Background

Current law states the following:

- A conviction of animal abuse is an aggravated misdemeanor.
- A conviction of animal neglect is a simple misdemeanor, but neglect that causes serious injury or death to the animal is a serious misdemeanor.
- A conviction of animal torture in the first offense is an aggravated misdemeanor, and a second or subsequent conviction is a Class D felony.
- A conviction for abandonment of a cat or dog is a simple misdemeanor.
- A conviction for knowingly and willfully tormenting, striking, drugging, or otherwise interfering with a police service dog without inflicting serious injury is a serious misdemeanor.
- A conviction for knowingly and willfully torturing, injuring, or poisoning a police service dog, including causing the death of the animal, is a Class D felony.

Assumptions

House File 737 as amended expands the definition of animal crimes related to the mistreatment of animals and will result in an estimated increase of 17 convictions per year. Other assumptions include:

- Charge, conviction, and sentencing patterns and trends will not change over the projection period.
- Prisoner length of stay, revocation rates, plea bargaining, and other criminal justice policies and practices will not change over the projection period.
- The law will become effective July 1, 2020. A lag effect of six months is assumed from the law’s effective date to the date of first entry of affected offenders into the correctional system.

- The analysis assumes that approximately 50.0% of dismissed charges for crimes against animals will become convictions under this Bill, as this Bill expands the definition of animal abuse.

Correctional Impact

This correctional impact is based on the 105 convictions under Iowa Code chapter 717B in FY 2018. It is estimated there will be 17 additional convictions annually in FY 2020 and subsequent years. The estimate includes 17 prison orders, 28 probation orders, 3 residential orders, and 20 jail orders. It is uncertain whether an individual who is convicted of a Class D felony under this Bill will be incarcerated or placed under Community-Based Corrections (CBC) supervision. The correctional impact could not be estimated for the new offenses for removing, damaging, or destroying a rabies vaccination tag or an electronic handling device. It is not possible to estimate how many convictions might occur for a new offense.

Table 1 below shows estimates for sentencing to State prison, probation, or CBC residential facilities; length of stay (LOS) under those supervisions; and supervision marginal costs per day for all convictions of serious misdemeanors, aggravated misdemeanors, and Class D felonies in crimes involving persons. Refer to the Legislative Services Agency (LSA) memo addressed to the General Assembly, [Cost Estimates Used for Correctional Impact Statements](#), dated January 16, 2020, for information related to the correctional system.

Refer to the LSA memo addressed to the General Assembly, [Minority Impact Statement](#), dated January 15, 2020, for information related to minorities in the criminal justice system.

Simple Misdemeanor

In FY 2018, there were 68 simple misdemeanor convictions related to animal mistreatment: 61 for animal neglect and 7 for animal abandonment. The fiscal estimate for this Bill assumes 33 such simple misdemeanor convictions, a net reduction of 35 convictions. The fiscal impact for simple misdemeanors is summarized in **Table 2**.

Serious Misdemeanor

In FY 2018, there were 21 serious misdemeanor convictions for animal neglect that caused serious injury or death to an animal. The fiscal estimate for this Bill assumes 44 such serious misdemeanor convictions, an increase of 23 convictions. The fiscal impact for serious misdemeanors is summarized in **Table 2**.

Aggravated Misdemeanor

In FY 2018, there were 16 aggravated misdemeanor convictions related to animal mistreatment: 12 for animal abuse and 4 for animal torture. The fiscal estimate for this Bill assumes 38 such aggravated misdemeanor convictions, an increase of 22 convictions. The fiscal impact for aggravated misdemeanors is summarized in **Table 2**.

Class D Felony

In FY 2018, there were no Class D felony convictions related to animal mistreatment. It is anticipated that under this Bill there will be 7 such Class D felony convictions. The fiscal impact for a Class D felony is summarized in **Table 2**.
