**HF 2473 – STANDING APPROPRIATIONS BILL**

(Revised on May 15, 2014)

**Funding Summary.** [House File 2473](#) makes adjustments to General Fund standing appropriations currently in statute resulting in a net decrease of \$20.0 million for FY 2015. The most significant General Fund decrease is a \$15.0 million reduction to the state aid allocations for Area Education Agencies.

**State Appeal Board.** The Bill also creates a standing unlimited appropriation from the Economic Emergency Fund for State Appeal Board claims. Under current law, Appeal Board claims are paid from the General Fund.

**Air Quality Programs.** The Bill appropriates \$1.4 million from the Groundwater Protection Fund to the Department of Natural Resources for support of the Department's air quality programs.

**Other Provisions.** The Bill also makes numerous statutory changes that are summarized below:

- Requires State agencies to submit FY 2016 budget information to the Department of Management (DOM) and include all proposed expenditures, supporting data, and explanations.
- Requires the Department of Natural Resources to convene a stakeholder group for the purpose of studying the funding of air quality programs.
- Prohibits the Legislative and Judicial branches of government from entering into personnel agreements that contain confidentiality clauses.
- Requires the Office of Grants Enterprise Management to submit a report to the Legislative Services Agency (LSA) by December 1 of each year that lists all federal grants received during the most recently completed federal fiscal year with a value over \$1,000. The Bill also requires all Executive Branch agencies to submit federal grant information to the Office of Grants Enterprise Management that includes specific information relating to the federal funds.
- Permits members of boards and commissions to sell services to Executive Branch agencies if they are not employed by that agency or if they do not have substantial and regular contact with that agency in performance of their duties.
- Extends the sunset for the one month bona fide retirement period for the Licensed Health Care Professionals from July 2014 to July 2016. Permits costs for court interpreters in criminal cases to be paid for from the Jury and Witness Fee Revolving Fund.
- Makes changes to the Iowa Code publication provisions to allow the LSA to publish the Iowa Code in electronic form on an annual basis and forego the publication of a code supplement every other year.
- Makes various changes to snowmobile registration requirements.
- Reauthorizes the income tax checkoff for the Iowa State Fair Foundation Fund and a joint income tax checkoff for the Veterans Trust Fund and Volunteer Firefighter Preparedness Fund. These checkoffs will continue as currently authorized and there will be no change to the General Fund impact.
- Makes various changes to how certain records are maintained by county recorders.
- Requires a child be placed in a group or family foster environment if the courts determine the child should be in the least restrictive placement option available. Requires that a child not be denied entry if the child needs to be placed in a shelter, inpatient mental health program, or an inpatient substance abuse program.
- Makes changes to the requirements of the Solar Energy Tax Credit Act ([SF 2340](#)), that was passed by the General Assembly on April 25.
- Requires any funds remaining in the Health Care Transformation Account as of December 31, 2013, to revert to the General Fund and specifies that any funds remaining in the IowaCare Account remain available until June 30, 2015, for the payment of valid claims. Both Accounts contain minimal funds.
- Makes changes to the Flood Mitigation Program to allow new entities to participate in the Program.

**Enactment.** HF 2473 was enacted by the General Assembly on May 1, 2014. The Governor has taken no action as of this writing.

**SF 2363 – BOND DEFEASANCE AND SUPPLEMENTAL APPROPRIATIONS BILL**

**Supplemental Appropriations.** [Senate File 2363](#) appropriates \$79.8 million from the General Fund for FY 2014 supplemental appropriations. The following listing is not an all-inclusive listing of supplemental appropriations, but summarizes the more significant appropriations made in the Bill.

**Department of Agriculture**

- \$1.2 million for the Agricultural Drainage Well Water Quality Assistance Program.
- \$3.5 million for deposit in the Water Quality Initiative Fund.
- \$1.5 million for deposit in the Watershed Improvement Fund.
- \$5.0 million for the Soil and Water Conservation Program.

**Department of Cultural Affairs:** \$3.8 million for renovation of the State Historical Building. [SF 2349](#), the Infrastructure Appropriations Bill, deappropriated \$3.8 million in Revitalize Iowa's Infrastructure Fund (RIIF) previously enacted for this purpose for FY 2014.

**Iowa Economic Development Authority:** \$4.0 million is appropriated for the Strategic Infrastructure Program.

**Department of Human Rights:** \$2.0 million is appropriated for the Low-Income Home Energy Assistance Program.

**Department of Human Services**

- \$10.9 million is appropriated to the Department of Human Services for distribution to Broadlawns Hospital and the University of Iowa Hospital and Clinics for payment of previously uncompensated medical treatment of persons that met IowaCare eligibility requirements but were not members of the expansion population.
- \$1.2 million for the cost of compensatory education to address reviews of special education of children previously placed at the Iowa Juvenile Home.

