annual deluge. But those who know the season felt confident that there would be no rain, and they were right.

The program was begun late in the forenoon, as the crowd was rather late in putting in an appearance. The grand stand was occupied by A. O. Walker, president of the day, Rev. W. M. Purce, Chaplain, Judge Seeds of Manchester, Lawrence Gonner of Dubuque, and Rev. Jas. Hill, of cascade with the Farley cornet Band. When the band had rendered a few selections Mr. Walker opened the program by introducing the chaplain, who made the invocation. Then Mr. Walker made an address, and gave an account of the first harvest home picnic. The Dubuque county Harvest Home was started by twelve men composing the Farley band, of which Mr. Walker is the only one remaining in the present band. The picnic was not started under very favorable auspices. When the band started down the track there was not a team in sight, but as they went on a team dropped in once in a while, until, when the grove, just west of the present site was reached, there was quite a nice little crowd. Uncle Simmie Clark was the first president, and among the audience before him on this silver anniversary Mr. W. could see a few silver haired men who were present on that first picnic. Then as it was noon, Mr. Walker dismissed the audience, with the announcement that the program would begin at two o'clock.

When that time arrived the seats before the grand stand were crowded and Mr. Walker introduced Judge Seeds, the principal speaker. The Judge delivered an excellent address which lasted above an hour. He was followed by Mr. Gonner, who spoke briefly to the young men. Mr. Gonner's speech was somewhat interfered with by the change in the program which threw all the speeches into the afternoon session, and had time permitted

Cousins and Cruce of Earlville. Doc Brooks took prizes in second and third.

### Obituary.

The older members of our community were shocked to learn of the death of Mr. R. B. Lockwood, of Allison, Ia., who twenty years ago was a resident of Farley. Mr. Lockwood died of general debility, and was seventy-nine years of age.

Robert Barrett Lockwood was born in County Durham, England, and came to Dubuque Co. in 1851. Previous to his removal to America he served as a notary public in the city of London. He lived on a farm near Worthington until 1875, during which time he served two terms on the board of supervisors of this county. He was a member of the Twelfth General Assembly of Iowa in 1868.

He was the father of six children. The four daughters: Mrs. Wm. Pitman, of Farley, Mrs. Blair DuBois of Vancouver, Wash., and Misses Annie and Emily, have gone on on before into the great beyond. The two sons, Bedford, of Dyersville, and Mountjoy, of Ardale, survive him.

The funeral was held in Allison Wednesday, and the remains were brought to Farley for burial in the Farley cemetery, where Mrs. Lockwood is buried. The committal service was read over the grave Thursday morning by Rev. W. M. Purce, minister-in-charge of St. George's Episcopal Church, of which the deceased was a member over twenty years ago.
