ELECTING THE OFFICERS

January is a time when many organizations hold annual meetings, and elect their officers for the coming year. As a rule the officers of organizations are called upon to do much real work and take some kicks, without any pay. But they have the satisfaction of serving the public and they make warm friends by willingness to give time and effort.

There are some folks who balk the moment it is proposed to put them into office in any organization. The mere thought of carrying responsibility seems impossible to them. Yet people who in spite of their reluctance take hold and do public work, find it comes easier than they think.

They may believe they have no spare minutes. Yet, the more they find they can get it in somehow, odds and ends of time previously wasted un-

der the family gathering in Iowa City on Council Bluffs the afternoon of the same day.

The funeral services of Mrs. Wilhelmine Bahr of Arcadia were held last Monday afternoon, January 20 in the St. John Evangelical church at West Side. Rev. Thomas of this city preached the sad rite. Interment was made in the family lot in West Side cemetery.

OBITUARY OF AUG. SCHULTZ
Interment Took Place Wednesday
Last at Hanover

This community was shocked be-
 yond measure early Monday morning
 when the announcement was made
 that August Schultz, Sr., had crossed
 the great river at his home here at
 2:20 that morning after an illness of
 only a short duration, his death re-
 sulting from heart failure. The sad
 news spread like wild fire, and it was a
 shock that touched the hearts of all,
 for none had dreamed that his end
 was so near.

Mr. Schultz had been in the best of
 health, and on Sunday morning went
 to church as usual. In the evening he
 went to the home of his nephew, Al-
 bert Schultz, to spend the evening
 with them. He was feeling fine, and
 was enjoying himself immensely with
 the family until about 9 o'clock when
 he complained of not feeling well, and
 was about to start for home, but be-
 fore he had gotten away from the
 house he became so weak that he
 could not walk, and his nephew and
 Albert Stegemann carried him home.
 Medical aid was at once summoned,
 and he again rallied, but about 2
 o'clock his condition became suddenly
 worse, and a few moments later his
 spirit took its flight. Several of his
 children who had been summoned af-
 ter the first stroke, were at his bed-
 side when the end came, and he pass-
 ed peacefully away without pain.

August Schultz was born in Zamkof
 Preussen, Germany, in the year 1845.
 At the age of 8 years he came to this
 country and made his home in Chica-
 go until 1874. While in Chicago he
 conducted a large furniture factory,
 but this was destroyed by the big fire
 of 1871. Nothing undaunted, however,
 he rebuilt the factory, but a few years
 later this was also destroyed by fire.
 He then came west and in 1874, arriv-
 ed in Hanover township, where he
 took up farming, and where he made
 his home until 1906, when he moved
 to Schleswig to make his permanent
 home.

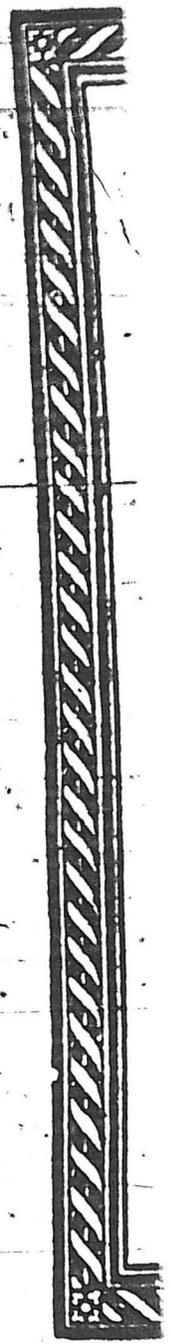

He was united in marriage at Chi-
 cago in 1867 to Miss Hattie Fink, and
 to this union 14 children were born,
 12 of whom are still living, two hav-
 ing preceded the father to the great
 beyond. His wife died July 20, 1913.

