Groundwater Protection Fund — Household Hazardous Waste

Purpose and History

The 1987 General Assembly created the Groundwater Protection Fund (GWPF) for the purpose of protecting State groundwater. The GWPF is administered by the Department of Natural Resources (DNR). Since 2000, the General Assembly has appropriated from the GWPF to the DNR for administrative support of Groundwater Protection Act programs. The Household Hazardous Waste appropriation funds administration of programs related to household hazardous waste. Program activities include permitting and grants.

Funding History

Since 2000, the General Assembly has appropriated a total of \$447,000 for Household Hazardous Waste.
