State Park Infrastructure — RIIF

Purpose

This appropriation supports State park infrastructure improvements and includes replacing sewer lines, upgrading public drinking water systems, replacing shower buildings, constructing restrooms, replacing trail bridges, extending trail areas, and providing open-air interpretive shelters and exhibits. The State park infrastructure appropriations are an effort to improve the parks in preparation for the 100th anniversary of State parks in 2020.

Funding

This appropriation has received \$33.0 million from FY 2011 through FY 2017. Of the total, \$28.0 million has been provided from the Rebuild Iowa Infrastructure Fund (RIIF).
