle theft, and arson. The object of theft-type offenses is the taking of money or property, but there is no force or threat of force against the victims. The property crime category includes arson because the offense involves the destruction of property; however, arson victims may be subjected to force.
