PUBLIC PARK PROPOSITION.

At the regular meeting of the Oelwein Improvement Club Monday evening the park committee made a report through its chairman, J. H. Sayle. It recommended that a lease be obtained of the ground in the vicinity south of the city where there was a mill by a dam site. It was recommended that a dam be constructed, which would afford a 40-acre pond with a depth of from two to twelve feet, on one bank of which bathing privileges would be afforded. The report was approved, and a committee of which E. C. Bell is chairman was selected to confer with the city council, and push the matter along.

FAYETTE COUNTY DOCTORS MEET.

CHURCH NOTES.

Sermons in the church Sunday evening. The offering will be on account of foreign missions. The offerings will be received in the church. Please contribute from seven to ten cents.

RECEPTION.

A reception for the teachers of the A. C. Wilson school Friday evening. A musical program and a five course dinner were given. The decorations were beautiful and the colors of '04.

BANQUET.

A banquet was held Saturday evening at the club. The music was furnished by the pupils of the public schools. The Big Five teachers association will meet at West Union May 15 and 16th. An effort will be made to have the best meeting in the history of the association. All the teachers in this vicinity should plan to attend.

NOT ENOUGH.

Months school end with the children. If the parents are not careful, the children will be lost. It will be a serious loss to the education of the children if they do not continue their study of the sciences. The children should be encouraged to continue their education.

Fred Beucke ribboned, Germany when 18 years old in Clayton; he remained in that country, living most of Oelwein. Married to Miss children were six are now two girls. He died April 25th, laid to rest in April 28th. His remains were buried in the Oelwein cemetery.

CONFERENCE.

EDUCATIONAL.

Parents and teachers meetings at the South school and the Park Side school were held last week and the spirit of the meetings was fine. The more parents know of the teachers and schools and the more teachers know of the parents and homes, the greater will be the good accomplished.

The home of Mr. and Mrs. A. C. Wilson was thrown open for junior reception for the seniors Friday evening and the high school teachers. The juniors and seniors enjoyed the function carried out by the junior class. After an elaborate banquet, Miss Cora Scoles acting as toast mistress offered a toast to the seniors, to which Miss Jessie King responded, after which the following toasts were given: "Our President, the most popular man of the day," by Mr. Moffett; "Opportunity," by Miss Dolan; "Commencement," by Mr. Phelps; and "Our high school boy," by Mrs. Moffett.

The Big Seven teachers meeting which occurred in Charles City April 17 and 18th, was a very enjoyable affair. The meetings were held in Charles City's new high school building one of the finest in the state. All the music was furnished by the pupils of the public schools.

The Big Five teachers association will meet at West Union May 15 and 16th. An effort will be made to have the best meeting in the history of the association. All the teachers in this vicinity should plan to attend.

PIONEER PHYSICIAN PASSED AWAY.

The death of Dr. Israel Pattison occurred at his home in this city Sunday morning at 2 o'clock after a short illness of toxæmic poisoning of the nerve centers, brought on by a severe attack of la grippe.

Israel Pattison was born in the Province of Ontario October 18, 1810, and was therefore sixty-two years, six months and eight days of age at the time of his death. He was educated in the schools of the province where he was born, and in the Buffalo University of Medicine, Buffalo, N. Y., from where he volunteered in a New York regiment at the beginning of the Civil War. He continued in the Union army till the Battle of Culpepper Court House in 1864, when he received such severe injuries that he was discharged from the service.

As soon as he was able he re-entered the Buffalo University of Medicine, graduated from this institution, and again entered the army as assistant surgeon of the One Hundred Eighty-Seventh New York Volunteers. He continued in the service till the close of the war, and was mustered out July 3, 1865.

In 1870 he was united in marriage to Miss Alice Coteman who resided near his old home in the Province of Ontario. They came west and settled the same year at Otsego, formerly a town a few miles south-east of where Oelwein is located. To this union were born five children, Mary, Alice, John, Dill and Sarah. Mary is the wife of F. W. Quimbach, John and Dill are practicing physicians of this city, Alice is Mrs. Wm. Matthee, and Sarah resides at the family home.

Dr. Pattison was made postmaster at Otsego, and when the present city of Oelwein began to develop in 1873 he moved the postoffice and the building containing it to Oelwein, and became the first postmaster of this city. It will thus be seen that he is a pioneer of this section for about a third of a century, and has resided in this city for thirty years. No man in this section is better known than he, and he numbered his friends by the hundreds.