**Board of Regents**

- \$1.2 million for the Iowa Flood Center at the University of Iowa.
- \$3.0 million for the Advanced Manufacturing Center at the University of Northern Iowa.
- \$18.6 million for construction costs associated with the bioscience facility at Iowa State University. The Bill also deappropriates an \$18.6 million RIIF appropriation that was previously appropriated for FY 2014.
- \$8.0 million for construction costs associated with the Dental Science Building at the University of Iowa. The Bill also deappropriates an \$8.0 million RIIF appropriation that was previously appropriated for FY 2014.
- \$1.9 million for renovation costs associated with improvements to Bartlett Hall at the University of Northern Iowa. The Bill also deappropriates a \$1.9 million RIIF appropriation that was previously appropriated for FY 2014.

**Department of Natural Resources:** \$5.0 million for the Resource Enhancement and Protection Fund.

**Bond Defeasance.** The Bill also provides for the defeasance of \$111.7 million in Vision Iowa Bonds and interest by transferring \$60.0 million from the Economic Emergency Fund to the State Bond Repayment Fund. When coupled with the remaining State Bond Repayment Fund balance of \$28.8 million, the current Vision Iowa Debt Service Reserve fund balance of \$16.0 million, and \$6.9 million in interest earnings, these funds will be accumulated in the debt service reserve fund and used to pay off the bonds at maturity in FY 2021. Defeasance of the bonds also eliminates the need for an annual debt service allocation of \$15.0 million from State Wagering Taxes. The \$15.0 million in debt service allocation will no longer be deposited in the RIIF.

## SALES TAX LEGISLATION

**Sales Tax Acts.** Bills approved by the 2014 General Assembly that had sales tax revenue impacts included:

- [SF 2341](#) (Iowa Speedway Sales Tax Rebate Extension Act) – This Act modifies and extends the sales tax rebates for the Iowa Speedway. The sales tax rebate cap remains at \$12.5 million, but the repeal date was extended an additional 10 years (until June 30, 2026). The fiscal impact is estimated to be a reduction of General Fund revenues of at least \$400,000 annually, beginning in FY 2015. This Act was approved by the General Assembly on March 26, 2014, and signed by the Governor on April 2, 2014.
- [HF 2464](#) (Knoxville Raceway Sales Tax Rebate Bill) – This Act provides a sales tax rebate to the Knoxville Raceway. The total rebated amount is not to exceed 25.0% of eligible Raceway project costs or \$2.0 million, whichever is less. Additionally, the rebate will expire June 30, 2025, or 30 days after fulfillment of the sales tax rebate amount, whichever occurs first. This rebate will result in an estimated \$79,000 reduction to General Fund revenue in FY 2015 (this item is rounded and shows as a reduction of \$100,000 on the attached General Fund balance sheet). This Bill was approved by the General Assembly on April 23, 2014. The Governor has not taken action as of this writing.
- [HF 2446](#) (Fuel Trailers/Seed Tenders Sales Tax Exemption Bill) – This Act provides a sales tax exemption for the sales of diesel fuel trailers and seed tenders when used primarily in agricultural production. Total state sales tax will be reduced by an estimated \$470,000 beginning in FY 2015, with a reduction in General Fund revenues of \$392,000 and \$78,000 in Secure an Advanced Vision for Education (SAVE) Fund revenues. This Bill was approved by the General Assembly on April 23, 2014. The Governor has not taken action as of this writing.
- [SF 2364](#) (Environmental Testing Services Sales Tax Exemption Bill) – This Act provides a sales tax exemption for certain environmental testing services. Beginning in FY 2016, the total state sales tax revenue is estimated to be reduced by \$1.5 million annually, including a reduction of \$1.3 million to the General Fund and \$200,000 to the SAVE Fund. This Bill was approved by the General Assembly on April 30, 2014. The Governor has not taken action as of this writing.

## **SCHOOL FINANCE FUNDING LEGISLATION**

**School Aid.** During the 2014 Legislative Session, the following provisions were approved that impacted the FY 2015 school aid formula funding:

- [HF 2271](#) (Shared Operational Functions Supplementary Weighting Act). This provision modified the shared operational function provision that was enacted during the 2013 Legislative Session. Additional detail on this provision is provided in another section of this document or from the [fiscal note](#). This Act was approved by the General Assembly on March 17, 2014, and signed by the Governor on March 26, 2014.
- [HF 2473](#) (FY 2015 Standing Appropriations Bill). This Bill makes an additional State aid reduction of \$15.0 million for FY 2015 to Area Education Agencies (AEAs). The level of reduction maintains the State aid reduction level applied to AEAs in FY 2014. This Bill was approved by the General Assembly on May 1, 2014, and has not yet been signed by the Governor.