Mr. Schultz was one of the very
 early pioneers of this county, having
 come here when it was but a wilder-
 ness, and he witnessed its remarka-
 ble growth to a community of life,
 beauty and prosperity. It was his
 ambition to always build up and never
 tear down, and to his great fore-
 thought, energy and ability, can be
 laid the many big improvements that
 were wrought under his guiding hand.

mourn the loss of the father, and a
 kind and good father he was too, for
 he never lost an opportunity to pro-
 vide for their comfort and happiness,
 will greatly miss his smiling face, his
 cheerful disposition and words of
 advice and counsel. The children are
 Herman P. Schultz, Hanover; Mrs.
 Emma Rasch, Fort Dodge; Mrs. Ida
 Ebert, Hanover; Dr. W. H. Schultz,
 Schleswig; Carl Schultz, Hanover;
 Louis Schultz, Morgan; Mrs. Geo.
 Hargens, Morgan; Aug. E. Schultz,
 Schleswig; Mrs. Minnie Martins, Man-
 ning and Ernst Schultz, Soldier. One
 child died in infancy, and Fred of
 Morgan having died two years ago.
 He is also survived by one sister, Mrs.
 Henry Witt of Chicago, 65 grand-
 children and 21 great grand children.

The funeral was held yesterday aft-
 ernoon from Immanuel church and
 from there the body was taken to
 the Hanover church where services
 were also held, and the remains laid
 to rest beside those of his wife in
 Hanover township cemetery. The ser-
 vices at Immanuel church were con-
 ducted by Rev. Ed Firnhaber and at
 Hanover church by Rev. Runge. All
 places of business in town were clos-
 ed during the funeral hours in order
 that all might have an opportunity of
 paying their last respects to this good
 citizen and friend. It was the largest
 funeral that has been held here for
 many years, and the casket was com-
 pletely hidden with beautiful flowers,
 showing the high esteem and respect
 in which he was held by all.

It is with regret and sorrow that we
 chronicle the death of this good man,
 but life is ever thus, today we are
 here enjoying health and happiness,
 tomorrow we are gone and only sad-
 ness remains, but the good works and
 deeds of August Schultz will linger
 long in the memory of those who en-
 joyed the pleasure of his acquaint-
 ance. May he rest in peace.—Schles-
 wig Leader.

Mr. Schultz was one of the very early pioneers of this county, having come here when it was but a wilderness and he witnessed its remarkable growth to a community of life, beauty and prosperity. It was his ambition to always build up and never tear down, and to his great fore- thought, energy and ability, can be laid the many big improvements that were wrought under his guiding hand.

A carpenter and builder by trade, to his skill can be laid the construction of the many beautiful churches, homes, buildings and the many substantial bridges in the entire county. He also helped Morris McHenry survey the greater part of the county, to locate the best places for bridges, afterwards putting the structures across these streams himself. Many of these bridges are still standing as a splendid mark of his ability and genius.

Mr. Schultz was a man of big ideas, always striving to do things that were for the best interests of his community and to his friends, and he was honored time and time again by being elected to fill the most responsible positions not only at home but in the state. He was a member of the 24th and 25th general assemblies, being elected representative from this county. He was also a member of the board of supervisors for several terms and served in both positions with honor to himself and to his constituents. In the early days of Schleswig he served several terms as mayor. He was one of the charter members of the Hanover township church with which he was affiliated until his removal to town, when he transferred his membership to Immanuel Lutheran church. He was also one of the organizers of the Crawford and Ida County German Insurance Association, and was its president for 27 years. In the early days he acted as administrator of estates for the county and it was through his care and diligence that many of these affairs of the early settlers were settled up to the entire satisfaction of all. His was a life that was full of interest and ambition, and he performed every duty with cheerfulness, dignity and ability. In the passing away of this highly honored and esteemed citizen and pioneer, Schleswig and Crawford county loses another one of its truly great and good men, and the whole county will mourn his loss. The children who are thus left to

ness remains, but the good works and deeds of August Schultz will linger long in the memory of those who enjoyed the pleasure of his acquaintance. May he rest in peace.—Schleswig Leader.