He was always a republican, and that party sent him to represent this county in the Twenty-Fifth General Assembly where he made an excellent record, serving on important committees. He was the first mayor of this city, and has served also as member of the council, member of the board of education, and health officer.

Four years ago he erected a hospital on Frederick street, and as he was the C. G. W. Railway physician at this point, it has become of use for the railway as well as the general public. His extensive medical practice was carried on in company with his sons, John and Dill. Dr. Pattison had a private library, medical and general, that is equal to any in the county. He was a scholarly man, well informed, not only in his profession, but on general topics, and the writer has passed many a pleasant hour conversing with him in his library in the Pattison Hospital.

The Doctor was affiliated with the Episcopal church, and died in the Christian faith. He was also a member of the Knights Templar, a Shriner, a member of the Elks, and other societies. The funeral will occur from St. Mary's Episcopal church this afternoon at 2 p. m., the rector of that church, Rev. F. C. Smith officiating. Interment will be in the Oelwein cemetery. The business houses of the city will be closed during the services, as a token of respect for an honored pioneer.

FUNERAL OF DR. I. PATTISON.

Despite the inclemency of the weather, rain falling all the afternoon, the attendance at the funeral services of Dr. I. Pattison last Wednesday afternoon was very large, people coming from many cities and towns in this part of the state to do honor to an honored pioneer. The services were at St. Mary's Episcopal church, and thither the remains were conveyed at 2 p. m., escorted by 70 Knights Templar, 80 Masons and 50 Elks, beside a long line of relatives and friends in carriages and on foot.

The church was soon filled to overflowing, and hundreds stood outside in the rain during the services. The Episcopal service was conducted by Rev. F. C. Smith, rector of St. Mary's, assisted by Rev. Merlin Jones, of Waterloo, and Rev. Schultz, of Independence. The services of the Knights Templar was then carried out by that order. The short address by Rev. Smith was to the effect that every man preaches his own burial discourse by his daily life. Dr. Pattison has gone in and out among this people for a third of a century, and his life is known to the people. He has held important positions, and has filled them acceptably to all. He has been a leading physician, and has given his life to healing the sick and afflicted. He has done his work well, and has gone to his reward.

The flowers sent by societies and friends were grouped about the casket, and were the most beautiful and elaborate of any seen in the city for some time. Beside the bouquets and cut flowers sent in the greatest abundance by friends in and out of the city, flowers in beautiful designs were sent by the following: Knights Templar, Consistory, Royal Arch Masons, Blue Lodge Masons, Knights of Pythias, Rathbone Sisters, Order Eastern Star, Ladies Guild of St. Mary's church, Mystic Toilers, Doctors of Fayette County, City Physicians, Buchanan County Physicians, C. L. Mills, of Kansas City, Chief Surgeon Sneve, of the Chicago Great Western, and Rev. C. G. Adams, of St. Louis. A silk flag, the gift of the city G. A. R. camp, was placed in the casket.

The remains were then placed in the funeral car, drawn by four black horses, and the march to the cemetery taken up. There the services of the Episcopal church and that of the Masons were conducted, while a large concourse stood in respectful attention, and the earthly body of Dr. Pattison was consigned to the earth, "dust to dust, earth to earth, ashes to ashes," there to await the resurrection.

MASONIC RESOLUTIONS.

RIGHT FROM HEADQUARTERS

Samuel Gompers, President of Federation of Labor Advises Acceptance of a Carnegie Library

An organizer of the American Federation of Labor recently President Gompers asking opinion as to whether or not it should accept Mr. Carnegie's offer of a free public library for the city. The following reply was received which may be of interest to the citizens of this city:

DEAR SIR AND BROTHER: In favor of the 25th has been read and contents noted.

You say that Mr. Carnegie proposes to give a grant for the establishment of a library in you and you ask my opinion whether it should be accepted or rejected.

In reply, I beg to say that it is one of entire indifference to me. Mr. Carnegie has accumulated a vast fortune. He has not been doing to labor it is very full if either he or any one else have accumulated such a vast wealth. We are not living in Altruria, however, and inasmuch as Mr. Carnegie seems bent upon making grants for libraries in several cities and towns in America and as there is perhaps no way by which he can be persuaded to vote his wealth to a purpose with better, more important, as far-reaching results in the interests of the people, I do not see why we should interfere with his going out his project.

