WANTS CUSTOMERS.—While in  
towa yesterday I. O. Bliss, of Iowa  
Falls, contracted for three columns of  
space in the MONITOR, which he will  
next week use in calling attention to  
his immense stock of fall and winter  
goods. He informed us that he has on  
hand a larger and better selected stock  
than ever before and proposes mak-  
ing it an object to the people of this  
section to trade with him.

A. S. CHAPMAN DEAD.—Just as we  
go to press we learn through Dr. G. A.  
Marietta that A. S. Chapman died at  
his home in Wall Lake township at  
two o'clock this morning from an at-  
tack of remittent fever and ulceration  
of the bowels. He was taken sick  
about ten days ago but was not con-  
sidered dangerously ill until Saturday  
last. The funeral services will take  
place at his late residence Friday fore-  
noon at 10 o'clock.

CONTRADICTORY.—It will be borne  
in mind that the letter of C. F. Peter-  
son published in the MONITOR of Sept.  
25th gave what he was pleased to  
term the official vote of this county at  
the primary held to decide who  
should have the senatorial delegates  
from this county. In that table he  
gave Iowa township's vote as 67 for  
Tyrrell and 11 for Ellsworth, and  
Norway's as 56 for Tyrrell and 13 for  
Ellsworth. In the last *Picnic* he as-  
serts that in Iowa township Tyrrell

mencing at 10 o'clock A. M. An in-  
teresting programme has been prepar-  
ed and the last meeting is expected  
in the history of the organization. An  
entertainment will be given at the  
school house on Friday evening by  
pupils of the primary and intermedi-  
ate departments. Admission 15 cents.

### A Critic Criticised.

"To this complexion has it come at  
last." According to Mr. Overbaugh  
the primary rules are not in force in  
this county, because the people have  
never ratified the action of the sever-  
al conventions which adopted and  
promulgated them; ergo, the delegates  
from the several townships which  
were contested in the convention of  
August 9th were regularly elected,  
that convention had the power and  
authority, because the primary rules  
are not in force, to override all parli-  
mentary laws; it was right in permit-  
ting contesting delegates to vote upon  
the question of of their own admis-  
sion. The logic of the gentleman con-  
vinces us that the primary rules are a  
law "more honored in the breach  
than in the observance." There is  
"something rotten in Denmark"  
when Mr. Overbaugh is driven to log-  
ic of this character to sustain the "re-  
sistance" movement. He is obliged  
to allow the people to
