DEATH'S COLD HAND

Ex-Mayor John J. Linehan Ex- pires This Morning, Stricken Down by Heart Disease.

In His Demise Dubuque Loses a
 Prominent and Respected
 Citizen.

Ex-Mayor John J. Linehan, after an illness of several months, at his residence, 2051 Couler Avenue, died this morning at two o'clock. His ailment was called by the physician valvular disease of the heart. Mr. Linehan, was born in Ireland, June 24th, 1842; with his parents he came to America in 1850 and settled in Dubuque the same year. Here he grew up and received his education, and after reaching manhood he engaged in contracting. In January 1876, he was appointed superintendent of the Dubuque Street Railway Company and has since held that position. He was for sometime, also, a member of the Dubuque Common Council, and Mayor of the city. In May, 1871 Mr. Linehan was united in marriage to Miss Margaret O'Hare, a native of Dubuque and a daughter of Edward O'Hare, one of the early settlers' of Dubuque county. They had six children; those living are Edward, John, Mary M. Charles and James. They have lost one son. His brother Mr. B. E. Linehan is absent on business in Louisville, Ky.

The death of Mr. Linehan will be regretted by every one. He was a public spirited, progressive citizen, popular and respected. He leaves a large number of relatives, to whom his sad death will be a loss, even greater than it is to the community at large.

The time of the funeral will be announced hereafter.

Several important changes in constitution in the Grand Nces of the Grand Organiza-
 structure is abolished and the the first, second and third Master created. Each of the organizers and instructors assigned to districts. Vice Gr Eatens and Grand Organizer fill the first and second place third will be filled by electio

and in old Virginia, as well."

"How is there any chance of winning in old Virginia?"

"Why, the popular vote in that state last year gave 4,000 majority, and it was said that, if there had been a full count, the majority would have been 12,000. Then Virginia is getting to be a great mining and manufacturing state, and she feels the need of protection. Look at West Virginia—her products are lumber, iron, salt, coal and wool and the Mills bill takes the tariff off of them all."

"What do you think of Blaine in this campaign?"

"I think he is doing good service. He has found some very strong arguments, and has dealt some telling blows for the party."

A Good Man Gono.

The announcement of the death of Hon. John J. Linehan in the TIMES yesterday morning was a shock to the community. It was known for some time past that he was very ill from heart troubles, but it was not supposed that his illness was of a fatal character. Up to the close of last week it was believed that he was getting the better of his malady and that in time his health would be fully restored. He was on the levee only a few days before his death and he then expressed himself as feeling much better than usual and conversed with his friends in his usual genial and happy manner. In the death of Mr. Linehan, Dubuque loses one of her most enterprising citizens and the community one of its most honorable and generous members. Mr. Linehan was of a class of men who are best liked the better they are known. Of an energetic and combative nature, he had behind this an honest upright heart. He was kind, obliging

and generous. No man ever had a truer friend than Mr. Linehan, or one who would do more for him; and the poor never had a more compassionate pitying sympathizer with their misfortunes. No one ever appealed to him in vain for assistance. Those who were in his employ say they never worked for a better man. There are some men who with advancing years grow sordid and mean. Mr. Linehan was just the opposite of this. Every day he lived, he developed the better traits of humanity. His naturally good disposition showed itself more and more forcibly with every year of his life. There wasn't a mean thing in his nature. He was free, frank and in every respect noble. He carried his heart in his hand, ready to oblige and ready to do a good turn to each and all. He wore well the title of "Honorable," because he was honorable, true and gentle.