After all is said and done, I might put his money to a worse use. Yes, accept his offer, organize the workers, secure better conditions and, particularly, shorter hours of labor, and the workers will have some leisure in which to read books.

Fraternally yours,

SAMUEL GOMPERES
 President American Federation of Labor.

RESOLUTIONS OF SYMPATHY.

Adopted by Oelwein Business Men's Association at the death of I. Pattison, M. D.

Whereas, The Great Ruler of the universe has seen fit in his infinite wisdom to remove from our midst our esteemed citizen I. Pattison.

Whereas, The friendly relations existing during a long term of years with the members of this association makes it fitting that we record our appreciation of him.

Therefore be it resolved: That the wisdom and ability which he has exercised in an official capacity as well as private citizen will ever be held in grateful remembrance by us.

Resolved: By the death of our esteemed friend the state and city has lost a good and honorable citizen—one who was ever ready to extend the hand of charity and sympathy, whose council in his profession was ever held in highest esteem by his many friends and associates.

Resolved: That we extend to the family and friends in this hour of their bereavement our deepest sympathy and remind them of the great beyond where there will be no parting.

RYBONE SISTERS BOOMING.

More sisters were initiated at Rathbone Sisters at their Thursday night. They are Misses Nettie Brown and Cornick, and Mesdames E.ingham, Charles Fox and J. The Knights were invited at 10 o'clock, and a genuine social was indulged in, and a touch of schorean was indulged in. In the hour a fine lunch was served after which the gentlemen were the ladies' talker while the ladies addressed to the hall. Five more will ride the side saddle at next meeting.

BASE BALL BRIEFS.

At ten days the base ball will open in Oelwein under the lime light, and the fans will have their fill of fast ball. Oelwein have a team that will take of no aggregation in this lawkeyedom.

The initial game will be played at Park May 17th. Waterloo will be the opposing team, and it is known that Waterloo has a high aggregation. The game will draw a large crowd of ball fans.

The Oelwein-Waterloo game of the 17th, other games during the month are as follows: 19th at Waterloo; 21st and 22nd on home grounds with Waterloo; 24th at Waterloo; 28th and 29th at Webster City on home grounds; 30th and 31st at Fort Dodge; June 1st and 2nd at Webster City; June 7th on home grounds.

Oelwein line up for the first game will be as follows: 1st; Denzer p; Dwyer lb; 2d; Abbott ss; Anderson lf; Lally cf; Hart rf. Oelwein High School nine defeated by a score of 5 to 4 by the Union high school team. It was a close game and the fact that our boys defeated 21 to 9 the week previous, look as though Oelwein is "the best in the high diamond."

RESOLUTIONS OF PHYSICIANS.

In the midst of life we are in our most beloved brother, Dr. Israel Pattison, with us no more. By his death, the medical profession lost one of its most faithful and wise members and the community and. He is By us, the members of the Fayette Medical Society, that by his death we have lost a most able member and worker, and be it further That in this our common loss, sincere sympathy be extended to his kind and friends.

MASONIC RESOLUTIONS.

Whereas, In the providence of the Allwise and Beneficent Ruler of the universe, it has seemed fitting to call to his Heavenly home, Dr. Israel Pattison, a loving husband and father and true brother, from the vicissitudes of this life to the realities of the next, to join in the brotherhood of those who dwell in the mansions not made by hands, prepared for him in that beautiful land of rest. Therefore be it

Resolved, That we, the Masonic fraternity, while we deeply lament, we bow in humble submission to the will of the Great Father, believing and knowing that He doeth all things well and that the influence of the dead lives to light the pathway and make the lives of all who mourn purer and holier.

Resolved, That we, as a society, tender our heartfelt sympathies to the wife and family thus bereaved, in whose affliction we deeply share and commend them to the guidance of Him who leads the faithful and true.

Resolved, That the secretary be instructed to send a copy of these resolutions to the bereaved family, to record them in the records of Hebron Lodge, No. 394, and to furnish copies for publication in the city papers.

B. P. O. E. RESOLUTIONS.

Whereas. The Exalted Ruler of the Universe has removed from our midst our esteemed brother, Israel Pattison, called to the Elysian home above, reserved for true and worth Elks, we deem it proper for the fraternity to place upon record an expression of our sorrow and sympathy for the afflicted family of the deceased. Therefore be it

Resolved, That we the members of Oelwein Lodge, No. 741, B. P. O. Elks, while we deeply regret the sundering of the pleasant ties of brotherhood, still recall with pleasure the noble life led by Brother Pattison, and the many kind acts among the sick and afflicted in his long career as a physician in this county. His good deeds we write upon the tablets of our memory.