**FY 2015.** Based on legislative action through the end of Session, the LSA estimates school aid totals for FY 2015 to include:

- \$4,167.9 million for the combined district cost, an increase of \$170.7 million (4.3%) compared to estimated FY 2014.
- \$2,865.3 million for total State aid, an increase of \$139.7 million (5.1%) compared to estimated FY 2014. The estimated General Fund portion of school aid totals \$2,857.0 million, an increase of \$140.1 million (5.2%). Included in the estimated State aid amount are:
  - \$2,453.7 million for regular school aid, an increase of \$121.7 million (5.2%). This amount includes \$25.4 million for the property tax replacement payment, maintaining the \$15.0 million State aid reduction made to AEAs in FY 2014, and \$8.2 million transferred from the Secure an Advanced Vision for Education (SAVE) Fund to the Property Tax Equity and Relief (PTER) Fund.
  - \$341.8 million for the State categorical supplements, an increase of \$14.3 million (4.4%) compared to estimated FY 2014.
  - \$69.8 million for preschool formula funding, an increase of \$3.7 million compared to estimated FY 2014. The preschool formula funding is included in the State aid amount, but is not included in the combined district cost total.
- \$1,355.8 million for the foundation property tax (adjusted for the estimated \$16.7 million in the commercial/industrial rollback claim adjustment provision), an increase of \$17.8 million (1.3%) compared to estimated FY 2014.

Final FY 2015 school aid amounts will be determined by the Department of Management. The LSA will provide analysis of the final FY 2015 school aid amounts when the data is available.

**FY 2016 School Aid:** The General Assembly was required to establish the State percent of growth for FY 2016 during the 2014 Legislative Session. Despite this requirement, a State percent of growth was not established during the Session. Legislative action that was approved that will impact FY 2016 includes:

- Shared Operational Functions (noted above).
- Extension of whole grade sharing supplementary weighting and the reorganization incentives ([SF 2056](#)). This Bill extends the weighting and incentives an additional five years.

Additionally, beginning in FY 2016, the Teacher Leadership Supplement (TLS) will be included in school aid funding. The Department of Education approved 39 districts for program participation for FY 2015. These districts will receive TLS funding through an allocation from the Student Achievement/Teacher Quality program in FY 2015 and through the school aid formula beginning in FY 2016. The estimated FY 2016 school aid amount for the TLS will likely be at least \$49.1 million.

**Additional Information.** For any additional school aid information, please review the [K-12 Education Funding](#) section on the LSA website or contact the LSA.

**LEGISLATION WITH SIGNIFICANT FISCAL IMPACT****HF 2159 – Miller Trusts**

**Description.** [House File 2159](#) increases the percentage of income a person can have relative to the statewide average charge for a private pay resident of a nursing facility from 100.0% to 125.0% for beneficiaries of Miller Trusts. This Bill is applicable to Trusts in existence on or after July 1, 2014. A Miller Trust provides medical care and obtains Medicaid eligibility for a person that would not be eligible if the funds in the special needs trust or the individual's income were considered in the eligibility determination. If a person has more income than the criteria to qualify for Medicaid, but has less income than necessary to pay for long-term care, then a Miller Trust can be set up for that individual. This change will allow more individuals to become Medicaid eligible.

**Fiscal Impact.** [House File 2159](#) is estimated to cost the General Fund \$252,000 in FY 2015 and \$261,000 in FY 2016. Please refer to the [fiscal note](#) for additional information.

**Enactment.** House File 2159 was enacted by the General Assembly on March 24, 2014, and signed by the Governor on April 10, 2014.

**HF 2271 – Shared Operational Functions Act**

**Description.** [House File 2271](#) modifies the current shared operational functions supplementary weighting provision. The modified provision restricts and reduces the potential maximum [fiscal impact](#) of the legislation that was enacted during the 2013 Legislative Session. For FY 2015, the modified provision is estimated to generate a total of \$12.4 million for school districts through the school aid formula. This includes \$10.9 million in State aid and \$1.5 million in local property taxes and is a reduction of \$13.5 million in State aid and \$1.9 million in local property tax compared to the premodified provision for FY 2015. Additionally, the modified provision for Area Education Agencies (AEAs) will decrease the funding amount by \$510,000 in FY 2015.

**Projected Impact.** The supplementary weighting provision will be in place through FY 2020. The future fiscal impact is currently unknown and will depend on school district usage of the supplementary weighting provision. The maximum level of funding could be up to \$46.5 million in future fiscal years, including \$40.8 million in State aid and \$5.7 million in local property taxes.

**Final Funding.** The final approved amounts for shared operations for FY 2015 will be determined by the Department of Education and the Department of Management (DOM). Based on the approved weighting amounts, adjustments will be made by the DOM to the school district aid and levy worksheet information submitted in mid-April.

