memorial to the Honorable C. L. Gunderson of Pocahontas County

MR. SPEAKER: Your committee, appointed to prepare a suitable resolution commemorating the life, character and public service of the late Honorable Charles Lewis Gunderson, begs leave to submit the following memorial:

Charles Lewis Gunderson, son of George and Helen Gunderson, was born October 13, 1859, at Boscobel, Wisconsin. He was 87 years, two months and 18 days old at the time of death. He was baptized in the North Lutheran church of which he later became a member. He attended Boscobel high school. In July, 1881, he came to Iowa to work on his father's land and later was joined by his brother, Gunder. The two farmed together for several years.

On July 20, 1884, he married Dena C. Christensen of Boscobel. To this union six children were born. The oldest son, George, passed away in 1929. Dr. Arthur Gunderson resides at Everett, Washington, John at Rolfe, Mrs. A. J. Vande Steeg (Ruth) at Orange City, Naomi and Mrs. S. R. Boggs (Martha) at Pasadena, California. There are eight grandchildren and four great-grandchildren. Last July Mr. and Mrs. Gunderson celebrated their sixty-second wedding anniversary.

In 1890 C. L. Gunderson became a director of the Pocahontas County Mutual Insurance Company, of which he had been president since 1909. In 1923 he was elected president of the State Mutual Insurance Association.

Mr. Gunderson was also a member of the Masonic Lodge, the Order of the Eastern Star and a trustee on the Buena Vista College board. He served two terms as Pocahontas county Representative in the Iowa legislature in 1919 and 1921. He was vice president of the Rolfe State Bank.

In the late nineties Mr. Gunderson and his family affiliated with the Rolfe Presbyterian church. He was an elder in this church. He attended church and Sunday school regularly and faithfully.

Therefore, Be It Resolved by the House of Representatives of the Fifty-second General Assembly, That in the passing of the late Honorable C. L. Gunderson, the state has lost a valued and honored citizen, and the House would tender, by this resolution, its sincere sympathy to the surviving members of his family in their sorrow; and

enteen, he located first in New York state and then six years in Illinois. In 1860 he married Charity O. Van Natta, of Kirtland, Ind., and his family consisted of seven children, one of whom died in infancy, and William H., at Havelock in 1893 at the age of twenty-nine. Nellie M. (Atherton), Minnie (Boyden), James C., Elmer and George are married and live in Humboldt county.

Garrison Charles F., (b. Dec. 12, 1856,) Rolfe, has become the veteran photographer of Pocahontas county. His fine brick block, complete equipment and superior quality of work place him in the front rank as a first-class artist; and by securing the patronage of a section of country that embraces more than the north half of this county he has built up a lucrative business.

He is a native of Elkhart, Indiana, the son of Mr. and Mrs. O. W. Garrison. He acquired a practical knowledge of the photographer's art in Chicago and practiced it for several years in Detroit. In 1884, coming with his brother to Fort Dodge, under the name of Garrison Bros., they established a fine studio and their name was a guaranty of the finest workmanship. In May, 1886, he began to do business at Rolfe in a portable gallery that was located on the lot where the brick building now stands. At that time this lot was worth \$300, but when he bought it, ten years later, he had to pay \$1000 for it. At first he spent one month of each year at Rolfe in the portable gallery. In 1889 he purchased a building for a gallery; and in April, 1890, dissolving partnership with his brother, moved to Rolfe with his family, which consisted of his

wife and his father and mother. In 1896 he erected the two-story brick block he has since occupied. There is not a finer suite of gallery rooms in Northwest Iowa, and he is well prepared to supply the wants of the people with fine pictures in every size and style. He has established branch galleries at Marathon, Laurens and Ruthven.

In October, 1888, he married Adah D. Fulcher of Three Rivers, Mich., and she has rendered him valuable assistance in the studio. His father died at Rolfe, July 12, 1896.

Gunderson Charles L., (b. Oct. 13, 1859,) Rolfe P. O., is a native of Norway, the son of George and Helen Gunderson. In 1881, he came to Pocahontas county, bought 320 acres of land on section 25, Center township, and began to reside upon it. He was then a single man. Gunder B. Gunderson, his brother, lived with him during the first three years of his residence on the farm, and then went to the state of Washington, where he has filled with credit to himself the office of superintendent of public schools. Gunder taught school during the winter months for a number of years and taught the first school in the Brinkman school house, District No. 6, Center township.

In 1884 Charles L. married Dena, daughter of Iver and Nellie Christiansen, of Wisconsin, and his family consists of six children: George I., Arthur H., John C., Ruth J., Naomi H. and Martha C.

He is now one of the most highly respected and substantial farmers of Center township, being the happy possessor of 480 acres of land on which he has erected fine improvements. He

served six years as a trustee of Center township, 1890-92, '95-97; six years as a justice of the peace and was secretary of the school board in 1898. He is recognized as a man of sterling integrity, a staunch republican and a firm believer in the cause of prohibition.

