Community Action Agencies — FY 2018

The Division of Community Action Agencies administers a variety of State and federal programs operated by local community action agencies. These agencies collaborate with other community-based organizations to foster self-sufficiency for Iowa’s low-income, elderly, and disabled citizens. Funded in part by the federal Community Services Block Grant (CSBG), the agencies deliver a wide variety of programs and services that assist Iowans in the areas of education, health, employment, energy, nutrition and emergency services, housing, and others.