**HF 2273 – Vehicle Registrations and Levee and Drainage Districts**

**Description.** House File 2273 relates to vehicle registrations and levee and drainage districts. This Bill makes the following changes:

- Allows an annual vehicle registration credit to be claimed by the owner's spouse. An annual registration fee credit may be claimed for a vehicle that has been sold, traded, or junked.
- Exempts trailers purchased for the purpose of renting to users from the fee for new registration. To qualify for the exemption, the rental must be subject to Streamlined Sales and Use Tax.
- Allows county treasurers to destroy levee and drainage district assessment records and accompanying documents required by Iowa Code chapter 468 after 10 years have elapsed from the end of the fiscal year that the assessment was paid off.
- Removes a provision that requires that levee and drainage district assessments of \$20 or less be paid in cash.

**Background.** Currently, annual vehicle registration fee credits may only be claimed by the owner of the vehicle. The fee for new vehicle registration is 5.0% of the purchase price of the vehicle. Vehicles purchased by businesses for rent to other users are exempt from the fee for new registration. Trailers do not qualify for this exemption.

---

**Fiscal Impact.** [House File 2273](#) is estimated to reduce revenue to the Statutory Allocations Fund by \$229,000 in FY 2015 and \$234,000 in FY 2016.

**Enactment.** [House File 2273](#) was approved by the General Assembly on April 16, 2014. The Governor has taken no action as of this writing.

**Description.** [House File 2460](#) (FY 2015 Economic Development Appropriations Act) made changes to the Jobs Training Act and Apprenticeship Program in Iowa Code section [260F](#). The revised Program establishes an Apprenticeship Training Program and Fund in Iowa Code chapter 15B and revises the Job Training Program and Fund in Iowa Code chapter 260F. Major changes include the following:

- Eliminates the Workforce Development Fund.
- Transfers administration of the Jobs Training Act in Iowa Code chapter 260F from the Iowa Economic Development Authority (IEDA) to the Department of Education (DE).

- Creates a formula for awards for the Apprenticeship Training Program.
- Creates an Apprenticeship Training Program Advisory Board within the IEDA.
- Repeals the Business Network Training Program and the High Technology Apprenticeship Program.
- Limits the administration on the Apprenticeship Training Program Fund to 2.0%.

**Fiscal Impact.** The fiscal impact for the changes to the program are as follows:

- The IEDA will be permitted to use approximately \$60,000 in FY 2015 for the Apprenticeship Training Program Administration. With community colleges no longer involved in the program, the colleges that did utilize this Program will see a decrease of an estimated \$131,000 compared to estimated FY 2014.
- The DE will need 0.5 FTE Education Program Consultant to administer the program transferred from the IEDA. Estimated salary, benefits, professional training and support will cost \$60,000 annually from the Job Training Fund.
- Limits the administration of the Job Training Programs at the community colleges to 5.0% of the total award. Limits the community colleges to 10.0% of a total award for monitoring, outreach and business services. This will be approximately equal to the funds utilized for this purpose for all community colleges in FY 2014.

**SF 2296 – Competency to Stand Trial – State Cost**

**Description.** [Senate File 2296](#) requires the costs of treatment under Iowa Code section [812.6](#) to be paid by the [Department of Corrections](#) (DOC) and the [Department of Human Services](#) (DHS).

**Background.** Currently, when the court finds the defendant cannot appreciate the charge, understand the proceedings, or assist in the defense, the trial is suspended while the defendant is placed in the DOC (Oakdale forensic facility) or the DHS (usually the Cherokee Mental Health Institute). The two departments pay for the cost of housing and treating the defendant. The DHS bills the counties for services provided by both departments. Any payments the counties make are deposited into the State General Fund and are recorded as a miscellaneous receipt.

**Fiscal Impact.** The fiscal impact of [SF 2296](#) is estimated to be \$300,000 annually in decreased miscellaneous receipts to the State General Fund. Refer to the [fiscal note](#) for SF 2296 for more information.

**Enactment.** [Senate File 2296](#) was enacted by the General Assembly March 19, 2014, and signed by the Governor April 3, 2014.

**Senate File 2355 – Transportation Omnibus Bill**

**Description.** [Senate File 2355](#) updates several Iowa Code chapters to comply with federal law, reorganizes Iowa Code chapters 307 and 307A, and includes several other provisions. Changes include the following provisions.

**Fiscal Impact.** [Senate File 2355](#) will maintain current federal funding levels. Without this legislation, the DOT estimates that noncompliance with the control of advertising requirement will reduce federal revenue by \$46.9 million in federal fiscal year (FFY) 2015. Noncompliance with the control of junkyard provisions will reduce federal funding by \$32.8 million in FFY 2015.

Establishing control of outdoor advertising will require the approval of 250 sign permits by the DOT for each year. Sign owners will be required to pay a \$100 application fee and an annual permit renewal fee of \$15. This will increase revenue to the Highway Beautification Fund by \$25,000 in FY 2015 and \$3,750 each year after. The DOT intends to hire a temporary employee that will work approximately 26 weeks at a cost of \$12,400 each fiscal year.