SCHROEDER, LOUIS FAMILY

F540

Louis Jochim Schroeder, son of Jochim and Christine Hansen Schroeder, was born July 31, 1871, at Center Township, Clinton County, Iowa. He came with his parents to Crawford County, northwest of Aspinwall, and stayed continuously around Aspinwall to farm.

He married Mary Lemster, daughter of Johann and Catherine Lemster, February 24, 1893. Mary was born in Rimmels, Schleswig Holstein, Germany, and came to this country with her parents at the age of two years.

Louis and Mary were the parents of six children: Margareta (deceased); William J. (deceased); Harry L. Schroeder; Amanda M. Clausen; Emma C. Schilling (deceased); and Florence M. Thomssen, all of Aspinwall.

Louis and Mary farmed the first years of married life. In 1906 he bought the combined Aspinwall Opera House and tavern. In 1918, Louis sold the Opera House to William Jenson, Sr. and opened a hardware store in a room of his home.

In 1910 Louis was appointed secretary of the Aspinwall Independent School, an office he held for 35 years. In 1914, when the town of Aspinwall became incorporated, he became the first Mayor. He held that office for five years.

Louis did carpenter work around the town of Aspinwall for many years. In 1939 he was made manager of the Aspinwall Lumber Yard and held that position for nine years. He retired in 1948 at the age of 77.

Louis and Mary were married for 57 years when Mary passed away on August 17, 1950. Louis lived alone for awhile until failing health caused him to move in with his daughter, Amanda Clausen. Louis passed away August 21, 1963 at the age of 92.

SCHULTZ, ALBERT G.

F541

Albert G. Schultz

Albert G. Schultz was born in Morgan township to Herman and Emma Thomas Schultz. Albert's brothers were Walter H., who married Myrtle Taylor; Bernard, who married Flora; Goerge, who married Dorothy Ernie; Martin who married Emma Schwartz; and two brothers that were both named Robert. His sisters were Bertha who married Chris Meyer; Clara who married Albert Stegemann; Martha who married Henry Carro; Edna who married Albert Meyer; Alvina who married Frank Weiss; Julia who married Hugh Rix; and Hattie who married Robert Lueck. Albert's father, Herman Schultz, came to the United States at the age of five with his parents and located in Chicago.

Herman and brother, August, owned and operated a furniture factory in Chicago and, after two separate fires which burned down their factory twice, they decided to move further west. They came to Crawford County in 1872. They located on a farm in Morgan Township and lived there until retirement when they came to Schleswig to live. Albert was born on this farm April 15, 1876. He attended the German Church School in Hanover Township, taught by Rev. Charles Runge, pastor of St. Paul's Lutheran Church.

His first wife was Elizabeth Schelm and after her death he was married to Katherine Grabau on December 28, 1910 by Rev. Erbe in Boone, Iowa. They had five children, Walter, LeNore, Clarence, Leonhardt and Celeste. Walter married Elaine Henningsen; Clarence's wife's name was Mamie; Leonhardt married Helen (Holly) Moffitt; and Celeste married Ed Micek. Celeste and Ed Micek had two sons, Edward John, whose

wife's name is Patricia, and Michael, whose wife's name is Diane. Edward John and wife have four children, Edward John III, Steven, Elizabeth Ann, and Amanda Jean. Michael and wife have a son, Eric.

In the early years of his married life, A.G. was a contractor in and around Schleswig, and spent time in Denison, Charter Oak and Ute. He remembered well when Charter Oak was laid out as a town site and lots were made available for dwellings to be erected on them.

In 1899, he drove the first nail for the first building in Schleswig, the Boock Implement Shop. The site was a forty-acre field of corn stalks, and is now where Brockman's Produce is located. Mr. Schultz liked to recall his first Schleswig project. He said that it required some pretty fast work. "There were several others on the lumber wagon, so I jumped off," he said; "I grabbed two two-by-fours and nailed them together in the middle of the spot where we were going to put the building.

