Fiscal Note Version – New

Description

[House File 569](#) adds personal degradation as a form of dependent adult abuse by a caretaker regulated by the Department of Human Services (DHS). The Bill defines personal degradation as a willful act or statement by a caretaker intended to shame, degrade, humiliate, or otherwise harm a dependent adult's personal dignity, or a willful act or statement by a caretaker where the caretaker knew or reasonably should have known the act or statement would shame, degrade, humiliate, or otherwise harm the dependent adult's personal dignity. This would include the taking, transmission, or display of an electronic image of a dependent adult by a caretaker.

The Bill makes exception for electronic images taken for the purpose of reporting dependent adult abuse, for the purpose of treatment or diagnosis, or as part of an ongoing investigation. The Bill also makes exception for electronic images taken by a caretaker in accordance with the confidentiality policy and release of information or consent policies of a contractor, employer, or facility or program not regulated by the Department of Inspections and Appeals (DIA).

The Bill establishes dependent adult abuse by personal degradation as a serious misdemeanor.

Assumptions

DHS Computer System Updates:

- Adding a new category for dependent adult abuse will require one-time updates to the Child Welfare Information System. The DHS will need to add a new allegation category to the allegation screen and adult subject screen, adding additional factors and updating assessment reports, statistical reports, and federal reports with the new abuse category.
- The updates to the Child Welfare Information System will take 200 contract staff hours to complete at an average hourly rate of \$105 per hour.
- The match rate is 50.0% federal and 50.0% State, with all costs occurring in FY 2020.

Additional DHS Staff:

- The current annual number of intakes by the DHS is 8,476 and the number of accepted dependent adult abuse cases is 3,856. It is estimated that this Bill would increase intakes by 10.0% in FY 2020 and an additional 10.0% in FY 2021.
- There will be 847 new intakes and 386 new accepted cases in FY 2020 and 932 additional new intakes with 419 of those accepted in FY 2021.
- To maintain current staffing levels, the DHS would require 2.0 full-time Social Worker 3 positions in FY 2020 and 4.0 FTE Social Worker 3 positions in FY 2021.
- The salary for a Social Worker 3 position is \$62,952. That cost is based on the minimum pay for the classification, adjusted to include benefits, FICA, and IPERS. This estimate does not reflect any changes or impact for potential salary adjustments.
- The match rate is 10.62% federal and 89.38% State.
