Tax Credit: Endow Iowa Tax Credit

The Endow Iowa Tax Credit is equal to 25.0% of a taxpayer's gift to a permanent endowment fund within a qualified community foundation or community affiliate organization for the benefit of Iowa charitable causes. The tax credit is allowed up to 5.0% of the aggregate annual award limit, or \$300,000 for a single taxpayer. Ten percent of the aggregate annual award limit each year is reserved for gifts in amounts of \$30,000 or less but after September 1, if the entire 10.0% amount is not awarded, the remaining tax credits are available to any gift size.

The Iowa Economic Development Authority (IEDA) awards credits up to a fiscal year cap that is currently at \$6.0 million. The tax credit can be claimed against corporate income tax, individual income tax, franchise tax, insurance premium tax, and money and credits taxes. Credits are awarded on a first-come, first-serve basis.

Legislative History

The Endow Iowa Tax Credit became effective January 1, 2003, with an initial credit of 20.0%. Effective January 1, 2010, the amount of the credit was increased to 25.0% of the endowment gift, but the contribution was no longer able to be taken as an itemized deduction on the Iowa tax return. Effective for calendar year 2011, the credit cap was increased from \$2.7 million to \$3.5 million plus a percentage of gaming revenues. Effective for the calendar year 2012, the program tax credit cap was increased to \$6.0 million but the additional funds available from the tax imposed on gambling games were eliminated.
