Sports Wagering Receipts Fund

The Sports Wagering Receipts Fund was established in FY 2020 by passage of 2019 Iowa Acts, chapter [132](#) (Sports Wagering and Fantasy Sports Act), which authorized sports wagering and fantasy sports contests in the State. The Fund receives sports wagering taxes and Internet fantasy sports taxes.

Wagering Taxes

A 6.75% tax rate is imposed on sports wagering net receipts, defined as gross receipts less winnings paid to wagerers, and the tax revenue is deposited in the Sports Wagering Receipts Fund. **Chart 1** shows the total amount collected in sports wagering State tax by quarter in FY 2020 and FY 2021.

A 6.75% tax rate is also imposed on Internet fantasy sports contest adjusted revenues, defined as the amount equal to the total charges and fees collected less the winnings paid to participants, multiplied by a location percentage. A location percentage is equal to the total charges and fees collected from all Internet fantasy sports contest players in the State divided by the total charges and fees collected from all participants in the contest. The tax revenue generated from Internet fantasy sports contests is reduced by a tax credit equal to the amount of the regulatory fee paid to the commission by the contest provider.

Internet fantasy sports contest tax revenue is also deposited in the Sports Wagering Receipts Fund. In FY 2021, Internet fantasy sports generated approximately \$19,000 in State taxes. No State tax revenue was generated by Internet fantasy sports in FY 2020.

Appropriations

Moneys in the Sports Wagering Receipts Fund are to be used as directed by the members of the General Assembly. The General Assembly appropriated \$300,000 in FY 2020 and \$1.8 million in FY 2021 to the
