## FY 2017

## Department of Public Defense Military Division

### Purpose and History

The Department of Public Defense Military Division is organized under the Army National Guard and the Air National Guard. The state mission is the same for both the Army and Air National Guards and requires both to be trained and equipped to protect life and property, and to preserve peace, order, and public safety within Iowa borders. The federal mission of the Army National Guard is to provide units of the Reserve Components of the Army for mobilization in the event of national emergency or war that are capable of participating in combat operations in support of the Army's war plans. The federal mission of the Air National Guard is to provide trained units available for active duty in the United States Air Force in time of war or national emergency. The Iowa National Guard is subject to either federal or state authority, but not both at the same time.

The Air National Guard began in Iowa in 1941 and has three locations: Camp Dodge in Johnston (132nd Fighter Wing), Des Moines International Airport (185th Air Refueling Wing), and Colonel Bud Day Field in Sioux City, plus the 133rd Test Squadron (Operational Test and Development) in Fort Dodge. The Army National Guard began in Iowa in 1838 as the Iowa Territorial Militia and is headquartered at Camp Dodge in Johnston.

### Funding

Approximately 97.0% of the funding received by the Military Division is provided from the federal government and the remaining 3.0% is provided from state funds. The federal-to-state ratio of money spent is \$33 to \$1. The General Fund appropriation for the Military Division provides for units and equipment to protect life and property, to preserve peace and order, and to ensure public safety for the citizens of Iowa. State General Fund appropriations are used to match federal funds at several different rates (25.0%/75.0%; 15.0%/85.0%; 50.0%/50.0%).

### Home Base Iowa

Home Base Iowa is a project to connect returning veterans and transitioning service members with job opportunities, education opportunities, or continued service through the National Guard or Reserves in Iowa. The Home Base Iowa Act (enacted during the 2014 Legislative Session) included the following provisions:

- Military Pension Tax Exemption (military pensions exempt from state income tax).
- Military Homeownership Assistance Program (provides \$5,000 of down payment or closing cost assistance).
- Veterans hiring preference (clarifying legality for state government as well as private employers).
- Streamlined occupational licensure (credit for military training and experience as well as spousal licensure).
- Education grants (resident tuition is provided to veterans and their spouses and dependent children at Regents institutions. Resident tuition rates have been requested at Iowa's community colleges).
- License plates (free for those eligible for veteran-related plates).

### Federal Cooperative Funding Agreements for Service Operations and Maintenance Agreements

These agreements between the federal government and Iowa provide for maintenance and operation of authorized facilities. The agreements provide for the joint sharing of annual costs at various rates ranging from 10.0% to 50.0%, for the Iowa portion. Under the terms of the agreements, Iowa pays the costs and is reimbursed a percentage ranging from 50.0% to 100.0%. Service agreements provide reimbursements to Iowa for operating and maintenance costs incidental to the following installations:

- Des Moines Air National Guard Base
- Sioux City Air National Guard Base
- Fort Dodge Air National Guard Base/Communications Site
- Armories constructed on federal land
- Facilities in support of the federal mission
