Death of Mr. T. Bryan.

It has become our painful duty to announce the death of our friend and fellow-citizen, THEOPHILUS BRYAN, after a protracted illness at his residence in this place, on Thursday last. His death was the result of an affection of the lungs.

Mr. BRYAN, was one of the oldest and most influential citizens of this county, and his death will be deeply felt by every citizen.

ATTENTION ALL!

Let all remember, that the first year of the SENTINEL expires in January next, and that we are desirous of having all who are indebted to this office, either on subscription or otherwise to call and settle up to that date before the expiration of the same. We do not like to be dunning all the time, but would wish to be relieved from doing

Dissolution.

The co-partnership heretofore existing be-
tween T. Bryan and J. J. Jones in the mer-
cantile business at Pañora, Iowa, is this day
dissolved by mutual consent, T Bryan having
purchased Jones' entire interest in said es-
tablishment. The books remaining in the
hands of Bryan who will settle all accounts.
I will still continue to carry on the said
business at the old stand, where I invite my
old friends and public generally, and hope to
be able to exhibit the largest, cheapest and
best selected stock of goods ever brought to
Western Iowa, consisting of Dry Goods,
Groceries, Hardware, Queensware, Boots
and Shoes &c., to which I expect to add by
early Spring a full and complete stock of
farming impliments, consisting of Plows,
hoes, Cultivat ors, Grain Cradles, Scythes,
orks, and indeed every thing in that line,
which I would call the attention of all
farmers of Guthrie and adjoining counties.
This 6th day of November 1856.

T. BRYAN.

About FamilySearch Pedigree Resource File

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will be published and packaged with that set of discs. With the publication of every 25 discs, a master index for those discs will also be published and packaged with that volume of discs. Discs may be purchased as sets or volumes.