The creation of a new dealer plate will increase revenue to the Road Use Tax Fund by an unknown amount. Exempting vehicles purchased by dealerships to be loaned to customers will reduce revenue to the Road Use Tax Fund by an unknown amount. Requiring the DOT to collect data from county engineers will require staff time, but will not require hiring additional staff.

**Enactment.** [Senate File 2355](#) was approved by the General Assembly on April 29, 2014. The Governor has taken no action as of this writing.

**OTHER SIGNIFICANT LEGISLATION**

**HF 2199 – Unemployment Insurance – Voluntary Shared Work**

**Description.** [House File 2199](#) amends the current Voluntary Shared Work (VSW) Program in Iowa Code section [96.40](#) that is part of the Iowa Employment Security Law (commonly referred to as Unemployment Insurance or Unemployment Compensation). The VSW Program allows employers to temporarily reduce employee hours, instead of laying them off, with the goal to reduce unemployment. Businesses are able to retain their employees for easy recall to full-time work, and workers keep their jobs and collect a reduced percentage of unemployment benefits to partially replace the lost wages due to decreased hours.

**Fiscal Impact.** There is no impact to the General Fund. Enacting these changes to the VSW Program will enable Iowa to receive federal reimbursement for partial benefits paid out of the Unemployment Compensation Trust Fund for an additional year. These partial benefits are estimated at \$325,000. This legislation is necessary to conform to federal law and to maintain a state-certified unemployment compensation program. If this legislation is not enacted, it may result in Iowa losing State certification and could result in the loss of the current 5.4% federal tax credit for Iowa businesses. The loss of the tax credit may result in Iowa businesses paying an additional \$500.0 million annually in federal unemployment taxes.

**Enactment.** [House File 2199](#) was approved by the General Assembly on March 17, 2014, and signed by the Governor on March 26, 2014.

**SF 2362 – Greyhound Dog Racing Bill**

**Description.** [Senate File 2362](#) makes changes to greyhound dog racing in Iowa. This Bill allows the casinos (licensees) that operate pari-mutuel dog racing in Dubuque and Pottawattamie counties to phase out dog racing and to continue operating other types of gambling games. Under current law, these two establishments are required to operate dog racing as a condition for conducting other types of gambling games. This Bill provides for a live racing cessation date for the licensee in Dubuque County of October 31, 2014, and December 31, 2015, for the licensee in Pottawattamie County.

**Fees.** This Bill creates a Live Racing Cessation Fee for both the Dubuque and Pottawattamie racetrack/casinos to be paid over an eight-year period totaling \$72.0 million. The fees for the Dubuque

facility will total \$7.0 million and the fees for the Pottawattamie facility will total \$65.0 million. The fees will be deposited into a newly created Iowa Greyhound Pari-Mutuel Racing Fund.

**Revenue Distribution.** Fifty percent (\$36.0 million) of the Fund's proceeds will be distributed to the Iowa Greyhound Association (IGA) if the Association becomes licensed to conduct live dog racing as authorized by this Bill. The moneys are to be used to pay costs associated with conducting live racing and pari-mutuel wagering. The remaining 50.0% (\$36.0 million) will be distributed by the Iowa Racing and Gaming Commission to applicable greyhound industry participants that will be ceasing operations, and to no-kill animal adoption agencies for care and adoption of greyhounds.

**Dubuque Facility.** The Bill allows the IGA to apply for a license to conduct pari-mutuel wagering on live dog races and simulcast horse and dog races. If the application is submitted by October 1, 2014, the Commission is required to take action by December 1, 2014. If a license is approved, the IGA is authorized to enter into a lease arrangement with the licensee in Dubuque to operate live racing and conduct pari-mutuel wagering and simulcasting at the Dubuque facility.

**Fiscal Impact.** The Bill is estimated to reduce state revenue to the Rebuild Iowa Infrastructure Fund by \$27,500 in FY 2015, \$168,000 in FY 2016, and \$322,000 in FY 2017 and subsequent years. The Bill is also estimated to reduce pari-mutuel tax revenue for Dubuque and Pottawattamie counties by a total of \$9,000 in FY 2015, \$87,000 in FY 2016, and \$169,000 in FY 2017 and subsequent years. Please refer to the [fiscal note](#) for additional information.

**Enactment.** [Senate File 2362](#) was enacted by the General Assembly on April 28, 2014. The Governor has not taken action as of this writing.

## TOLEDO JUVENILE HOME STATUS

**Closure Announced.** On December 9, 2013, the Department of Human Services (DHS) announced the closure of the Juvenile Home and Training School in Toledo by the end of January 2014.

