Nursing Facility Construction and Improvements — RIIF

Purpose

The Nursing Home Financial Assistance Program in Iowa Code chapter 249K was established in HF 911 (FY 2008 Infrastructure Appropriations Act) to support an appropriate number of nursing facility beds for the State's citizens and to financially assist nursing facilities to remain compliant with applicable health and safety regulations.

Projects funded with the appropriation include replacing nursing wings, adding skilled nursing facility specialty wings, facility demolition and replacement, and other related improvements. The projects also receive federal funding in addition to the State funds.

Funding

This appropriation has been funded from the Rebuild Iowa Infrastructure Fund (RIIF). Since FY 2008, this appropriation has received \$3.1 million from the RIIF.