Kennedy William Campbell(b. Oct. 20, 1854,) an enthusiastic Sunday School worker, has been a resident of the NW $\frac{1}{4}$ Sec. 10, Clinton township, since March, 1881. He is the son of David and Martha (Campbell b. June 19, 1823) Kennedy, who, subsequent to their marriage in 1850, lived four years near Fort Wayne, Ind., where W. C. was born. In 1857 his parents located near DeWitt, Clinton county, Iowa, where his father died in 1875. His mother was a native of County Down, Ireland, came to America with her father at eighteen, raised a family of seven children, six of whom are living, and died at Goldfield, Sept. 27, 1898. W. C., Feb. 16, 1881, married Catherine P. Seifert and a few days later, locating on his present farm, began the work of its improvement. He has since increased its size to 386 acres, and no one can view the fine buildings erected or note their capacity and conveniences without perceiving that it is one of the most conveniently arranged stock farms in that part of the county. In the home he has endeavored to combine beauty with comfort, and on the farm winter protection for all his stock and an abundant supply of good water.

He was treasurer of the school fund of Clinton township in 1882-83, assessor in 1889-92, president of the school board in 1890 and a trustee in 1893-95.

He is a successful raiser as well as feeder of cattle, and finds he obtains the best results by putting two calves to one cow evenings and mornings until they are eight or ten weeks old, providing them other suitable food according to their age and needs. The larger cattle in the fall of the year,

are fed corn on the ear until they are observed shelling it from the cob. After this the corn is shelled, mixed with oats ($\frac{1}{2}$) and placed in large self-feeders where they can get it at any time of the day and as much of it as they want. He feeds about six months, and it is not unusual for the cattle to make an average daily gain of four pounds each during that period. He raises annually about seventy head of hogs, and though he uses no stock food or patent medicines he has hitherto escaped the cholera. During the feeding period many of them are allowed to roam in the large feed yard with the cattle. The hay-racks around the inside of the open cattle-sheds rest on wide troughs or tables, and underneath these the hogs find at night a dry and comfortable resting-place, that causes them to be widely distributed. Salt is placed where they can get it and a little lime occasionally in their troughs.

He was raised in a home where he enjoyed the sweet and blessed influence of the family altar. At the age of sixteen he presented himself for union with the United Presbyterian church to which his parents belonged. The fact that he was a comparative stranger did not prevent him from taking the lead in establishing and maintaining a Sunday School in the new town of Rolfe in 1881, and he was annually re-elected superintendent of the Presbyterian Sunday School of Rolfe from the time it was organized until Jan 1, 1897, when he organized and became superintendent of the Home department in it, the first one in the county. During the fifteen years he was superintendent of the church school he was always present, except when prevented by sickness or absence from home. During the summer seasons he has devoted his Sabbath afternoons to the maintenance of Sabbath Schools in the school-houses in the vicinity of his home.

Arrived in Rolfe to meet Mrs. G. 1935; space of time must be about 1933 position in Rolfe Bank & Trust Co.

However, a year later, they came back to Rolfe where they resided until their death. They celebrated their golden wedding anniversary in Rolfe in 1917. Both are buried at the Clinton-Garfield Cemetery at Rolfe.

Alice Bovey was born at Hagerstorn, Maryland, in July 30, 1850. Her parents were Jacob and Rebecca (Rhinehart) Bovey. Her father was a United Brethern Circuit rider preacher. Since he was against slavery, his father, a wealthy Virginia slave owner, disinherited him. Jacob and son Albert died of typhoid fever during the Civil War at Edinburg, Virginia. A few years later the family accompanied a neighbor family by covered wagon to Lightsville, Illinois. A few years later, Alice's mother married Albert Strouse. They moved to Adeline, Illinois, where she met Gus and was married. She was a member of the Methodist Episcopal Church, and took an active part in the Missionary Society, and the Ladies Aid Society as long as she was able. She was also a charter member of the Eastern Star of Rolfe. On March 7, 1934, at the age of 84, she died in Stillwater, Oklahoma, while visiting her daughter, Mrs. W.H. Wilcox. *Submitted by Mrs. Joe Reigelsberger*

HELEN DeELDA GUNDERSON

I was born on April 19, 1945, at Allen Memorial Hospital in Waterloo, Iowa, and given the names of my grandmothers . . . Helen Abbott and DeElda

farmer.

I was the third of six children. Shortly after my birth, the family moved to Section 13 of Roosevelt Township. I lived there until going to college but have returned for visits of significant length.

Helen Gunderson

I am honored in having known my grandfather, John Gunderson, who farmed with horses and an occasional International tractor. My father transformed the scene to John Deere implements.

I did much field work and at times had "livestock projects" . . . feeding milk to orphan piglets and raising chickens for 4-H.