**Background.** The Juvenile Home and Training School provided a specialized structured setting to evaluate and treat youth between the ages of 12 and 18, determined by the juvenile justice system to require specialized structured program care, evaluation, and/or treatment due to numerous out-of-home placements, disruptive behavior, and extensive involvement in the system. Males and females adjudicated Children in Need of Assistance (CINA) by the Iowa court system were admitted to the Iowa Juvenile Home. Females judged delinquent were admitted to the State Training School for Girls. At full capacity, the Toledo Juvenile Home could serve 57 youth and employ 114.00 FTE positions. The 2013 General Assembly appropriated \$10.5 million for the Juvenile Home and Training School for FY 2014. When the closure was initiated, there were 21 girls served on the campus by 93 employees. When closure concluded on January 15, 2014, there were no girls being served on the campus and all of the staff (except those needed to maintain the physical facility) were laid-off. The former employees were eligible to continue to receive support and services through the Iowa Employee Assistance Program and Iowa Workforce Development.

**Current Status.** The 2014 General Assembly approved [HF 2463](#) (Health and Human Services Appropriations Bill) and appropriated \$508,000 and 2.0 FTE positions to the DHS for FY 2015 for the Toledo Juvenile Home and Training School. The funds and FTE positions are intended for the maintenance of the closed, unoccupied facility.

**FY 2015 Funding.** In addition, \$2.0 million is appropriated to the DHS for FY 2015 for the private facility placement of CINA and adjudicated delinquent females that were previously eligible and had been placed at the Juvenile Home and Training School. Further, \$858,000 was appropriated for aftercare services for youth previously eligible and placed at the Juvenile Home and Training School and youth at the Eldora Training School. These services, supports, and opportunities are designed to address the needs of youth between the ages of 18 and 21 that have aged out of the child welfare system. Examples of services include a plan for self-sufficiency, finding a safe place to live, finding a doctor, and assistance applying for college or a job training program, etc.

**Education.** Finally, \$1.2 million is appropriated in FY 2015 in [Senate File 2363](#) for compensatory education of the youth who were being served and then placed in private placements during the 2013 closure period of the Juvenile Home and Training School. These education services are elective to the youth eligible and are intended to complete any interrupted education the youth may have experienced.

## **RESOURCE ENHANCEMENT AND PROTECTION FUND APPROPRIATIONS**

**Background.** The Resource Enhancement and Protection (REAP) Fund was created by the 1989 General Assembly to protect Iowa's natural resources. The Department of Natural Resources (DNR) administers the REAP Fund.

**Fund Formula.** Iowa Code defines how funds received for REAP are distributed. Of total receipts, \$350,000 is allocated to the DNR for educational grants and 1.0% is allocated to the DNR for program administration.

The remaining receipts are allocated as follows:

- 28.0% to the DNR for the Open Spaces Account.
- 20.0% to County Conservation Boards.
- 20.0% to the Department of Agriculture and Land Stewardship for soil and water conservation projects.
- 15.0% for city park projects.

## **STATE APPEAL BOARD MEETINGS**

**April Meetings.** The [State Appeal Board](#) met April 7, 2014, at the State Capitol. The Board discussed Ringgold County and Sioux County budget protests filed under Iowa Code chapter [24](#). Hearings will be held at the local level and then the Board will meet in special session to take action. The State Appeal Board approved the following claims:

- General claims filed under Iowa Code chapter [25](#). The State Appeal Board approved four claims totaling approximately \$1,400 and denied two claims totaling approximately \$1,400. One claim in the amount of \$600 was withdrawn.
- A general claim from the [Department of Public Defense](#) (DPD) was approved, but the agency was directed to pay the expense from its operating budget. The DPD was investigated by the [U.S. Department of Labor](#) for alleged violations of the federal [Fair Labor Standards Act](#). The investigation found that 19 employees performed work during authorized break times and after quitting time. The incidents occurred over multiple fiscal years. The DPD will pay \$22,900 to these 19 employees out of its current operating budget.
- Tort claims filed under Iowa Code chapter [669](#). The State Appeal Board approved seven claims totaling approximately \$54,000. The Board denied one claim filed against the [Board of Regents](#) (BOR) for \$2,250, and referred it back to the BOR to determine if other funds are available to pay the claim. This claim for personal injury was the result of the claimant being struck in the head by a beer bottle while attending a football game at [Iowa State University](#) (ISU). Bottles are not allowed in the stadium, and the ISU security performs searches upon entry into the stadium.
- The State Appeal Board denied claims totaling approximately \$16.8 million. Two claims totaling \$3.1 million were withdrawn.

**Settlement.** The Board approved one settlement by the [Office of the Attorney General](#) for \$125,000. The payment settles an employment wrongful discharge lawsuit filed by a former employee of the [University of Northern Iowa](#). The employee alleged the University discriminated against her in violation of the Iowa Civil Rights Act (Iowa Code chapter [216](#)) on the basis of her disabilities, and discriminated against her for taking medical leave.

