## Adult Literacy for the Workforce — GF

### Purpose

The General Fund appropriation for Adult Literacy for the Workforce supplements an annual \$3.9 million in funding from the Skilled Worker and Job Creation Fund (SWJCF). The SWJCF appropriation provides funding for adult education and literacy programs at the community colleges, including adult basic education, adult education leading to a high school equivalency diploma, English as a second language instruction, workplace and family literacy instruction, and integrated basic education and technical skills instruction. The General Fund appropriation is intended primarily to reduce waiting lists for English as a second language instruction.

### Funding

The first General Fund appropriation for Adult Literacy for the Workforce was for FY 2020 in the amount of \$500,000.
