

# Healthy and Well Kids in Iowa (*hawk-i*) — FY 2018

The Children’s Health Insurance Program (CHIP) provides health care coverage for children and families whose family income is too high to qualify for Medicaid but too low to afford individual or work-provided health care. The CHIP has three parts: a Medicaid expansion, a separate program called Healthy and Well Kids in Iowa (*hawk-i*), and a dental-only plan.

Children enrolled can choose a plan from one of the two managed care organizations: Amerigroup Iowa, Inc., and UnitedHealthcare Plan of the River Valley, Inc.; members also choose a dental plan provided by Delta Dental of Iowa or MCNA Dental.

In the table below, potential federal matching funds represent the total matching funds that available State dollars could generate, and not necessarily the federal dollar amount that will be available to Iowa.