**Special Meeting.** The State Appeal Board met in special session April 28, 2014, to hear budget protests from Ringgold and Sioux Counties. Local hearings were held in accordance with Iowa Code chapter [24](#). State representatives from the [Office of the State Treasurer](#), the [Department of Management](#), and the [Office of the State Auditor](#) served on a panel to hear testimony from the petitioners and respondents at local public hearings. Based on the findings of fact on the budget protests in Ringgold County, the State Appeal Board:

- Ordered a decrease in the FY 2015 E911 Service Board budget because the same revenues and expenditures were entered twice by mistake. On April 30, 2013, the State Appeal Board ordered a reduction from \$1.00 to \$0.76 in the telephone wireline surcharge pursuant to Iowa Code chapter [34A](#). The State E911 Program Manager sent a letter to four companies on June 11, 2013, with the order to reduce the surcharge. One company reduced the surcharge; one did not. It is not known what the remaining two companies did. On April 28, 2014, the State Appeal Board requested the State E911 Program Manager at the [Homeland Security and Emergency Management Department](#) document that the telephone surcharge reduction was made.
- Sustained the FY 2015 Ringgold County Assessor's budget as adopted.
- Sustained the FY 2015 Ringgold County Agricultural Extension District's budget as adopted.
- Sustained the FY 2015 Ringgold County Emergency Management Commission's budget as adopted. The State Appeal Board reminded the Commission that budget amendments should be adopted before expenditures exceed the budget.
- Sustained the FY 2015 Ringgold County Hospital's budget as adopted. The Board discussed the Hospital's deficit and challenges of operating a rural hospital.

**Sioux County.** The State Appeal Board ordered the county to correct the mistake in the FY 2013 beginning balance. The mistake carried through the budget preparations for FY 2015. The Board sustained the FY 2015 tax levy and expenditures as adopted.

**May Meeting.** The State Appeal Board met May 5, 2014, and discussed the correspondence from Mr. Kilgore regarding the proposed adoption of two administrative rules for the State Appeal Board. Ms. Meghan Gavin, Office of the Attorney General, updated the Board. She summarized Mr. Kilgore's correspondence as follows:

- The first proposal requests administrative rules be adopted to formalize the findings of fact and conclusions of law to adjudicate local government protests, and to incorporate in those rules informal advice provided by Department of Management (DOM) coordinators. Ms. Gavin indicated the State Appeal Board actions already have the force of law for petitioners. Proceedings of the Board are posted on the internet.
- The second proposal requests administrative rules be adopted that define local government entities, and redefine levying boards. Deputy Attorney General Jeff Thompson indicated this proposal would take legislative approval.

**Osceola County.** The Board discussed the Osceola County budget protest regarding the local law enforcement commission's budget. Ms. Gavin indicated [HF 2476](#) (Unified Law Enforcement Districts) was enacted this year, and addressed the budget concerns. Representatives from Osceola County attended the meeting via conference call, and expressed concern that all votes on the commission are equal, while the population of the local government entities are not equal. The Bill has no weighted vote provision.

**Board Action.** The State Appeal Board approved the following claims:

- One general claim filed under Iowa Code chapter [25](#) for approximately \$35,600. The State Appeal Board denied five claims totaling approximately \$195,800.
- Tort claims filed under Iowa Code chapter [669](#). The State Appeal Board approved four claims totaling approximately \$11,600.
- The State Appeal Board denied tort claims totaling approximately \$5.7 million.

**Proposed Settlement.** The Board discussed the proposed settlement with a plaintiff that claimed she was denied employment at the Glenwood Resource Center in retaliation for filing a prior lawsuit against the state. The proposed settlement was \$100,000, split equally between back wages, compensatory damages, and attorney fees. Deputy Attorney General Jeff Thompson indicated this was the first proposed settlement that dealt with a personnel matter. Such settlements must comply with [Executive Order 85](#) (Government Accountability, Openness, and Transparency), issued March 24, 2014.

**Settlement Process.** The Attorney General's Office has put in place an approval process for personnel settlements. The Deputy Attorney General makes the decision to offer a settlement in lieu of court action; the proposed settlement is negotiated between the parties; the parties (plaintiff and responding state agency) sign the settlement. All personnel settlements will have a public information clause and a statement that it complies with Executive Order 85. The [Department of Administrative Services](#) (DAS) and the Department of Management (DOM) must sign off on all such settlements before being approved by the State Appeal Board. The Deputy Attorney General that staffs the Board will sign the document when the Board approves it, certifying that proper procedures have been followed under Executive Order 85.

**Settlement Tabled.** Mr. Dave Roederer, Director of DOM, apologized to the Board for not realizing this was a personnel settlement. He is not comfortable with the settlement and has questions and refused to sign on behalf of the DOM. The Board tabled the approval of the settlement until a later date.