Resolved, That we extend to the bereaved family sincere condolence, and point them to the beauty of his life, which was known and read of all our citizens, as an evidence that death was but a vestibule to a nobler life in that city where there is no more night, but which shines with the brightness of the sun.

Resolved, That the secretary be instructed to send a copy of these resolutions to the bereaved family, to enroll them in the records of Oelwein lodge, No. 741, and to have them published in the city papers.

firm for fair dealing and as a result have acquired a liberal patronage and secured the unbounded confidence of their patrons, creditors and employes. They handle large quantities of wood and other products of the farm, thus enabling many poor persons in the Turkey Valley to secure a market for their products. They, in turn, usually sell to a market near at hand, but have also shipped considerable quantities of wood and hardwood lumber to foreign markets. They now have in view the establishment of a cold storage warehouse in West Union, where they will purchase eggs and butter, storing them until there is a greater demand. In the two stores there was handled annually from \$35,000 to \$40,000 worth of goods but within the past few months they have disposed of the Hawk-eye establishment.

In the social world both William and Jennie McCleery are held in high regard, and their friends throughout the community are many. He is a member of Relief Lodge, No. 138, I. O. O. F., and she has served as church organist for several years and been Superintendent of the Sunday-school of the Christian Church to which she belongs.

ISRAEL PATTISON, M. D., the pioneer physician and surgeon of Oelwein, has for many years been a leading resident of this county, and his sketch will be received with interest by many of our readers. The record of his life is as follows: He was born in Welland County, in the Province of Ontario, Canada, October 18, 1842, and is a son of S. N. and Mary A. (Strohm) Pattison. His father was born near York, N. Y., in 1821, and died April 15, 1874. The family is of Irish descent many generations remote. Five brothers of the name of Pattison, born in the Emerald Isle emigrated to America long prior to the War of Independence. From the old stock who settled in Albany, N. Y., our subject is descended. Dr. Pattison's father removed to Canada in early life and was there married. His wife was born in the Mohawk Valley of Pennsylvania, and was descended from one of the original Holland families

who settled that region. An ancient Episcopal prayer book printed in the Mohawk Indian tongue and containing prayers for his majesty, George III. and the royal family, is an interesting relic which comes down to the Doctor from his maternal ancestry and is now in his possession. The parents of our subject continued to reside in Canada, where they were highly respected until their lives ended.

After a preparatory course at the grammar schools Dr. Pattison became a student in the University of Toronto. The breaking out of the Civil War in the United States led the young man who was heartily in sympathy with the North, to enlist at the first call for troops by President Lincoln for three months' service. He was enrolled as a member of Company H, One Hundred and Fifth New York Infantry and marched to the front where he participated in the first battle of Bull Run. Subsequently he took part in the battles of Fort Royal, Port Republic, Cumberland Gap and Culpeper Court House. During the last named battle he received a gunshot wound in his left arm and hand that necessitated his discharge from the service for physical disability. He then re-entered the University of Toronto and was graduated in the spring of 1864. Once more he entered the service, re-enlisting as a member of the One Hundred and Eighty-seventh New York Infantry, and was at once detailed as brigade hospital steward in charge of what was known as the Flying Hospital, which was kept constantly at the front and which was auxiliary to, but separate from the field hospital. In discharge of this duty he was present at the first and second battles of Hatchies Run, participated in the battles of Stony Point and Five Forks, and was with Sheridan in front of Lee at Appomattox Court House when that General surrendered. Thus our subject participated in the first great battle of the war and was present at the surrender of the main Confederate army that terminated the great struggle. He was mustered out July 3, 1865.

When the war was over Dr. Pattison returned to the North and entered the University of Buffalo, N. Y., graduating from the medical department in February, 1867. He at once began practice in his native county and there, on the 1st of June, 1870, was joined in wedlock with Miss Alice Coleman,

daughter of Dilly and Sarah (Sproll) Coleman. The lady was born in Fort Robinson, Canada, December 25, 1848. The same day of their marriage the Doctor and his bride started for Lincoln, Neb., but on stopping at Otsego, Fayette County, Iowa, over night were induced to locate there, and the Doctor built up a successful practice which extended over a large area. During the following autumn he was appointed Postmaster of Otsego and when the Burlington, Cedar Rapids & Northern Railroad was extended to what is now Oelwein, then a wild expanse of prairie, Dr. Pattison petitioned for a removal of the office to that place and even removed it there in advance of the issuance of the order for so doing. The date of the removal was January, 1872. About a year later the Doctor found that his rapidly extending practice prevented him from performing the duty of Postmaster especially, and the booming young town of Oelwein made the office of much more importance than it had been while at Otsego.

