 Fiscal Note Version - REVISED

Description

Senate File 334 establishes an Interior Design Examining Board to register interior designers and to authorize the use of the title of Registered Interior Designer. The Board is established as a seven-member board consisting of five Registered Interior Designers and two members of the general public. The Bill establishes registration fees based upon the costs to sustain the Board.

Assumptions

1. Between 125 and 250 individuals would register.
2. The Board would establish registration fees so that revenue going to the State General Fund would cover the costs of sustaining the Board's operations.
3. Historically, fees for professional licenses have included at least 15.0% additional costs to provide for the indirect cost of services provided to the Division by State Government.
4. One-half of the registrants would obtain a two-year license and one-half would obtain a one-year license, at one-half the cost of a two-year license, the first year.

Fiscal Impact

The estimated fiscal impact of SF 334 would be as follows:

The Board would establish the biannual fee for a Registered Interior Designer of approximately \$344 if 250 people registered, and approximately \$688 if 125 registered.
