Fiscal Note Version – New

Description

[House File 224](#) relates to the criminal offense of lascivious conduct with a minor or child. The Bill expands the definition of lascivious conduct with a minor and applies the penalty of either a serious or an aggravated misdemeanor, depending on the elements of the offense. A person who violates the provisions of the Bill must register as a sex offender pursuant to Iowa Code chapter [692A](#).

Background

[House File 224](#) does not change the current offense of lascivious conduct with a minor as prescribed in Iowa Code section [709.14](#). The current offense is punishable as a serious misdemeanor.

Assumptions

- The following will not change over the projection period: charge, conviction, and sentencing patterns and trends; prisoner length of stay (LOS); revocation rates; plea bargaining; and other criminal justice system policies and practices.
- A lag effect of six months is assumed from the effective date of this Bill to the date of first entry of affected offenders into the correctional system.
- Marginal costs for county jails cannot be estimated due to a lack of data. For purposes of this analysis, the marginal cost for county jails is assumed to be \$50 per day.
- 50.0% of dismissed or acquitted charges may become convictions under this Bill.

Correctional Impact

The correctional impact of [HF 224](#) is estimated to be minimal. In FY 2018, there were 16 convictions and 51 dismissed or acquitted charges of lascivious conduct with a minor under Iowa Code section [709.14](#). The Bill is estimated to result in one additional prison order and 15 additional parole orders annually.

Under the expanded definition of lascivious conduct with a minor, the penalty is either a serious or an aggravated misdemeanor, depending on the elements of the offense. **Table 1** below shows estimates for sentencing to State prison, parole, probation, or Community-Based Corrections (CBC) residential facilities; LOS under those supervisions; and supervision marginal costs per day for all convictions of aggravated misdemeanors (sex offenses) and serious misdemeanors. Refer to the Legislative Services Agency (LSA) memo addressed to the General Assembly, [Cost Estimates Used for Correctional Impact Statements](#), dated January 8, 2019, for information related to the correctional system.

Minority Impact

[House File 224](#) is not estimated to have a minority impact. In FY 2018, 88.0% of individuals convicted of lascivious conduct with a minor under Iowa Code section [709.14](#) were Caucasian and the races of the remaining 12.0% were unknown. Refer to the LSA memo addressed to the General Assembly, [Minority Impact Statement](#), dated January 7, 2019, for information related to minorities in the criminal justice system.

Fiscal Impact

The fiscal impact of [HF 224](#) is estimated to be minimal due to the low number of additional convictions. **Table 2** contains estimates for the average State cost per offense class type for one conviction.

Table 2 — Average State Cost per Offense Class Type

Offense Class	Total Minimum Cost	Total Maximum Cost
Aggravated Misdemeanor	\$4,700	\$7,500
Serious Misdemeanor	\$390	\$5,000