**Next Meeting.** The next regular meeting of the State Appeal Board is scheduled for June 2, 2014.

## YEAR IN REVIEW

**FY 2013.** State General Fund revenue in Iowa continued to show strong growth in FY 2013. Net General Fund revenue increase by \$457.7 million (7.3%) in FY 2013 compared to the previous year. FY 2013 ended with a record surplus of \$927.7 million, the fourth consecutive year that the surplus increased. The growth in the surplus can be attributed to several factors:

- Since FY 2009, net General Fund revenue growth has outpaced the growth in net appropriations. From FY 2009 to FY 2013, net revenue growth has averaged 3.3% per year, while net appropriations grew at an annual rate of 2.0%.
- With revenues outpacing spending, the General Fund surplus grew, which enabled the State to fill the reserve funds to the statutory maximum, and allowed additional surplus dollars to carry forward in the General Fund. The surplus carryforward for FY 2012 totaled \$381.4 million and grew to \$572.1 million in FY 2013.

- Federal tax law changes caused many taxpayers to alter their normal year-end tax strategies. Some taxpayers crowded capital gains and other income into tax year 2012. This had a significant impact on Iowa's FY 2013 revenue. Gross income tax revenue grew by 12.4% in FY 2013, far exceeding a normal year of 5.0% to 5.5% growth.

The growth in the surplus was offset slightly by law changes made during the 2012 Legislative Session that reduced revenues by an estimated \$27.3 million. Of this, \$26.0 million was related to the transfer of State wagering taxes from the General Fund to the Rebuild Iowa Infrastructure Fund and the Technology Reinvestment Fund.

Net appropriations for FY 2013 totaled \$6.413 billion, an increase of \$408.7 million (6.8%) compared to FY 2012. The State's reserve funds ended the fiscal year with a combined balance of \$611.1 million, the maximum allowed by statute for FY 2013.

**FY 2014.** According to a preliminary spring 2014 report by the National Conference of State Legislatures (NCSL), state fiscal conditions are stable with slow growth. Most states are at or above the revenue forecast, with a few states experiencing declining revenues since December and through early spring. The Iowa Revenue Estimating Conference (REC) met on March 20, 2014, and stayed with the December 2013 revenue estimate for both FY 2014 and FY 2015. Revenue growth for FY 2014 is expected to be negative due to adjustments enacted during the 2013 Legislative Session that reduced General Fund revenue by an estimated \$249.6 million. Projected revenue growth would be moderately positive in FY 2014 by an estimated 2.4% when adjusting for the revenue law changes. The March estimate of the REC for FY 2014 General Fund receipts, including transfers, totaled \$6,682.2 million, a decrease of \$86.5 million (1.3%) compared to actual FY 2013.

The total funds available in the General Fund for FY 2014 are estimated at \$7.359 billion. This includes the REC estimate of \$6.682 billion, a surplus carryforward balance of \$679.1 million, and a small revenue decrease of \$2.4 million enacted during the 2014 Legislative Session. Net General Fund appropriations for FY 2014 total \$6.558 billion. This includes previously enacted appropriations of \$6.492 billion, supplemental appropriations of \$79.8 million, and estimated reversions of \$14.4 million.

The FY 2014 General Fund surplus is estimated to be \$801.3 million and the combined balances in the Cash Reserve and Economic Emergency Funds total \$649.6 million. In addition, the Taxpayer Trust Fund has a balance of \$120.0 million that will be used to provide a \$54 tax credit per taxpayer during the 2013 tax year.

**FY 2015.** For FY 2015, economic indicators in Iowa continue to be positive. The March REC did not change the December estimate of \$6.983 billion, an increase of \$301.0 million (4.5%) compared to the FY 2014 estimate. Personal income tax is estimated to increase \$248.6 million (6.1%) and sales/use taxes are estimated to increase \$103.2 million (3.9%). The REC anticipates steady economic growth that will provide modest revenue growth for the upcoming fiscal year.

The FY 2015 General Fund budget enacted by the 2014 General Assembly was based on total available revenue of \$7.567 billion. This includes the March 2014 revenue estimate of \$6.983 billion, net revenue decreases enacted during the Legislative Session of \$19.6 million, and a surplus carryforward balance of \$602.9 million.

The General Assembly appropriated \$6.959 billion from the General Fund. This is an increase of \$386.9 million (5.9%) compared to the FY 2014 appropriations (including \$79.8 million in supplemental appropriations). The FY 2015 appropriations were \$537.7 million below the expenditure limitation.

The ending balance (surplus) for FY 2015 is estimated to be \$612.6 million and the reserve funds are estimated to be "full" at \$696.4 million, or 10.0% of the adjusted revenue estimate. The balance in the Taxpayer Trust Fund is estimated to total \$91.9 million in FY 2015, which will provide an estimated tax credit of between \$43 and \$45 per taxpayer in tax year 2014.

The Governor has 30 days to review and act on the appropriations bills and the bills passed during the last few days of Session.