In politics Dr. Pattison is a Republican. He cast his first vote in a Presidential election for Abraham Lincoln, and has since voted for every Republican candidate for the Presidency, including the present executive, Benjamin Harrison. When Oelwein was incorporated, he was elected its first Mayor and held the office two terms. He is the present Coroner of Fayette County; he has been prominently identified with the State Militia for seven years, was commissioned Second and First Lieutenant and Captain of Company F, Fourth Iowa National Guards, and was Assistant Surgeon of the Fourth Regiment. He has been local Surgeon for the Burlington, Cedar Rapids & Northern Railroad Company and for the Chicago, St. Paul & Kansas City Railroad Company since their lines were extended to this place. The Doctor is a member of the Iowa State Medical Association and has long enjoyed a large and lucrative practice. While his practice is general, he is especially prominent as a surgeon and in both branches has been eminently successful. He is a Royal Arch Mason, belonging to Hebron Lodge, No. 374, A. F. & A. M., Independence Chapter, R. A. M., also a member of Oelwein Chapter, Eastern Star, No. 45; Oelwein Lodge, No. 294, I. O. O. F., Griffith Post, No. 134,

G. A. R.; Crescent Lodge, K. P., of Independence; and Columbia Lodge, No. 83, A. O. U. W. The Doctor's wife and two elder daughters are members of Oelwein Chapter, No. 45, Eastern Star, and the parents are members of the Episcopal Church.

The family numbers five children, two sons and three daughters. Mary and Alice Coleman are at home; John F. is a naval apprentice; Dilly N. and Sarah L. are students. All were born in Fayette County.

CHARLES M. GAGER, an honored veteran of the late war, engaged in farming and stock-raising on section 10, Bethel Township, was born in Barker Township, Broome County, N. Y., April 14, 1843, and is a son of Ambrose and Amanda (Thurston) Gager, both of whom are descended from early families of English origin that were founded in America before the Revolution. The early life of our subject passed uneventfully until when nineteen years of age he responded to the country's call for troops, enlisting November 18, 1861, in Company K, First Regiment of United States Mechanic Fusileers. This organization was composed of one company from a number of different States. Charles enlisted as a mechanical engineer and was assigned to duty at Camp Douglas where the troops spent three months in drilling and preparatory work. Owing to some dispute and dissatisfaction in regard to wages, some companies having been enlisted for \$40 per month while others were promised only the usual soldier's pay, this organization was disbanded, Mr. Gager receiving his discharge February 1, 1862. Two weeks later he re-enlisted, becoming a member of Battery L, Second Regiment, Illinois Light Artillery. This regiment took part in many hard-fought battles and endured many privations and much exposure. It was assigned to duty at St. Louis and thence sent by boat to Pittsburg Landing, arriving just after the battle at that place. The battery was armed with the James rifle cannon. These were worn out at the siege of Vicksburg and were replaced by the Rodman rifle.

State of Iowa. He is a Mason and Knight Templar, and a member of the Knights of Pythias and the Modern Woodmen of America.

On October 12, 1877, he was married to Nettie E. Reese of Pleasant Grove, Minnesota. They have had three children, only one of whom is now living, Earl Clair, born September 19, 1885. The Doctor has always been identified with the republican party and is a member of the First Baptist church of Sioux City.

RICE, HENRY SEBASTIAN, of Renwick, was born near Kissingen in the Kingdom of Bavaria, Germany, July 15, 1842. He came with his parents to the United States in 1847 and located near Rochester, New York. There he remained until the breaking out of the civil war, when he became one of the Union's defenders. He enlisted as a private in Company G, One Hundred and Eighth New York Volunteer Infantry, on July 15, 1862, and served in the Army of the Potomac, Second Corps, to the close of the war. His military record is a glorious one. Not an engagement of any importance did he miss from Antietam until Lee surrendered. He was wounded at Bristol Station, at Gettysburg and again during the terrible struggle in the Wilderness. He was honorably discharged June 1, 1865, with the rank of Orderly Sergeant. In 1867 he came to Iowa and engaged in the nursery business at Clinton, where he remained for two years, then removed to Grundy county and located on a farm. Still hoping to better his condition, he again moved in 1883, this time to Humboldt county, where he embarked in the grain and live stock business. This was continued until 1892, when he disposed of the grain business and started a lumber yard, which he has successfully operated ever since. His talents for business have frequently been called into use by his fellow citizens, and as an especial mark of esteem he was made the first mayor of Renwick. Although not a man of college education, he is a practical, common sense business man and useful citizen, a figure of energy and character, and during the whole of his active life has at-