It was not until August, 1909, that Mr. Schultz went into business for himself and purchased the hardware store from Christian Kruse. Mr. Schultz had a favorite incident to tell about how he got into the hardware business. He had erected a building for Mr. Schroeder in back of the Kruse Hardware store. Mr. Kruse asked A.G. if he was angry at him since A.G. had not bought any of the nails and tin from him. Mr. Schultz told Mr. Kruse that Schroeder had bought all the materials from the lumber yard. Then Mr. Kruse said that if the lumber yard was going into the hardware business, he was going to sell out. This took place at 5 p.m. on August 8, 1909. At 7 a.m. the next morning, A.G. was in the hardware business and, in 1912, he purchased the building in which it located, owning it till 1969 when the business was sold.

For a long time Mr. Schultz had the only plumbing shop; so, as sewer and water lines were laid in town, they connected the homes and businesses to these new and modern conveniences. Leonhardt started working for his father in June, 1930 and continued to work with him until 1966 when A.G. died. Len continued operating the business for the heirs until 1969. At that time Len purchased the plumbing and heating business, continuing until 1974.

During the time the business was operating, there were many changes; lamps to electric lights, from individual wells to a town water system, from wood and coal heating and cooking to modern fuel. There were horse shoes, horse collars, woven wire and nails purchased by the carload lots and brought in by railroads, the reason being salesmen did not come through the towns but several times a year.

SCHULTZ, AUGUST, JR.

F542

August Schultz was born in Zamkof Pruesen, Germany in 1845. At the age of eight he came to this country and made his home in Chicago until 1874. His large furniture factory in Chicago was destroyed by the great fire in 1871. He rebuilt the factory but it, too,

was destroyed by fire. He then came west with his young family, arriving in Hanover Township in 1874, where he took up farming. He built a house (now 24 Cedar Street) in Schleswig and moved there in 1906.

He was united in marriage to Miss Hattie Fink in 1867 in Chicago. To this union, fourteen children were born, one died in infancy. The others were Emma, who married August Raasch; Ida, who married Ed Ebert; Herman, who married Bertha Huebner; Otto, who married Emma Huebner; Fred, who married Louise Nemitz; Dr. Walter, who married Lillie Hollander; Carl, who married Anna Nemitz; Louis, who married Mary Huebner; Mathilda, who married William Nemitz and a couple years after his death, married George C. Hargens; August, Jr. (Jimmie), who married Alice Miner; Adelheid, who married Hugo Wiegand; Minnie, who married William Martens; and Ernest, who married Martha Rodewaldt. Brothers, Herman, Otto, and Louis, married sisters, Bertha, Emma and Mary Huebner. Brothers, Fred and Carl, married sisters, Louise and Anna Nemitz.

August Schultz, Sr. was one of the very early pioneers of this county. Having come here when it was but a wilderness, he witnessed its remarkable growth to a community of life, beauty and prosperity. It was his ambition to always build up and never tear down. To his great forethought, energy, and ability can be laid the many improvements made under his guiding hand. In the early days he acted as administrator of estates for the county and it was through his care and diligence that many of the affairs of the early settlers were settled to the entire satisfaction of all. His was a life that was full of interest and ambition, and he performed every duty with cheerfulness, dignity, and ability.

August Schultz was a man of big ideas, always striving to do things that were for the best interests of his community and his friends. He was honored time and time again

by being elected to fill the most responsible positions not only at home but in the state. He was a member of the 24th and 25th general assemblies, being elected representative from this county. He was also a member of the Board of Supervisors for several terms and also served in both positions with honor to himself and to his constituents. In the early days of Schleswig he served several terms as mayor. He was one of the charter members of St. Pauls Lutheran Church in Hanover Township.

