#### Notes:

The Environment First Fund appropriation to REAP was \$16.0 million for FY 2017. Statute requires 28.0% of REAP funds to be allocated for the purchase or development of land.

The Pittman – Robertson Act is also known as the Federal Aid in Wildlife Restoration Act.

Data represents land approved for purchase. This may differ from land actually purchased. The Natural Resource Commission approves the purchase of land before the Department of Natural Resources (DNR) can make the purchase.

Data does not include other public land owned by local governments or federally owned land.