tracted attention because of his distinct personality and broad information. Mr. Rice has always been a republican and active and influential in county politics. He is a charter member of C. H. Packard Post, G. A. R., and also a charter member of Renwick Lodge, No. 484, I. O. O. F., of which he is a past grand. In financial circles he is quite prominent, being the vice-president of the State Bank of Renwick. He was married to Miss Celia Howland in Whiteside county, Illinois, in 1870. They have three sons and five daughters, all living.

PATTISON, DR. ISRAEL, of Oelwein, is a native of New Canada, born in 1840. In June, 1870, he was married to Miss Alice Coleman. She was born in New Canada in 1849. They have four children: Mary, born July 7, 1871; Alice C., born October 10, 1872; John J., born June 3, 1874; Dilly, born January 16, 1876. The Doctor is a pioneer of Fayette county, coming to this section in 1870, when the county was but thinly settled, and the people very poor, and the country in general not yet recovered from the effects of the war. He had been through the

civil war, serving about five years, was wounded and badly disabled and deprived of an opportunity to procure an education at a time in life when it was hard to repair the loss. He was over twenty-five years old when he left the service. His first location in Fayette county was at Otsego. There he began the practice of his profession and was made postmaster. In 1873 he moved the office to the present site, Oelwein, then a mere settlement. He has continued his practice at this place ever since, and it has grown to be extensive and lucrative.

Dr. Pattison is a graduate of the Buffalo University of Medicine at Buffalo, New York, and has been actively engaged in practice for thirty-five years. He left the medical school at the breaking out of the rebellion and entered the volunteers. He was wounded and badly disabled at Culpepper Court House in 1864, and so severe was the injury that he was soon thereafter discharged. While his wounds were yet but partially healed, he re-entered college and graduated in medicine, and re-entered the service, this time as assistant surgeon in the One Hundred and Eighty-seventh New York Volunteers. He was thereafter attached to the flying hospital and continued in service until the close of the war, being mustered out on July 3, 1865. He was elected to the Iowa Legislature in 1893 to serve in the lower house in the Twenty-fifth General Assembly, where he rendered good and valuable service. He and his wife affiliate with the Episcopal church. Dr. Pattison is fair in politics, as in everything, is liberal in religion, and while a member of the republican party, he is highly esteemed by democrats for his fairness.

WOODBRIDGE, DR. WARD, of Central City, was born in McDonough county, Illinois, December 23, 1848. He came of notable ancestry on his father's side, which can be traced back to Rev. John Woodbridge, who was born in Wiltshire, England, in 1492. His grandson, Rev. John Woodbridge, was born in Stanton, Wiltshire, England in 1614. He came to America in 1634 in the ship William and Mary and settled in

Newberry, Massachusetts, where he died in 1691. He assisted in forming and founding the town of Andover and was the first minister of that place. He was the progenitor of all the American Woodbridges and noted for his piety and learning, possessing all the qualities of a good citizen, friend and counselor, which sterling qualities are duplicated in the subject of this sketch. Dr. Woodbridge's father, Edward Woodbridge, was a native of Hartford, Connecticut, and a student of Yale College. He came to Illinois in 1829, removing to Iowa in 1866, and died in Cedar Rapids in 1884. He was a farmer.

a Whig, a "black abolitionist," a republican and an honored citizen of his town. Dr. Woodbridge's mother, whose maiden name was Nancy A. Haggerty, was born in Kentucky in 1810 and died in Cedar Rapids in 1876. She was of Irish lineage.

Dr. Woodbridge earned his first money by chopping cord wood when thirteen years of age and dropping corn on a planter. His education was common school and academic until he entered Rush Medical College, from which he was graduated in 1881. He began the practice of his profession in Waubeek, Iowa, pursuing it successfully there for ten years, when he removed to Central City