Later he moved to Schleswig and built the Immanuel Lutheran Church completed in 1913. It was dedicated just a week before the death of his wife, Hattie, and hers was the first funeral service to be held in the new church. He built St. Paul's after the pattern of a church in Germany. He was also one of the organizers of the Crawford and Ida County German Insurance Association, and was its president for twenty-seven years.

One of their sons, Dr. Walter Schultz, served Schleswig by practicing medicine more than fifty years in the community.

Today, in 1985, a count of direct descendants totaled more than eight hundred.

SCHULTZ, AUGUST, WALTER AND IRVIN

F543

August Schultz, born in 1842 in Germany settled in eastern Iowa in Cedar County and later moved to western Iowa, making their home two miles west and one fourth mile north of Kiron. He was one of nine children: August, Minnie, Augusta, Bertha, Henrietta, Ernestine, Carl, William, and Fred. August married Charlotte Bugge and is the grandfather of Irvin Schultz. August died in 1919

Walter and Emma Schultz taken on their golden wedding anniversary in 1967.

and his wife Charlotte in 1918.

Walter Schultz, son of August and Charlotte (Bugge) Schultz, was born in 1893 and was one of 12 children, the first two dying in infancy. They were Louise, Herminine, Herman, Lena, Alvina, Ida, Fred, Henry, Walter, Albert, John, and William. As a young boy, he worked as a hired man for his father and others. He attended the Lutheran School in Stockholm Township and in 1917 married Emma Johannsen of Denison.

August, father of Walter, bought a farm one mile west and one half mile north of the homeplace from the Hans Jahde estate in 1915. Walter and Emma moved onto this farm when they married. To this union eight children were born: Alice, Mrs. Fred Schramm; Erma, Mrs. Bielenberg; Velma, Mrs. Gayle Siebrecht, Irvin; Dorothy, deceased; Ruby, Mrs. Clarence Friedrichsen; Frederick; and Verna, Mrs. Mervin Petersen.

Many hardships were encountered during their farm life — the depression of the 1930s, drought, low prices, and above all, sickness. In 1934, an outbreak of scarlet fever and diphtheria hit the family with Dorothy passing away at the age of eight years. Being quarantined for a long length of time, food was brought to the farm, nothing could be sold, and doctors and nurses came to the home to care for the sick. Irvin recalls hiding all day in the field so he wouldn't get any shots, but the nurse still caught him when he got hungry and came home.

All the meat was butchered, canned, smoked, and preserved in many ways. Chickens, ducks, and geese were hatched and raised. There was always a big garden, along with a lot of canning. They raised hogs, cattle, and milked cows. How everyone remembers all the chores! The corn was picked by hand, and there was oats grown, threshing and haymaking.

All the children attended rural school. Irvin continued working with his father, Walter. They purchased another 160 acres east of the farm, known as the Friedrichsen estate in 1947. After Irvin married in 1948, he and his wife moved to this farm. Later it was sold to Melvin Baker when Walter and Emma retired in 1956. Irvin then moved onto the homeplace.

settled in Van Buren county, Iowa, in the vicinity of Douds, where he made his home continuously until a few years ago, when he went to California to make his home with his daughter and her husband.

Captain Elerick enlisted July 17, 1861, in Company A, 59th Illinois Vol. Infantry, and was promoted captain of his company in December, 1862. He participated in the battles of Pea Ridge, Siege of Corinth, Stone River, Perryville, Liberty Gap, Chickamauga, Lookout Mountain, Mission Ridge, Rocky Ford, Rasaca, Burnt Hickory, Kenesaw Mountain, Rough Station, Jonesborough, Siege of Atlanta, Franklin and Nashville. He was honorably discharged December 25, 1865, having served his country 4 years, 5 months and 8 days.

He was a member of the House of Representatives from Van Buren county in the Nineteenth General Assembly and Senator from Van Buren Jefferson District in the Thirtieth, Thirty-first and Thirty-second General Assemblies, and served at the extra session of the Thirty-second. He was also sheriff of Van Buren county for two terms.