I received my public education at Rolfe, graduating fifth of 36 in the class of 1963. One incident of notoriety was in seventh grade when I spearheaded a petition drive requesting the school to institute girls basketball. We got the sport in 1959 when the Des Moines Township and Rolfe schools combined and I was a freshman.

My 13 or so years as camper and counselor at YMCA Camp Foster at Spirit Lake was at one time the longest any one person had been there. This experience was also significant in my development.

My formal education continued with a B.S. in 1967 in physical education from Iowa State University and an M.S. in 1975 in audio-visual communications from the University of Wisconsin-Stout.

My career includes five and a half years teaching secondary physical education in Duluth and Eagle Grove. Then I eagerly moved out of public school education and worked three years in sports information at North Dakota State University in Fargo before serving as director of the YMCA of NDSU the past three years. It is not a "gym and pool" YMCA but is similar to a campus ministry organization.

I consider myself an "upper midwesterner" and appreciate rural countryside. It is a rich part of my emotional heritage plus I am an absentee Pocahontas County landowner. I have yearnings of living closer to the land.

I have become increasingly involved in the Presbyterian Church, enjoying large and somewhat progressive congregations in Duluth and Fargo. In Fargo, I have been a Deacon and member of the Christian education committee.

In the late 70's I put a lot of volunteer hours into a 45 minute slide/tape show on the history of the Rolfe schools which I presented at the alumni banquet in June of 1980.

I have no hesitation in taking pride in my full personhood as a single person. Submitted by Helen DeElda Gunderson

JOHN AND DeELDA

John and DeElda Gunderson

He was one of six children of Charles and Dena Gunderson who were Pocahontas County pioneers. DeElda was born in Rolfe March 9, 1893, and was one of seven children of Joseph and Emma Wilhelm Lighter. Her father was a Rolfe printer and newspaper editor.

Before her marriage DeElda was clerk and general assistant in the Gilmore City Variety Store belonging to her sister, Cora Lighter. In 1915 DeElda became cashier and bookkeeper for the Geo. O. Hauck General Store in Rolfe.

John had begun farming in about 1905, renting ground from his father.

The couple was married Christmas Day, 1917, in the home of her parents. They had one son, Deane Gunderson, who was born September 16, 1918. His story is told elsewhere in this book.

John was a member of the Masonic Lodge, Eastern Star, and Garfield Township Farm Bureau. He was very active in his adopted Methodist Church where for many years he served as a trustee, finance chairman, and member of the official board. He also was on the school board for Roosevelt #7 rural school.

DeElda was an active member of the Rolfe Methodist Church since childhood, and was a life member of the Methodist W.S.C.S. She also was a member of Sorosis Club, and a charter member of Chapter BB, T.T.T.

During their years together John bought out his father's land holdings and in time expanded the farm to 2040 acres. Farming was both his vocation and avocation. He loved horses, and did not quickly accept tractors. His son, Deane, came back to start farming with him in 1945.

John is remembered for his ready humor, his soft spoken manner, and the simple life of an Iowa

much loved by her six grandchildren. Within a year or two after John's death she moved into Rolfe where she died after a long illness on January 7, 1964. Submitted by Mr. and Mrs. Deane Gunderson *sent in parents home of 7-20-1965*

These were my grandparents who were married in Chicago, February 16, 1889. While first living in Alta where Lillie was born, Grandpa bought acres S.W. of Laurens for \$10 an acre. This was recorded May 8, 1889. Later they moved to the farm on which Grandpa built a house. The last west ro were added on in 1909. Eight more children were born on this farm: Godtfred, Nora, Anna, Hjalmar, Justus, Ray, Malcolm and Marie. On July 17, 1915 Grandma died from cancer of the liver. Grandpa carried on alone with help of older children as Marie was only a few months old. In 1917 he and younger children moved to Albert City. (He built that house).

In 1929 Grandpa and Hjalmar went to South Dakota and brought back evergreen seedlings which were planted on the farm.

On July 29, 1930 Grandpa married Emily Anderson of Albert City.

Carl was a member of the Laurens Lutheran Church. In 1899 he joined the Mission Covenant Church of Albert City and was church board secretary for many years. July 31, 1947 Carl John passed away.

Justus, my father, was born August 26, 1898. He went 8 years to the north corner, Swan Lake country school. He then worked on the farm. At age 3 he remembers his mother outside yelling that something was wrong. She could see a team of horses running east on the road a mile south. They were the Albert City bank robbers who had just earlier switched teams for fresh horses with A. Anderson (Ekstam) and her mother. Justus remembers swallowing a nail at the age of 11. His dad took him by train to Chicago to doctors who wanted to operate, but Carl John said "no, we're going home to talk to mother first." To this day Justus doesn't know where the nail went.

Justus and Ida Naomi Anderson were married December 22, 1920 at Albert City in his father's home. They started farming 4 miles east of Albert City (Tom Selke place) where Earl was born. Later they moved to the home place where Leona, Lowe DeWayne and Ethel were born. Submitted by DeWayne E. Gustafson