Captain Elerick, as he was familiarly called by all who knew him, was honored and respected for his candor, his honesty and his sincerity, and these elements of his character were conceded and recognized even by his bitterest political opponents.

Therefore, Be It Resolved, That in the death of James Elerick the state has lost one of its most loyal citizens and that the House recognizes the high character of his services to the state and takes this occasion to express its appreciation of his character and public services and to extend to his family its sincere sympathy in their bereavement.

Be It Further Resolved, That a copy of these resolutions be spread upon the Journal of this House and that the Chief Clerk transmit a copy to the family of the deceased.

Adopted April 12, 1923.

HON. AUGUST SCHULTZ

MR. SPEAKER—Your committee appointed to prepare a memorial to fittingly commemorate the life and public service of the Hon. August Schultz, a former member, of the General Assembly of Iowa, beg leave to submit the following:

August Schultz was a native of the Kingdom of Prussia, where he was born as the eldest son of peasant parents, on August 1st, 1845. In 1852 the family came to America and lived for a number of years in Chicago, Illinois. The father died while Mr. Schultz was yet a young boy and his mother later contracted a second marriage with Frederick Gruber. During the Civil war the step-father served in the volunteer ranks of the Union army, and it thus fell to the lot of the youth and his mother to provide for the family which included two other brothers and two sisters. In 1874 Mr. Schultz and his young wife, in company with a number of other families, relatives and friends, removed to Crawford county to found homes on the rolling prairies of western Iowa.

Here they reared a large family of sons and daughters who are members of well known and respected families of their respective communities. In the course of time Mr. Schultz acquired ownership to a considerable acreage of farm land and as the sons grew to manhood these farms were gradually occupied by them as homes for their families. Mr. Schultz and his good wife now retired from active farm work and took up their abode in a new home in the town of Schleswig. It was here that death suddenly, almost without warning, called Mr. Schultz from the scenes of earth on the night of January 9th, 1922. His wife had preceded him to the great beyond some years before.

During his life time Mr. Schultz was closely identified with many of the public affairs of Crawford county and the state. As contractors, he and his brother Herman, were county bridge builders for many years, and as such constructed the first steel bridge built by the county. This structure is still in use on one of the main thoroughfares of the state, primary road No. 34, known as the Sioux City Cut-off. He was for nine years a member of the board of county supervisors, and served as mayor of Schleswig for a term of seven years. At the time of his death he was president of the Mutual Insurance Association of German Farmers of Crawford and Ida counties, having been annually re-elected to that office for upward of forty years. He represented Crawford county during the Twenty-fourth and Twenty-fifth sessions of the General Assembly of Iowa, and was a useful and valued member.

Like all German immigrant citizens who came to America just preceding the Civil war, he affiliated with the then young Republican party, but later identified himself with the Democrats, and it was as a candidate of the latter party that he was elected representative.

He was a man of rare good sense, with sound judgment, business capacity and managing ability. He was a member of the Lutheran congregation in Hanover township and was prominent in Lutheran church circles, and gave liberally of his time and means to the support of the church. At the time of his death he had just completed the erection of a new building to house the parochial school of the Lutheran Evangelical congregation at Schleswig. He had planned to complete the installation of some shelving in the basement of the school building on the morrow, but near midnight the messenger on the pale horse called him and this task was thus left unfinished. It seems a most fitting close for a life that had been crowded so full of activity, work and useful toil as that of our departed brother; and so now therefore

Be It Resolved, That the House of Representatives of the General Assembly of the State of Iowa, take this occasion to present this tribute to his memory and express our appreciation of his worth and character, and his public services

Be It Further Resolved, That a copy of these resolutions be spread upon the Journal of the House and that the Chief Clerk be instructed to forward an engrossed copy of the same to the family of the deceased.

THEO. C. BLUME,
HENRY FRAHM,
JOHN H. AIKEN,

Committee.
